Dear Parents,

The weeks are already flying by with much happening at our school on a daily basis. We had a very successful swimming carnival on Tuesday at the Richmond pool and I would like to congratulate Peter Cracknell for all his organisation and implementation of a wonderful day. Thank you also to all the teachers for their involvement and support of Peter Cracknell and assisting the students in getting ready for their events. A huge thank you to all the parents who attended the carnival, giving up their time and coming along to undertake various duties. Your support is very much appreciated.

Even though I wasn’t there for very long, it was great to see the children so supportive of each other and cheering their fellow students in their respective houses. All of the teachers were impressed with the terrific swimming that the children are doing as well and please look at next week’s newsletter for photos and a full report.

I am delighted to announce to the school community that as a result of our election process we have both returning and new members of council for 2014. After our AGM on Monday 24th February, I will be able to announce to our school community, the council office bearers for 2014.

Congratulations to the following parents and DEECD employees who will join our existing members on council for this year:
- Rachel Power (Olivia and Joe)
- David Portnoy (Nate, Charlie and Nina)
- Georgie Handbury (Tommy, Jack and Chloe)
- Amy Sorger (Claire)

- Gillian Brown 5B

Student supervision in the school yard

It is perhaps timely to remind our parents and carers that children are not meant to be in our yard before 8.45am when they will be supervised by the teacher on yard duty. Any child who comes to school before that time is expected to be signed into befores. Additionally all children must be picked up by parents or grandparents / carers prior to 3.45pm. Any children not collected by that time will be brought to the office. As part of their licence agreement, OOSHC must be able to utilise all the outside play spaces, except the dome. May I ask that parents please support our after school child care facility by leaving the main quadrangle/playground area and moving across to the dome to continue chatting. I apologise for sounding dictatorial, but we are frequently assessed by spontaneous visits from the department to ascertain if we are meeting the guidelines.

Information Evening Tuesday February 18th 6.00pm - 8.00pm

Could all parents please accept this as a personal invitation to attend an information session for your child’s class on Tuesday 18th February. The aim of these sessions is to provide an overview of the learning programs and to outline some of the organisational aspects of each level as well as communicate the teacher’s expectations for each child’s learning journey. Through these information sessions we hope that parents will have a clearer picture of how to support their child’s learning throughout 2014.

Principal’s report continued over page...
Please note the time and venues for each of these sessions will be:

- 6.00 - 6.30 Preps in the Infant Hall
- 6.30 - 7.00 Year 1/2 in the MPC
- 7.00 - 7.30 Year 3/4 in the MPC
- 7.30 - 8.00 Year 5/6 in the MPC

Looking forward to seeing you all there.

Senior Green Team Excursion

Our first Green Team excursion happened today. I took the Year 3-6 Green Team reps to Federation Square to ‘Meet the New Joneses’, an interactive exhibition which demonstrates a more sustainable way of living. We were very lucky to be selected for this event, through our involvement with Jason Kimberley from Cool Australia. I will have a more detailed report in next week’s newsletter.

National Ride2School Day

As I mentioned last week we will again be participating in National Ride2School Day which is on March 19 this year. We had a very successful day last year with a huge number of students riding their bikes to school that day. It was so successful and Bicycle Network Victoria were so impressed that they have asked us to be their special media school this year. That means the school will get quite a bit of publicity relating to the Ride2School program. Let’s not disappoint the media and make sure our day is even bigger and better than last year. Keep this date in mind and start preparing by participating in our Walking Wheeling Wednesdays. Click here for the Ride2School website. Remember even if you live a long way away, ‘Part Way is OK’, so you can plan to drive to a certain point, then start your active travel from there. Last year we achieved a figure of 89% of our students actively travelling to school and this year they would like us to try for 100%. It’s a big challenge but knowing how good our school is when it comes to achieving challenges I think we can do it. Start practising and getting into the habit now.

SRC Casual clothes for Kate and Liberia

Kate is leaving next week to volunteer her time in Africa. Kate will be there for 6 months and will not be coming back to OOSHC. I’m sure all of OOSHC and the kids will miss Kate dearly. Kate has promised she will contact the school regularly. We would like to thank Mrs Cukier, Kate and everyone else who helped make this fundraiser successful. We raised an amazing amount of $740.00. We would like to thank everyone who donated.

Dear Parents,

We are all getting very excited that all the details for the Armadale Primary 130th Celebration Fair are coming together. The Fair will be held on Saturday 29th March 2014, and we would like to have as many parents and students involved in this exciting occasion as possible. Every week we will issue a ‘Fair News’ document to let you all know how we are progressing, and what additional help we need, to make this special day one to remember. The newsletter can be viewed by clicking on the ‘Fair News’ link in your weekly Newsletter email.

We look forward to working with you all!

Fact sheet for parents and carers – new suspension and expulsion procedures

Every member of a school community has the right to feel safe at school. As a parent or carer you should be confident that you are sending your child into a safe and supportive learning environment.

Suspension and expulsion are serious disciplinary measures and should be used as a last resort in managing a student’s behaviour.

As of 1 March 2014 changes have been made to how suspension and expulsion processes work in government.

The grounds for suspension and expulsion have also been updated to better enable principals to prevent and respond to behavioural incidents that may compromise the health, wellbeing and safety of staff and students. The grounds for suspension and expulsion can be found at: https://education.vic.gov.au/school/principals/participation/Pages/discipline.aspx

The relevant person – ensuring students are supported

It is important that every student has a person to support and advocate for them throughout a suspension or expulsion process. The new guidance on suspensions and expulsions has introduced the concept of a relevant person, which is the adult who will play this important support role.

In most cases a student’s relevant person will be their parent or carer. However, you as the parent or carer can also nominate another responsible adult to act as relevant person if you cannot, for whatever reason, take on this role yourself.

The role of the relevant person does not replace your role as parent or carer with regard to responsibility for decision-making about your child’s education, and for their enrolment and attendance at school. Rather, it has been introduced in recognition of the fact that students come from diverse family backgrounds and that a parent or carer may not always be able to act as a support person for their child.

The principal will speak to you about who this person will be.

The suitable persons list

In some cases, a parent or carer may be unable to act as the relevant person for their child during a suspension or expulsion process, and may also be unable to nominate another adult to fulfil this role.
In these situations the school principal will appoint a person from the ‘suitable persons list’ to act as the student’s relevant person. The suitable persons list is a register of departmental employees with relevant welfare expertise, experience and training.

This is to ensure that every student has somebody to support and advocate for them.

Meetings with the school principal – the behaviour review conference

A principal is required to hold a meeting, called a behaviour review conference, when an expulsion is being considered for a student. The student and their relevant person must be invited to this meeting to discuss the student’s behaviour and possible consequences and strategies to address the behaviour.

The relevant person can also request a meeting with the principal at any point during an expulsion process if they have any concerns.

The relevant person – whether parent, carer or another adult – may bring an independent support person to any school meeting as long as they are not acting for fee or reward.

When suspending a student, principals are not required to hold a meeting with the student and relevant person either before or after the suspension, but the relevant person can request a meeting with the school principal at any point during the suspension process if they wish to discuss any concerns.

If you are unable to resolve your concerns with the school principal, you can contact the relevant department regional office to discuss further. To contact your closest region office see: Contact Us

Expulsion appeals

A student who has been expelled has the right to appeal their expulsion the relevant person may exercise this right on their behalf, taking into consideration the student’s views and best interests.

The school must provide every expelled student an appeal form along with the Notice of Expulsion.
