Dear Parents,

Welcome back to you all from what I am hoping was a wonderfully relaxing and reinvigorating break where you took the opportunity to spend cherished moments with your family and friends. We were certainly treated to some glorious sunshine and Indian summer weather, especially considering we are half way through our autumn season. My holidays were lovely, with much pottering in the garden, going to the Flower and Garden show, feasting with family and friends, seeing movies and going to concerts and the Comedy Festival. There is always much to do in and around Melbourne and we are very fortunate to reside in such a liveable city with many opportunities for entertainment and of course the footy is back!

Regards from Jim

I received a lovely text message from Jim who is thoroughly enjoying his Spanish sojourn. He has seem many things, but did find the bullfighting a little not surprisingly. He is now in Morocco and enjoying the many sights that part of North Africa offers. He wishes all the children the very best for the start of Term Two.

Sunsmart Policy

Our new Sunsmart policy was approved through school council last year and I thought it timely to remind you of our policy changes and how these will be implemented. In summary the school will:

- Ensure that children wear the regulation hats as advised by the Anti-Cancer Council and supplied by the school’s uniform supplier between 1st September and 30th April, and on other days of high exposure
- Apply a “No Hat, No Play” rule and children without the correct hat will spend recess and lunchtimes in a specially designated shaded area, which is under the tree adjacent to the MPC
- Encourage students to have their hats available at school throughout the year so that they are available for excursions and sporting events, as well as for days of high exposure between 1st May and 31st August of each year. When the UV index reaches 3 and above, the students must have their hats on when outside at play, for sport, local walks and for excursions. We will advise the students during the day if they require their hats for recess and lunchtimes.

Excursion forms and levies

With so many bits of paper to juggle and slips to return to school, complicated by the number of children you have, it is not surprising how many permission forms and notices do get mislaid at home and placed in a special location never to be seen again, some mysteriously don’t make it home at all. Do not despair – should you need a replacement form, just jump on the website and download another one. We always feel for the students that miss out on specially organised events because the permission form has not been returned. Legally we are required to have your written consent for all activities and therefore seek your co-operation that this happens. We also are happy to come to special arrangements with payments for those families experiencing genuine financial hardship as we want all our children to be included and enriched by the learning our curriculum provides.

Level 1 Home Reading Information Night

A reminder that this important session for our Prep Parents is on this evening at 7.00pm in the Performing Arts room. It is a great opportunity to find out about how to encourage your children to read and engender a love of reading books together. I am looking forward to seeing you all there.

A lovely kind gesture from Toby Yeats

I am always encouraging our students to be kind-hearted and generous of spirit and to think of others before themselves. It gladdens my heart when I find out that our students choose to be like this of their own volition. Toby Yeats of 4Z was one of our children who won a beautiful Easter raffle hamper at the end of Term One. Rather than indulging in all that chocolate, Toby thought of others and donated his Easter hamper to the hospital staff at Cabrini Palliative Hospital in High Street Prahran. The Yeats family had recently lost a very special Grandfather and Toby had honoured his memory by making this gesture. All of his family are incredibly proud of him, especially younger sisters, Lucy and Polly. Well done Toby!

**South East Water main works in Glassford Street and Densham Road in April.**
We have been advised by South East Water that they will be renewing the water mains in these streets. This will no doubt impact on the traffic flows and parking availability in these streets. It may be advisable to park a little further away for your children’s safety and avoid any unnecessary holdups closer to the school.

**New Playgrounds**
Our new playgrounds are well underway and we look forward to seeing the further development of these in the coming weeks. According to the supervisors, our equipment has made the long journey from Europe and is sitting on the docks. It shouldn’t be too much longer now!

**Yr 6 Leadership Badges**
The embroidered badges arrived in the school before the end of last term, but we would like to present these to the students once Jim is back from his leave. There will be a special assembly on Wednesday May 2nd held in the afternoon at 2.45pm to facilitate this presentation. Please mark this date on your diaries and note there will not be an assembly at the normal morning time on that day.

**PFA**
There are a host of exciting events coming up that are amazingly well organised by our wonderful PFA who work so tirelessly for our school. My thanks to these parents who do so much to enrich the lives of all our students.

**Student-free days**
A reminder to parents to note the following student-free days in your diaries:
- next Wednesday 25 April is Anzac Day
- Friday 4 May is a Staff training day.

Warm regards

Rochelle Cukier
Assistant Principal

**Bunning’s Sausage Sizzle – Saturday 5th May**
Just over two weeks to go until our big sausage sizzle outside Bunning’s in Burwood Rd, Hawthorn. Kim Hyde has once again kindly offered to co-ordinate the day and she will be looking for some helpers. Please give some thought as to whether you can help out on the day – even if it’s just for an hour or so. Last year’s was great fun, as well as raising important funds for our school. If you haven’t worked on one of our sausage sizzles before – don’t worry! It’s easy & lots of fun, with plenty of helpers rostered on to share the load. If you can help out in any way – either beforehand or on the day - then Kim will be delighted to hear from you on either 0412 561 520 or kimhyde@virginbroadband.com.au.

We are finalising a few last-minute details but they should be delivered to the school shortly and will then be ready to be landscaped around the tree in front of the school hall. With our pavers and new playground equipment all being put in place, it will really transform the look of the play area. We will keep you informed ...

**Levels 2, 3 & 4 Cocktail Parties**
Given that the main purpose of the cocktail parties is to meet other parents across your year level, we have decided this year to hold all of the cocktail parties as early as practicable rather than much later in the year. Therefore, some forward dates to put in your diary for the cocktail parties are:

- **Level 2 – Friday 11th May** (week four of 2nd term)
  The Level 2 Reps have been busy organising the cocktail party which is only three weeks’ away! Level 2 parents will receive further details from the Reps shortly.

- **Level 3 – Friday 1st June** (week seven of 2nd term)

- **Level 4 – Friday 27th July** (week two of 3rd term)

**Icy Poles - $1.00**
Yes, we know that icy poles were supposed to finish last term, but given the beautiful warm weather this week, we thought we’d have just one more day of them this Friday. Therefore, don’t forget to put $1.00 in your child’s bag tomorrow. It will be the last day of icy poles until term 4!

Have a great week everyone, and keep enjoying this amazing autumn sunshine!

**BETTER BUDDIES**
Term one saw the level 1 and level 4 students actively participating in and enjoying weekly buddy activities. From outdoor games, to investigation time in the infant building, making Easter baskets and assisting the level 1’s in library and I.C.T. times, all children continue to get the most out of the buddy program. We look forward to more exciting activities and reading some reports from the level 1 and level 4 students about their buddy experiences during term two.

For more information and photos of recent activities, please see the buddy display near lost property.

**YOU CAN DO IT!**
*Getting Along, Organisation, Resilience, Persistence, Confidence*
While children continue to explore and practise their getting along and organisational skills from term one, this term will see them learn more about the importance of being resilient. Students will meet Ricky Resilience and discover strategies to use when things don’t go according to plan. Keep an eye out in future newsletters as students will offer their own insights and strategies for being resilient, organised and getting along.

We look forward to seeing many children receive You Can Do It awards at Wednesday morning assemblies this term.

**THE DIVISION SWIMMING FINALS**
On Friday the 9th of March, 20 students from Level 3 and 4 who had qualified for the Zones Swimming, left by bus to compete in the 2nd round of interschool swimming races at Oakleigh Swimming Pool. There were 6 different events and each event had 2 heats. The events were: 50m Freestyle, 50m Backstroke, 50m Breaststroke, 50m Butterfly, Freestyle Relay and the Medley Relay.

Before their race everyone felt really nervous but once they dived in their fear was washed away and every swimmer swam their best and did an excellent job of it. To qualify for the next round competitors had to come first out of both heats which is really hard to do, and on top of that there were some excellent swimmers there from other schools.

Congratulations to: Alice Menzies-King, Darcy Mellor, Joshua Start, Amelia Darby, Jack Mangano, Henry Hayman, Olivia Vickery, Zara Guss, Lewis O’Donnell, Hugo Nash, Edward Brown, Mark Allen-Lyons, Adam Simpson, Jaxon Doelling, Angelique Lignos, Emilia Sweeney, Milla Alekna, Molly Nash, Emilia West, Charlie Hanrahan, Ellison Guss and a special thanks to Damien who accompanied us and also thanks to Marilla Guss who supplied the training.
