Dear Parents,

Fun Run Success
What an absolutely sensational morning we had last Tuesday morning for our Fun Run! We were blessed with a wonderfully sunny winter’s morning which helped to make the conditions very enjoyable. I was so impressed with the enthusiasm displayed by our students as they were all pushing themselves to run/walk as many laps as they could. So many children came up to me after the event to proudly show many how many laps they had completed. This may equate to a few surprises for family and friends who sponsored by the lap but you just can't beat that Armadale enthusiasm when it is in full flight.

I would like to take this opportunity to congratulate the PFA on organising such a successful event for the school. Jill Davies & Abbey Nash, our PFA Co-Presidents, did a sensational job coordinating all of the planning and administrative aspects including sponsorship forms, promotional flyers, lap cards for each student on the day, as well as sourcing sponsorship for the event through several local businesses. Thank you also to Gary Rowley who did a great job organising the show bags that were distributed at the end of the day as a thank you to all students; the children were really excited to receive these!

Finally I would like to thank Peter Cracknell (PE Teacher) for organising and leading the program on the morning. In addition to the two periods of laps undertaken by our students, Peter also facilitated some novelty events/races at the end of the program. Everything just ran so smoothly thanks to Peter’s fantastic efforts.

It was great to also have so many parents involved in the morning in some way. Seeing mums and dads jogging around the circuit with their children was so heartening. Thank you to all parents who were able to join in the morning and support the event. We now look forward to those sponsorship forms returning in support of our ongoing efforts to improve our external play spaces for our students.

Mid Year Reports
If all goes according to plan, all students should be receiving their written mid-year reports today. Please check those bags at the end of the school day! As a follow up to these reports, family conferences will be scheduled on Monday 30th July, so that students, parents and teachers can meet to discuss and celebrate the achievements during first semester, as well as to anticipate the learning journeys and goals for second semester. I would like to congratulate our students on their many achievements during first semester.

Final Assembly Arrangements for Term 2
As mentioned last week, our final assembly for the term will get underway in the MPC at around 1:30pm on Friday 29th June. Normally I would have planned the agenda for the assembly in collaboration with our senior leaders but this time around Rochelle has taken charge and I am under strict instructions to just turn up and ‘go with the flow’!

Please note that all students will be dismissed at 2:30pm to begin their midyear break. School will resume for term 3 on Monday 16th July.

Thank You Armadale PS
Now the hard part to write!
I have been humbled by the good wishes, emails, cards, gifts etc over the last week. My sincere thanks to all students, staff and parents for this warm generosity.
I will always look back on my time at APS as being a very fulfilling and rewarding period of my career. I was blessed with a talented and very dedicated staff. Our teachers care so much for each of their students – I thank each and every one of them for their support and outstanding professionalism.
And why are we here? Our students of course. We have such respectful and caring students that have made coming to work every day a joy. When you are surrounded by such enthusiasm and kindness, with everyone trying to do their best – you can’t help but to be inspired by this context. I know that many of them will go on to achieve great things in the future! Thank you boys and girls for making our school such a special place to be.

….Principal’s report continued over page
Principal’s report continued...

To the parents and friends of Armadale, my sincere thanks for all of your support and confidence in the school over the last four and half years. Our Fun Run earlier this week was a prime example of how our community always rallies together to support the school. We have achieved so many things together – thank you all for forging such strong partnerships with the school.

And a few special mentions:
Sincere thanks to our school councillors, in particular, Bruce Hemingway as President, for all working so purposefully to improve the opportunities to our students.
To Katie Wallman and the OOSHC team, thank you for providing such wonderful care for our students beyond school hours.
To Jill Davies and Abbey Nash, as our dynamic PFA duo, thank you so much for the many hours you have contributed to support the social and fundraising elements of the school.
To the ‘engine room’ of the school where all administrative functions are managed so professionally – thank you to Maggie, Alison & Christine for being such a wonderful office team to work with on a daily basis.

And finally, to my amazing leadership team – Rochelle Cukier, Malcolm Dow & Peter Cracknell. Our collective efforts have made a difference. It has been a privilege to be part of this team.

So I’m not writing this as a goodbye but more as a ‘see you later’. I can’t wait to return for ‘Alice in Wonderland’ next term to see our students shining on the stage. And to the Year 6’s that I have watched grow and mature over the last five years, I’ll be back to watch you graduate in December!

Have a wonderful midyear holiday break everyone.

EXCURSION LEVY TERM 3

All coloured excursion forms were handed out to children yesterday. If your child did not receive one, please check with their teacher.

Please note the office will no longer be printing extra copies as they are available to download from the website.
Hi everyone,

It’s hard to believe that we’re half-way through the school year. I’m sure parents and children alike are looking forward to recharging their batteries during the term holidays in preparation for the last two terms of 2012.

APS Fun Run
Well, what a fabulous day we had on Tuesday! With the sunshine smiling on us, the children headed off to Orrong Park for their Fun Run. We couldn’t have hoped for better conditions, and it was absolutely wonderful to see the children in such high spirits and enjoying every minute of it. As always, the amazing Armadale school community showed up in force, either to volunteer for one of the tasks or simply to run with the kids and cheer them on. Afterwards, it was back to school for free hot dogs, yoghurt, and icy poles. And, to cap the day off, show bags were delivered to every child in the school.

We couldn’t have done it without the help of each and every parent volunteer who turned up on the day, whether it was to chop fruit, serve hot dogs, count laps, or carry trestle tables. There are so many parents who helped, and we would like to say a HUGE thank you to you all. You were simply amazing, and we couldn’t do it without you!! Your rewards are the smiles on the faces of each and every child!

Also, sincere thanks to Peter Cracknell for co-ordinating the logistics for the day, and to all members of staff for so enthusiastically participating.

We’d also like to thank:
- Carman’s for donating the muesli bars,
- Five:am yoghurt for donating all the yoghurt pouches,
- Craig Laing for generously donating the 400 hot dogs for lunch.

Many thanks also to:
- 99 Bikes,
- Goodlife Gym,
- Thomas Dux,
- Heinz,
- The Pancake Parlour,

- Step Into Life,
- New Balance and
- Elise Patisserie.

The PFA spent Monday afternoon putting together the 380 show bags and we had several student helpers – thank you to Alice, Rose, Spencer & Jack from 3C, and to Charlotte, Olivia and Nicholas for their wonderful assistance!

And finally to all the children – you all participated so wonderfully well and showed great enthusiasm and determination, and most importantly you all had a lot of fun! Many of you completed lots of bonus laps which was just amazing. We hope you really enjoyed the day as much as we enjoyed organising it.

The prizes for the day will be handed out at the second assembly of Term 3. Don’t forget there are lots of prizes to be won, including 2 mountain bikes; 10 x $25 vouchers from the Pancake Parlour; Brooks drink bottles; a Brooks shoe voucher; soccer balls; footballs; basketballs, and other sporting equipment. It would be appreciated if children could collect the sponsorship money owing and return their sponsorship form and money to the office by the end of the week (yes, that’s tomorrow!)

Farewell afternoon tea for Jim
To all parents and friends of Armadale PS – don’t forget that the PFA will be hosting an afternoon tea for Jim this afternoon at 2.30pm in the school hall. We look forward to seeing as many parents as possible in order to say farewell to Jim, and acknowledge his wonderful contribution to APS over the last five years.

We do hope you will be able to join us to express our appreciation to Jim for the wonderful legacy he will leave at Armadale PS.

Looking ahead ...
Term 3 will bring with it a host of activities, most notably the whole school performance of Alice in Wonderland at the National Theatre on the 9th & 10th August – something to really look forward to.

In the meantime, we wish all children and their families a safe, fun and relaxing break. See you in Term 3!

NETBALL SUCCESS

Our year 6 girls netball team (the Twisters), made up of Ally Golusin, Ella Bennetts, Emma Bickerdike, Milly Darby, Molly de Hennin, Molly Nash, Rose Power and Lexi Tsaconas won their Grand Final last Saturday rather convincingly – they were far too strong in the last quarter and the final score was 22 to 13.

Congratulations to all players on a wonderful success (and also to Emilie West, who played in all games, but missed the GF due to being overseas). The team spirit, enthusiasm, sense of fair play and cooperation between all players was a credit to you all! Well done!

No less well done was the loss that our team the Cyclones experienced in their Grand Final against their nemesis from Malvern Central PS. The scores were even at three-quarter time, but the Nightmares were too strong at the end. Again, the team played strongly and showed fantastic skills and coordination – the players all impressed with their skills and attitude. Well done to Georgia Giles and our ex-students Emme Bindley, Eleanor Brown, Bella Craig, Isabella Persano, Annabel Hardwick, Emily Furzer and Sophie Permezel. Anna Wolfe, until injured, was also a member of this team during the season.

Thanks also to the great coaches – Eliza Kane and Robyn Martin

EARN & LEARN

Don’t forget to keep collected the stickers in the Woolworths’ Earn & Learn promotion which has now been extended until Monday 12 August.

Thank you to the families who have already returned completed sticker cards. Well done!

SPORTS FOR SCHOOLS

Vouchers are available in all Coles stores from 13 June to 14 August and we ask that you get involved to help collect vouchers for our school. A collection box is outside the office so please feel free to drop the vouchers in the box or give them to your children to hand into your child’s class teacher.
Dear Parents,

As you can imagine that this last week of school is indeed bitter-sweet on so many levels. Whilst we are all eagerly awaiting the school holidays with the opportunity to sleep in and recharge our tired batteries, it also means that we have to farewell Jim and give him an appropriate send off which will see him begin his exciting journey at Williamstown North PS. The staff had a wonderful celebration with Jim at Rococo Lane on Tuesday evening with many laughs about shared memories and a few tears were shed as well. If you would like the opportunity to say a personal farewell to Jim, please join us for afternoon tea on Thursday afternoon in the MPC from 2.30-3.30pm or please attend the final Term 2 assembly on Friday at 1.30pm where the children will have their opportunity to farewell their much loved Principal.

Also bitter-sweet for me will be this forthcoming weekend when I will commemorate the 12 month passing of my Mum. In her memory, our family and close friends get together for a special service where we erect a headstone which special words about her legacy. I see her legacy in my own wonderful children every day. These 12 months have been hard and naturally I miss my mum every minute. She would ring me 3 times a day just to chat, ask me the same questions as the day before and invariably ring at 7pm, just when I was getting the family meal together after being at school all day, and often tired from meetings that went quite late. Yes, I admit at times I was annoyed that she rang and thought that she didn’t appreciate that I had just come home, but now of course the phone doesn’t ring at 7pm every night and how I wish it would.

What has been wonderfully sweet this week was on Tuesday with the Fun Run and the extraordinary contribution from the entire PFA and wider school community who rallied together to execute a most fabulous Fun Run that was enjoyed by every single person. Even people who are not connected with Armadale PS at all who were at the park said it was a wonderful event. Special thanks must go to Peter Cracknell, Jill, Abbey, Gary, Pina, Michelle, Andrea and so many other Mums and Dads who helped carry things, bring things, sought sponsorship and the list goes on - sincere apologies if I have left anyone off the thank yous. This day typified what Armadale is all about and how lucky we are to be part of such a great school community.

My wish is for you all to have a wonderful and safe holiday together, but more important than that is for those of you still fortunate enough to have your parents in your lives, please spend time with them and where possible let the children stay with them and cherish those special times and opportunities. Also make sure you tell your children and parents how much you love them every day, you can never spoil your children with love. If during the holidays, your children do things that annoy you or they fight with each other, focus on the behaviours that you are disappointed with and never the children themselves. Always reassure children that your love for them is unquestionable no matter what they do.

I hope you can join us on Friday at the assembly, which will no doubt be a very emotional day. We have been blessed in having Jim as our Principal and he has taken this school in four and a half years from being good to great. We will do everything we can to ensure his legacy continues.

Looking forward to welcoming all our children back on Monday July 16th.

Rochelle

H2O Swimming Works conduct Swimming Lessons from the Lauriston Girls' School in Mercer Road Armadale for ages 4 years and above. Lessons are Saturday afternoons, along with Sunday.

We also have a limited number of spaces after school at our Swim Studio in East Malvern.

As well as Learn to Swim, H2O have an extensive squad program catering for all ages, abilities and interest, ranging from entry level novices (Fast Track and Pre Squad), fitness swimmers through to elite National Age, Open and Masters running out of Prahran Aquatic Centre and Melbourne High School (South Yarra Sports Centre).

H2O has been operating in Stonnington for over 25 years and recently expanded to Geelong Grammar School's Corio Campus, delivery quality lessons to staff and students.

The owner Anita Killmier has over 35 years experience in the swimming industry with a curriculum constantly evolving to reflect best practice. Her company provides quality lessons, low student / teacher ratio's, well trained staff and attention to detail that ensures your children get the care and attention they deserve. As the testimonials below show, we are recognised for our emphasis on technique and above average results.

According to SafeKids Worldwide, more than half of all drownings for ages 6 and over occur in open water situations. Why? One reason is that basic swimming skills are not enough. Children must learn strokes and become advanced swimmers as soon as they are capable. Improve swimming skills not only for safety, but also for the lifelong health and fitness benefits.

Term 3 begins on Monday 16th July. Don't wait, enrol NOW!

Brochures and application forms are available on the website www.h2oswimming.com.au or please contact anita.h2o@hotmail.com with the header LGS Brochure and Application to have one emailed directly to you.

Testimonials:
"I think also one of the positive differences with the lessons that you run is that the teachers actually walk along with the children, and correct the arm-stroke as the children are swimming - other lessons we have done elsewhere, teachers only demonstrate to the children what's required from the side of the pool, and from experience, many of the children are distracted (i.e; not really watching) or can't understand or 'feel' what the correct stroke is. Plus we've also had teachers where it appeared that speed was the key to success at even a young age - and they don't get to learn the building blocks of stroke technique. So we're very impressed with how the lessons are running, and the progress Joshua is making."

Nat

"I can see the progression of Ashleigh and Shannon, they are coming along nicely. I'm sure they will be swimming with beautiful technique in the near future. I am very glad I made the choice to move swim schools...."

Kirsty

Anita, I would also like to take this opportunity to thank you for your invaluable advice in relation to my swimming as well as your professional approach to the training sessions. I really appreciated this and your technical advice about my stroke was the best information and feedback I've ever received.
