Foundation Bulletin: March 21

We’ve had a great week and hope your child has enjoyed all the excitement of being part of such a vibrant school community.

As this is the teachers’ ‘Planning Week’ our normal timetables have altered to enable teachers from each level to begin to prepare for next term. On Monday, the Foundation students participated in some of their specialist lessons including, P.E., Italian and Art so that we could plan work for next term.

We were very excited to learn that Charli Northwood and Sanika Kumar’s art work has been selected as finalists in the Cultural Diversity Week Primary School Art Competition. Their art work will be on show at the Atrium area of Federation Square on Sunday 24 March.

Acceptable Use Agreement Forms: We are still missing a number of student consent forms. Additional forms can be printed from the school’s website under: ‘Parents/Forms/ Acceptable Use Agreement.

Library Borrowing: has finished for the term. All library bags remain at school over the holidays. We would appreciate it if books and bags could be returned to their classroom teacher asap to enable us to re-shelve books before the end of term.

Reading Information Night: Our important and informative reading night is on Tuesday, 15th April. The evening session from 6.30 – 7.15pm will explain our reading program and how you can help and support your child with their reading.

Numeracy: This term we have looked at common 2D shapes, such as triangles, squares and circles and patterns. Perhaps see if you can find examples of them in your home or on the way to school.

Thank you to all the parents who have assisted us recently. We are very grateful for all your help!
