Dear Parents,

**R.S.P.C.A. Visit**

This week the Foundation students enjoyed a visit from the R.S.P.C.A. The children enjoyed listening and responding with enthusiasm to our guest speaker and learnt about the importance of caring for pets and looking after animals.

**Kinder Teachers Visits**

Next week, during our investigation sessions on Monday, Wednesday and Friday, the teachers from the kindergartens children attended last year have been invited to visit their past students at Armadale Primary School. This is a wonderful opportunity for Foundation students to show them all the exciting things they have been doing since starting school. Kinder teachers are also looking forward to observing Investigations taking place. While not all kinder teachers can attend, there is no doubt many students will be excited to be reunited with last year’s teacher.

**Materials Needed:**

- Sticks for hand skills
- Like the underwater habitat in our investigation area, we would like to create some more exciting habitats (e.g. jungle, forest, desert, artic etc.) If you have any materials to assist us in achieving this please send them along. (e.g. leaves, twigs, sand, indoor plants etc.)

**Reminders:**

- Friday May 3rd is a pupil-free day
- Wednesday May 8th- Fire Education session 2 (children will explore the big red truck)
- Red library bags are to be returned on your child’s library day (Monday for 0C and Tuesdays for 0J and 0P) so children can borrow new books AND change their take-home readers.
- Times are still available on the parent helpers’ rosters. Please add your name if you can assist.

*The Foundation Team*
