Dear Parents,

I hope you had the chance to attend our assembly yesterday morning, it was jam packed and our special VIP – Jason Kimberley made it all the more exciting as he assisted our Assembly hosts, Jacob and Aiden, in his role as Principal for a Day. Jason handed out the You Can Do it Awards, which were all signed by him, he spoke to all the students and parents about Cool Australia and his aim of getting as many schools as possible Australia wide to ensure that their everyday practices and habits are focussed on sustainability and restricting the depletion of our natural resources.

When speaking to the children, Jason used the analogy of natural resource depletion as the same as taking out money from an ecological bank and the problem is that we take out the money, but never put it back in. Consequently what will our environment look like by the time our children are adults and how will we manage finite environmental resources?

Jason spent the rest of the day talking to the different levels in the school about Cool Australia and how all students and teachers can be involved in protecting our unique planet. I also involved Jason in other Principal duties which I hope he enjoyed, even when Peter Cracknell pretended that the boy’s toilets were blocked and handed Jason the plunger and a set of rubber gloves!

Jason very generously left two of his books for the Library and I know that both children and teachers will enjoy these very much. Thank you Jason for spending your day with us and you are most welcome to visit our school again at any time.

_Book Week_

Next week is Book Week and I know the children are excited about buying new books to read through the Book Fair, we will also have two performances during the week and on Friday August 23rd we will also have our annual Book Parade. I know the teachers have already been thinking about their book character costume and Malcolm and I have been planning ours. Hopefully the children have thought about theirs with you and they will be ready to parade around the school quadrangle. Parents please don’t feel pressured to hire elaborate costumes, quite often the most simplest hand-made outfits are the most effective. Parents please join us for the Book Parade at 9.00am on Friday and should we experience inclement weather we will hold the Parade in the MPC. On behalf of the whole school community I would like to extend our thanks to Sara Powell, for all her work and organisation in the lead up to Book Week.

_Father’s Day Stall - Friday 23rd August (Dads please skip this part)_

Just a reminder to all Mums that the children will need $5.00 each for the Father’s Day Stall which will be held in the Science Room next Friday. Children from each grade will visit the stall at the end of the Book Parade and have until the end of

the day to make their purchases. Please note that those selected children who are participating in the District Athletics on Friday 23rd August will have their opportunity to purchase a gift for Dad on the Thursday afternoon. Once again a huge thank you to Kristen Steele (Eliza and Henry’s mum) and Susan Hucker (Tom and Will’s mum) for their entire gift collecting and purchasing, and the wonderful army of parents who are coming in to help wrap the presents. Have a wonderful week everyone and I look forward to seeing you at school next week.

Warm regards,

Hooptime Basketball

Last week the level 4 & 6 children attended MSAC for the Hooptime Basketball Gala Days on Wednesday and Friday. All children are to be congratulated on being their best throughout the day. Special thanks to the parents and teachers who coached the teams throughout the day.

The Grand Final

The ball was thrown up; Stonnington vs Armadale in the Hooptime Gala Day grand final. Number 8 from Stonnington wins the tap, but Eddie gets it and dribbles to our goals, misses and number 8 gets it back, runs to their goals and scores - 2-0.

Then Oscar grabs the ball and goes coast to coast and scores - 2-2. Stonnington score the next 4 goals so it’s 10-2, then Oscar gets thrown to the ground and sprains his wrist, so is off for the rest of the game. Lewis and Ted score multiple goals coming back to 12-12 with 1 minute left. No one scores so it goes to extra time. Armadale are down 13-16 but with 3 seconds left, Ted, from 2 metres outside the three point line scores - FOR THREEEEE! Ted SCORES!!!

We go to a free throw shoot-out: George, Lewis, Ted, James and Jack all shoot but then only George scores! Number 8 is the only one to score for Stonnington and it’s a 1-0-1, Lewis vs their number 8. Lewis scores, number 8 scores, Lewis misses AND Number 8 scores.

STONNINGTON WINS THE GRAND FINAL, but Armadale still go onto the next round. It was a great game.

Book Week 10 – 23 August
Book Week is just around the corner and we have some fantastic activities planned for everyone: our Book Fair will again be operating in the Performing Arts room. Preview days are Monday and Tuesday and the selling day is Wednesday. We have the famous Wala African Dance and Percussion troupe performing on Wednesday and Perform Musicals will be here on Thursday with their musical production Space Jump. We cap the week off with our wonderful Book Week Parade where everyone dresses up as a character from their favourite book, or follows the theme for this year’s Book Week, which is Read Across the Universe. Please see the full program outline on page 9 of today’s newsletter.

EnviroWeek 26 - 30 August
Immediately following Book Week we will be having EnviroWeek, where all the classes will be taking on a range of Sustainability Challenges. Here is a link to the EnviroWeek website, run by Cool Australia. It was great to have Jason Kimberley here as Principal for a Day yesterday. He was very inspiring to listen to, and the Green Team, as well as a number of other classes, really enjoyed having him talk to them.

Premiers’ Reading Challenge
Just a reminder that the Premiers’ Reading Challenge finishes at the end of August, so all the students in levels 2-6 should be working towards their required amount of books. We have been checking these in ICT so I am sure that all students know their username and password, and how to add books. During Book Week I will be asking parents to send a message to their child’s classroom teacher confirming that they have read the books entered on the website, in order to complete the challenge.

Working Bee
Our second, and final, working bee for the year will be held on Saturday 31 August from 9-12. We have a wide range of tasks to be completed from laying a concrete slab to painting, as well as general maintenance jobs like sweeping and drain clearing – something for everyone. We know your time on the weekend is precious so we value any time you can spare, even just an hour is fine. Of course if you just can’t make it, then we would really appreciate a donation to the school of $30 in lieu of your time (please complete the form below), and this money can be put towards material and equipment used at the working bee.

Malcolm Dow
Assistant Principal

Working Bee Donation
For those parents who will be unable to attend the Working Bee on Saturday 31 August, we would be grateful if you could make a $30 contribution to our Working Bee fund for ongoing maintenance. Please complete your details below:

Hi everyone,

They say repetition is a good thing as we only generally remember one in three messages. For those that are lucky enough to remember all three, we apologise.

We hope you have noted the following dates for your diary:

- **The Chocolate Drive** – next week
  Please see special section on page 5 in today’s newsletter
- **Father’s Day Stall** – next week
  Wrapping Thursday 22 & Stall Friday 23
- **Christmas Pudding Drive** – Early September. Pre-order award winning Frank Food and Me Christmas Puddings
- **Election Day Cake Stall and Sausage Sizzle** – Saturday September 7
- **APS Trivia Night** – Friday October 25

**The Chocolate Drive** – Look out, they will be coming home next week. Get your ‘out of house’ (or OOH!) sale program in place and see the special section in the newsletter. The kids love the soft synthetic grass so let’s try to give them some more in time for summer! A huge thank you to Robbie Fox and crew for organising this so let’s all get behind her good work to help make things happen for our kids.

**Father’s Day Stall** – The boxes are in place and the kids have done some wonderful wrapping in art class so don’t forget to put all things ‘blokey’ in the school bag for the Father’s Day Stall next week. Please see Kristen and Susan’s section on page 5 in the newsletter to see how you might help. I must mention the spread last year at the stall was worthy of a Master Chef episode – well worth volunteering if you can. Oh, not to mention the excitement on the faces of each of our children as they chose something for their special Dad.

**Election Day Cake Stall and Sausage Sizzle** – Michelle Moffat our intrepid cake-meister is again in charge of this wonderful stall. The sizzling Dean Park has volunteered as chief sizzler for the day. Please contact your class rep, Janine Sheehan, Brig or myself to register your interest.

**2013 APS Trivia Night**
– Friday October 25.
The Quiz Master has been booked so book the babysitter now if you haven’t done so already. We have some wonderful items to offer already but are seeking more. Nothing is too small or large – all items welcome. Vouchers for goods and services are always welcome so please contact your class rep. or directly to Brig or myself.

Oh, for those that remember all five of the above messages we think you are brilliant. We need smart people to help our kids get more synthetic grass so please volunteer for the Father’s Day or Election Day Stall.

Lastly, our next **PFA meeting** is scheduled for next Tuesday August 20 in the Staffroom after drop off at 9.00am. We would love some input into all our work and activities so please remember all are welcome.

**Cadbury Chocolate Fundraiser**

Once again the school is running the very profitable, very easy and also very yummy fundraiser selling blocks of Cadbury Chocolate to all those chocolate lovers out there.

Friends, family, neighbours, work colleagues and many more will not be able to resist the lure of "just a little bit of chocolate".

For those families new this year to the school this is how it works...

**Next Thursday, August 22nd** one box of mixed Cadbury chocolate blocks will be sent home with the eldest child in each family.

You have until **Wednesday September 18th** to sell to friends and family etc. All money and unsold chocolates must be returned to the school office by this given date for the child’s name to go in the draw for prizes kindly donated by Cadbury. Families returning late chocolates/monies will unfortunately not be eligible.

**Father's Day Stall**

Father's day is fast approaching on Sunday September 1st and we wanted to let you know that the APS Father's Day Stall will be held the WEEK BEFORE Father's Day this year on Fri 23rd of August. Only 8 more sleeps!

As in prior years the stall will consist of a mix of gifts donated by APS families and gifts purchased by the school which the children will then be able to purchase with their $5. The gift donations especially help to enhance the variety and fun of the stall and can include items such as magazines, books, sporting/gardening equipment, stationery, chocolates etc. To ensure that all Dads get well and truly spoilt on their special day, could families please donate a gift over the next week (last day

We would love it if you can sell more than one box...as **50 percent of the profits go directly to the school** for improvements around the school grounds and classrooms. How fantastic!!!

For this fundraiser to happen I need to ask for volunteers to help with the boxing and labelling of chocolates on Thursday 22nd after drop off at 9.00am. It usually only takes a couple of hours but "any time" is much appreciated. I currently have one arm in a sling and feel a bit useless!!

Please call me Robyn Fox on 0438 339 650 if you can help, or just turn up at the Multipurpose centre after drop off for as long as you can spare.

**Much appreciated!!**

Robbie Fox "The Chocolate Lady"
Ph: 0438 339 650

Wednesday 21st. August) - gifts can be left in the donations boxes that your classroom reps will have placed in each classroom or in the Multipurpose building for OOSH. Additionally if you know of any businesses happy to donate to the stall, we would love to hear from you.

Helpers will be very welcome from 12.00pm to pick-up at 3.30pm on Thursday 22nd August for pre wrapping or from 9.00am throughout the day on Friday 23rd for the APS Father's Day Stall 2013. Both wrapping and selling will be in the Science Room (next to the Staffroom). It is a lovely event to be involved in and we look forward to seeing lots of you there, coffee and morning tea provided! If you have any queries please contact us.

The office will be selling Daffodil items during Book Week this year and if you are visiting the Book Parade on Friday, why not pop into the office to buy something for this worthy cause.

Learning By Doing “Woodwork”

This week the Foundation classes participated in a “Woodwork” workshop (see the photos to the right). They used saws to cut wood and made excellent rockets. Well done everyone, Jonathon from Learning By Doing was very impressed!

Level 2 Excursion to Federation Square

This Friday 16th August

All Level 2’s please be at school by 8:50am tomorrow

You will need to line up at your classroom at 9.00am sharp. Please ensure you are at school before 9.00am and that you have packed a bag with your recess, fruit, lunch and a drink bottle with water. You will be taking your bag with you (school bag or appropriate back pack) on this excursion. Buses will return to school at approximately 3.15pm.

Art Smocks

It is really important for everyone to have their own art smocks, to protect your clothing from getting stained and dirty. Please ensure smocks are thick enough to prevent paint from coming through onto clothing, cotton smocks are not the best when working with wet media. If you do not have an Art Smock you can purchase one at the uniform shop in Kew.

No Need for Newspapers this Term

Thank you so very much for bringing in Newspapers throughout Term 1 and 2. We have a huge supply at the moment, so at this stage (most likely the whole of Term 3) we won’t be needing any old newspapers from home. Thanks again!

Hands up for Step-a-thon.
Help fund important child health research.
2 - 8 September 2013

Take the first step. Sign the kids up for Step-a-thon.
Kicking off in September, Step-a-thon is a fun way to get kids active, and at the same time, raise funds for important child health research.

It’s as easy as one, two, three.
Step 1: Register online. The first 25,000 kids get a funky step band podometer.
Step 2: Raise money. Start getting support from family and friends.
Step 3: Start stepping. To keep active, kids count their steps for a week.

Every dollar raised helps the Murdoch Childrens Research Institute solve the biggest health problems affecting Aussie kids today.
Visit stepathon.com.au to sign up or learn more.

At this week’s assembly we were lucky to have special visitors from the Commonwealth Bank - Leanne, Addy and Belinda
