Dear Parents,

Mother’s day stall: How do we thank our Armadale mums?

Our first thank you is to Kristen Steele and Susan Hucker who did another amazing job organising this year’s Mother’s Day Stall on Friday 10th May. Kristen also helped provide details for all the thank yous that follow. Thank you to the 40ish or so mums who wrapped and wrapped and wrapped over 2 days. What an awesome effort. Can I also say that there is some serious hidden talent amongst the parents of this school! We had stylists, sorters, function organisers, a handy man Ray Skinner and wrappers who would not be out of place wrapping fine china on the top floor of DJ’s. All generously and graciously gave up hours of time, many on both days and apparently they all had a great time doing it. Not to mention the extra kick the children get when they know Mum is helping out at the stall. The numbers of presents this year totalled well over 500 and gave the children plenty of choice and also second presents for grandma. We also received some very nice large donations from very generous (and well connected!) parents. These were from 'Alexander Brands' - Sian Johnson, 'Mint' - Angela Hrysomallis, a boot load of luxury magazines from Linda White and her sister Astrid, Cherry Blooms and a million Bag Tags from Christina Hyde!

Wow.

Kristen and Susan would also like to let the parents know that the many hours they have spent teaching manners has paid off. All of the kids were sooooo polite, patient in queues, used their pleases and thank-yous and were careful and thoughtful in their choice of present for their special Mum which brought tears to Kristen’s eyes. She says our students really care. Also, a big thank-you to our lovely teachers for assisting in present choices, timing and managing the large numbers of kids. Kristen and Susan acknowledged that visiting the stall on Friday gave the teachers ANOTHER job to do during a busy week, however their assistance was very much appreciated.

Thank you to the following mums:
Michelle Moffat; Mel Cooper; Jo Gatehouse; Amber Collins; Rachel Power, Melissa Larner; Sallie Hill; Tory Flanigan;

Level 2 Cocktail Party : Thank you Pam and Kim!

Last Friday night, the night air was balmy and warm and our MPC (think large space, white walls, abundant glass and bright lights) was amazingly transformed into a soft light glamorous elegant space, with fairly lights; tea light candles, lanterns, bouquets of flowers, tissue pom-poms and an array of gorgeous lamps with just the right mix of music channelling through our speakers. How did this happen? Pam Johnston (Violet 2P) singlehandedly executed this amazing transformation from 4.00pm that afternoon. Both she and Kylie Thomas (Orlando 2E) love to collect lamps and they kindly brought in their tasteful collection to set the room aglow. Ben from OOSHCl also climbed trees to install the fairly lights! Kim Fleetwood added her pedestals and the stairs up to the MPC had now become a stunning entrance. There was a fantastic turnout of parents who were treated to divine finger food from the very talented Kim Fleetwood. There was a lovely donation of sparkling water as well from a very generous Armadale family. A huge thank you to all the class reps who worked hard to ensure all had gone well for the evening and I couldn’t believe it when I turned up on Saturday morning for the working bee, to see that Pam Johnston had once again single-handedly washed all the glasses and accessories and reinstated both the kitchen area and the PFA room to an immaculate state. You are amazing Pam!

Working Bee: Thank you Malcolm Dow

What a fantastic turn out we had for the Working Bee which was held on Saturday 11th May. I think it was the biggest turn out on record and Malcolm and I are incredibly grateful to the following parents who made the time to attend on Saturday especially given competing demands from Auskick; netball; swimming; shopping and other weekend chores. We appreciate all of your help to keep our school looking beautiful and providing wonderful amenities for our children to enjoy: Huong Truong; Ray Skinner; Liza Chancellor; Bill Sideris and Angella; Andrew, Ellen Beischer and Zoe, Spence Millear; Scott Glover; Brad Hyde and Clancy; Bob, Kristen, Eliza, Henry and Hamish Steele; Mel Cooper and Jack; Charlotte Gatehouse; Jason Vickery; Rolf Drohn; Peter Theodoropoulos; Gary Rowley; Jen, Robbie and Finlay Galvin Rowley; Jeanine, William and Eliza Purdie; Natalie and Lucia Tabbagh; Carmel Nielsen; Nikki Bindley; Nicki Batagol and Maya Hurwitz; Laurie Conheady; Guy and Billie Thompson; Keith, Kipp and Finn Abbott; Leanne and Lilly Baxter; Charles, Arabella, Allegra, Isla and Freddie Tremlett; Jo, Felicity and Bridgette Dixon; Kate Levi; Penny, Rory and Siobhan McGann; Michelle, Anthony and Lucca Iezzi; Melissa Labrosse; Monique and Carmine Fusco, Cy and Ella D’Cruz; Campbell, Charlie and Oscar Sorell, Jason Vickery, Nick and Sierra Golusin. Sincere apologies if I have inadvertently left you off this list. Our school looked absolutely magic after all the weeding, blowing, sweeping, clearing of leaves out of garden beds; painting of seats and hanging of wind chimes plus an incredible amount of other work. Thank you Liza Chancellor who took the photos to show how wonderful our community is.

**NAPLAN**

All Year 3 and 5 students are completing a series of four tests for this year’s NAPLAN program which is scheduled from Tuesday 14th – Thursday 16th May. The tests covered areas such as reading, numeracy, writing and language conventions (spelling and grammar). Each child who completes these tests will receive an individual report in Term 3 detailing their achievements against expected levels of achievement for their year level.

**Staffing**

Connie Apostolos will take long service leave from Monday 27th May until the end of Term 2. Mary Rodder has been booked to cover this leave. We wish Connie a wonderful holiday in Greece catching up with her family and friends.

Lucy Gorman will take 4 days leave from Monday 20-24th May and Jennifer Hemingway will replace her in the Art Room. I will be on leave from June 11th until the end of the July school holidays also travelling overseas and meeting my daughter, Gabbi who is also travelling for 3 months in 4 continents, in Santorini. Malcolm Dow will be the Acting Principal during my absence.

**Farewell Raghu Samartha!**

Raghu and his family are leaving Armadale and heading back to India. We wish Raghu and his family all the very best for their move and hope Raghu keeps in touch with his friends here at Armadale Primary.

**Student Initiative: Jade Johnson 4B**

It always amazes me just how entrepreneurial our students are and how much initiative they actually have. Jade Johnson of 4B floored me when she said she had written to the Queen to invite her to visit our school. Unfortunately the Queen has such a busy schedule and won’t be able to visit our school, but Jade, I am incredibly proud of you that you took the time to write to Her Majesty in the first place. A copy of Jade’s reply from the Queen is included in this newsletter. Thank you Jade for thinking of our school!

---

It’s coming up to Tax time and maybe we can help you?

Did you know that Armadale Primary has a tax deductible Building Fund?

Every dollar we receive from Armadale families helps us to improve our buildings and grounds for our students. With very little funding from the government we are solely reliant on fundraising to help us buy new equipment for the children, or to purchase new synthetic grass so the children have some lovely places to sit and play. But as you are aware, it takes a long time to fundraise and a great deal of hard work. Is there any chance that you could now help our school by donating to the Building Fund? Every donation receives a printed tax receipt which you can use to claim a deduction before the end of this financial year. Your donations are very gratefully received and every little bit will make a very big difference to your child’s school. I hope that nobody takes any personal offence at this request, I just want to be able to improve our facilities as soon as possible.

**After School Collection**

Please don’t ask your children to wait outside the school grounds for you to collect them after school. There is no staff supervision outside the school and children should remain in the yard until 3.45pm and will then be directed to Afters if they are not collected on time.

**Parking**

Another reminder to all parents about parking around the school. Please remember to adhere to the 5 minute parking restrictions during drop-off and pick-up times. It has also been reported that some parents use the driveway to park in while they are dropping off or picking up children. This is our only emergency access point to the school grounds and must be kept clear at all times.

Thank you.

**Head Lice**

There are still some cases of head lice throughout the school. Please remember to check regularly for head lice and let your class teacher know if you find any. Once treatment has commenced, your child may return to school.
Education Week at Armadale Primary
May 20th - 24th
We are very excited to invite our Armadale Community into our school during next week to see firsthand all the wonderful teaching and learning that happens in our school. I have outlined all the times and opportunities parents have to come and see our students at work and play. We have two special events: Tuesday night which is our Open evening from 6.00-8.00pm with classrooms open, choir performances and then a motivational guest speaker, Lorin Nicolson to address resilience and determination at 7.00pm - 8.00pm. Please look at his website to gain more information about Lorin and from all accounts he is going to be inspirational. http://lorinnicholson.com
All parents and students are welcome and a gold coin donation for each person will be taken at the door.

Level 4 Cocktail Party
Looking forward to seeing our Level 4 parents at the Mt Erica Hotel next Friday night, the 24th May. This brings us to the end of our Level cocktail parties for the year and I hope it has provided all our Armadale families with the opportunity to network and cement new friendships with other parents. Thank you again to all the Class reps for organising this special event.

Have a wonderful week everyone and I can’t wait to see you next week during Education week.

Warm regards

Working Bee
I just wanted to echo Rochelle’s appreciation for all the parents and students who came along to our Working Bee on Saturday. It was a record attendance and showed the great commitment that our parent community has for our school. The grounds certainly look so much better with all the work that has been done.

Thank you to the Amad, McLellan & Gray families who were unable to attend the working bee and made a donation to the school’s grounds fund.

Walk Safely to School Day
Don’t forget our Walk Safely to School Day to Thursday 23rd May. The website www.walk.com has some great ideas on how to organise the walking to school, and there is an opportunity to take the Walk to School Challenge with great prizes to be won, as well as a free app that can be downloaded.

Stonnington Library
Stonnington Library is a wonderful resource for books and other items which can really assist with your children’s learning. If you, and your children are not members I would highly recommend joining. Membership is free and it allows access to a huge range of resources and services. For example they have a very large collection of Premiers’ Reading Challenge books, and there is no limit on the number of books that can be borrowed. You can get an application form from me and I can send it to the library or you can just call in to any of the Stonnington Libraries and do the application on the spot.

Cybersafety Session
A reminder about our special morning presentation on Cybersafety for your children. This is particularly relevant for all parents of Level 6 Students with their 1 to 1 netbook program, but all other parents are welcome to attend as well.
Please email me if you are interested in attending this session at dow.malcolm.l@edumail.vic.gov.au. It will be held in the Performing Arts room at 8.00am on Thursday 23 May.

Good 2 Go Program
Bicycle Network Victoria have partnered with Armadale Primary School to provide a new program available in the coming school holidays. The Good 2 Go program is a 2 day course for 8-12 year olds teaching them the skills necessary to be confident active travellers. This is a great opportunity for Armadale students to become better skilled when actively travelling to school.
The best news is that because of our special partnership with BNV, we are able to offer a limited number of places free of charge (normally $50). Please note that this is during the July school holidays and runs from 10.00am – 2.00pm. Students in this program would not be able to be at Holiday Program on those days.
Please see the flyer on page 10 for more details about the program, but for entry please email or phone Alex Hender at BNV: Email: alexh@bicyclenetwork.com.au Phone: (03) 8376 8822

Green Team Tips of the Week

JOE: Don’t forget to bring your snack and lunch in a reusable container to school

LILLY: Don’t forget to try and buy Australian made products to help reduce pollution through transportation.

DAISY: Reduce the amount of paper you use in the classroom by filling up your workbooks to their maximum.

Visual Arts News

T-Shirt Design Contest begins in Visual Art Classes on 20th May
All students will participate in the 'Rightside T-Shirt Design Contest as part as this term’s Visual Art program. Everyone will come up with a design that could be printed on a T-shirt. Our focus will be on Sustainability/Caring for our Environment. This focus will complement our school’s journey to becoming a Green School. The winning design will be printed onto T-shirts which can be purchased by students. 100% of the profits from the shirts go directly back to our school to fund art education.

Visual Artist of the Week
Martha Officer 0J

For her wonderful 'Flying Bird' art piece. She displayed excellent printing and drawing skills and a high degree of creativity.

Visual Art Class of the Week  4F For the excellent printing skills they displayed when printing their 'Living Things' outline.

Art Smocks
We are doing Printing and Painting all this term so it is really important for everyone to have their own art smocks. Please ensure smocks are thick enough to prevent paint from coming through onto clothing, cotton smocks are not the best when working with wet media. If you do not have an Art Smock you can purchase one at the uniform shop in Kew.

Newspaper
We would still love any unwanted/used newspapers for covering tables. Please feel free to drop off the papers directly to the art room. Thank you to everyone who has been dropping off newspapers so far.

Foundation Bulletin
This week’s Level 1 bulletin for Foundation parents is on the website under your child’s class in the Students tab or click here.

Library News
There are still some new books that need covering in the Library. Please come to the office if you are able to help. It is a lovely chance to take home some new books before they reach the library.
La frase per la settimana

The Italian phrase of the week is from the song Ci vuole un fiore that Level 2 students have been learning in Italian...

Per fare un tavolo ci vuole il legno,
To make a table you need some wood,

Per fare il legno ci vuole l'albero.
To make wood you need a tree.

Ted e Oscar 4N

Notizie d’italiano

Congratulazione to 4S! Viva La Pizza!

4S won the Italian premio (prize) for Term 1. They won the most punti during Italian lessons in Term 1 by being respectful learners and excellent listeners. 4S’ prize was cooking and eating la pizza during their Italian lesson on Monday 13 May. Bravissimi 4S!

Vita prepared the sauce and the dough and brought mozzarella and the other 100% Italian ingredients. We had our cooking lesson in the staff room and students made the pizze by firstly pressing out the dough onto the pizza trays then adding the different toppings to our pizze.

We talked about the names of the toppings in Italian: l’aglio (garlic), la salsa (sauce), la mozzarella, l’origano (oregano), il basilico (basil), un po’ d’olio (oil) e un po’ di sale (salt). We cooked our pizze in the oven and finally ate them! They were delicious and there were some fabulous smells wafting around our school! J

Parents and Friends for Armadale (PFA)

Hi everyone,

Remaining events for term 2 include:

- **Level 4 Cocktail Party** – Next Friday at The Mt Erica Hotel from 7.30pm.
- **Scout Raffle** – Win a car, camper trailer or overseas holiday!

We thank Kristen and Susan for all their wonderful work in gathering, wrapping and recruiting for the Mother’s Day Stall last week – the presents looked wonderful and the children had a lovely time trying to decide what their mum might like. We also thank their band of merry helpers who wrapped everything beautifully and helped the children with their purchases.

**Level 2 parents**, the Cocktail Party last Friday evening was a very jolly affair and huge success. Kim’s food was delicious and even though many parents claimed they were full later in the evening we did notice that they kept eating her Urban Entertaining delicacies. A huge thanks to all the reps in Level 2: Abby Cox, Emma Coath, Carly Harris, Bronwen Colman, Sallie Hill, Anita Archer, Kate Nelson and Petrina Lie. We thank you for your organisational skills and making the evening so successful, we’d especially like to thank Pam Johnston for her wonderful decoration skills and attention to detail (yes, the flowers in the toilet were a lovely finishing touch Pam!).

**Level 4 parents**, get to the Mt Erica next Friday night early to enjoy your welcome drink and nibbles. At $20 a head it should also be a great night. If you haven’t already RSVP’d please get your cash to the office asap.

The **Scout Raffle** offers some wonderful prizes so stay tuned for more on this in the next few weeks.

**Earn and learn**

Anyone who shops at Woolworths from **Monday 8 April to Sunday 9 June 2013** can collect Woolworths Earn & Learn Points.

For every $10 a customer spends at Woolworths, they will receive one Woolworths Earn & Learn Point. Woolworths Earn & Learn Points will not be distributed for purchases under the value of $10.

The collection box is outside the school office. Keep collecting so we can then purchase some exciting new equipment for our school.

**Level 6 Camp: URGENT**

Could all parents of level 6 students who are attending our camp on 27 May please ensure that the completed medical and permission forms have been returned to school **tomorrow Friday 17 May** and that monies paid are up to date.

Staff need to have these forms well before the date of camp, in order to read them and ensure your child’s health and safety.

If your child needs to take medicine of any kind (including Panadol) whilst on camp, you also need to complete and return the approved **APS medical form**, so staff can administer the medicine at the correct dosage and time.

"Talking with other parents and carers makes you realise you are not alone"

If you would like to talk to someone who has been through a similar experience with managing their children’s asthma, or need support to live well with your own asthma, we would like to connect you with others for mutual support via the phone, internet or face-to-face groups.

Peers Leading Peers will link you to a trained volunteer who can listen to your concerns and help you to manage.

This is the first program of this kind to be available for asthma in Australia. We are grateful to the Victoria State Government Department of Health for their funding support.

The program is available for anyone with asthma or parents, grandparents and people who regularly care for a child with asthma.

If you are interested in accessing support or becoming an "Asthma Peer Support Volunteer” contact Belinda at The Asthma Foundation of Victoria on 1800 278 462 or hinglis@asthma.org.au
