Dear Parents,

Thank you Rosanna Caruso and the SRC

We have had an incredibly exciting week starting with Crazy Hair Day on Friday 15th March where all the students looked fantastic with their colourful crazy hair and all the teachers showed their support for the SRC fundraiser and agreed to having their hair coloured and “styled” by the SRC stylists. The students raised over $600 which will go to the Leukaemia Foundation to assist with their cancer research and thank you to our generous parent community for supporting the SRC. Congratulations to Rosanna Caruso for her wonderful organisation and to the SRC student leaders: Jacob Moulton, Adam Simpson, Angelique Lignos and Georgia Wolfe.

Thank you to Pauline Eldredge

On Monday afternoon of this week, Pauline ran an information session for 25 parents who are keen to be involved in their children’s classrooms this year. It was great to see so many parents who have made themselves available to assist with learning in the classrooms. Of course we recognise that not everyone is in a position to be available during the day and in those circumstances, reading to your children after school or on the weekend or helping with their research projects would be of wonderful assistance. There are many other opportunities to be involved through school council sub-committees, PFA, level cocktail parties and other whole school events.

Footy Colours Day

Thank you to Peter Cracknell, Zaim Zeneli, Graeme Yeats (Toby, Lucy and Polly’s Dad), Rob Walters (Tom and Emily’s Dad), Shannon Grant (Archer and Anderson’s Dad) and the boys from the Prahran Football Club for organising a brilliant day.

The excitement at the school on Tuesday reached fever pitch as the school celebrated the return of the AFL footy season and you can’t deny that the footy culture is a very big part of the fabric of Melbourne. We started the day with an assembly and then we had each AFL club represented by the students in those team colours run a lap of the quadrangle with those rousing team songs in the background. Each level was treated to a footy clinic from Steve and Tom (Prahran FC) and Graeme Yeats (former Melbourne legend and highly regarded junior footy coach) and in the afternoon the Preps were incredibly excited to have a clinic with Shannon Grant – Assistant Coach of the Western Bulldogs.

At 1.30pm the whole school settled into the MPC anticipating the arrival of 2 Essendon stars: Stewart Crameri and Dyson Heppell. The boys were fantastic, very personable and happily answered at least 20 questions from the audience about their football careers and early days playing footy in primary school. We are incredibly grateful to Rob Walters for organising the boys to come to our school; it was definitely the highlight of the day.

We also acknowledge the generosity of the following football clubs who donated posters, badges and supporter memorabilia for the students: St Kilda Saints, Carlton Blues and the Melbourne Demons. What a fantastic day where students felt incredibly connected to the football community and learnt some football skills to boot!

continued on page 2...
Planning week
All teachers are involved in Planning week this week which means they have had a day’s release from their classes to plan the next term’s curriculum. If your child came home and said we had different teachers today, that is the reason why. All of our teachers experienced a fantastic Professional Development opportunity on Monday afternoon after school and were presented with an evidenced based pedagogical approach that increases the engagement of students in their learning. Our teachers are using elements of this approach in their planning for Term 2.

Children being picked up by another adult after school
Could parents kindly advise the school if someone other than themselves is picking up children after school or if the child normally goes into Afters and they aren’t for that afternoon, could you please alert OOSHC staff. We have a duty of care to ensure that all children after 3.45pm are either booked into Afters or they will be directed to go to the office. Arrangements made on the spot to go home with another parent can be confusing for OOSHC and our office staff. Also playdates made by the children themselves that afternoon and requests to ring parents will not be encouraged for OOSHC and our office staff. Also playdates made by the children themselves that afternoon and requests to ring parents will not be encouraged for OOSHC and our office staff. Also playdates made by the children themselves that afternoon and requests to ring parents will not be encouraged for their safety and security. Therefore, we are asking parents to please make arrangements for their children to be collected in the correct manner.

Booklist reminder – fees are due tomorrow March 22nd
Thank you to all parents who have already kindly paid the booklist fees and just a gentle reminder that they are due this week. As you know and can appreciate, the school has already outlaid for these as all children have already received their class materials and requisites and you are simply reimbursing the school. A very genuine thank you also to those parents who have generously donated to our Equipment and Grounds voluntary contribution and especially to our Building Fund. You may not be aware that the school receives no funding at all from the government for these and therefore any upkeep and improvements need to be funded from donations that we receive from you. As you know whilst our heritage buildings are beautiful, they are incredibly costly to maintain. Therefore, I am incredibly grateful for every voluntary contribution that has been made. On my wish list for this year is for more areas of the school to be “greened” with synthetic grass so the children have more passive areas to sit on and play in, and for our school to be painted internally.

Easter Raffle
Thank you for your generous donation of eggs. Our ‘stash’ of donated Easter eggs is growing nicely for this year’s Easter raffle. Many thanks to the parents who have kindly dropped off some eggs and toys at the office to help make up the Easter hampers. It’s always very exciting to finish term 1 with our Easter Raffle and see these hampers head out the door after the final assembly. All money raised from the raffle will be used to support our greening of the school with more synthetic grass.

Foundation Cocktail Party
The ‘APS cocktail party season’ is about to get underway with the first of our Level Cocktail parties this Friday evening from 7:30pm at the Metro Art Gallery in High Street, Armadale. This is a wonderful opportunity for parents to come together in a relaxed setting and to forge a supportive network of friends – as many of you will cross paths regularly over the next seven years as your child moves through primary school. I look forward to catching up with many new and existing parents at this event.

Notizie d’italiano
Short term accommodation required for the Italian language assistant arriving first week of Term 2 - Friday 19th April.

We are very fortunate to have a language assistant coming to our school to assist with the Italian program. She will arrive in the first week of term 2 and will require temporary accommodation with a host family for about 4 weeks. We are sharing the language assistant with Caulfield South Primary School and we require an Armadale Primary School family to host her for a week or two until she finds permanent accommodation. If you are interested in hosting our language assistant please let me know. Grazie.
...continued from page 2

Last Week of Term 1

It’s hard to believe that term one is drawing to a close. This has been a nine week term which has just flown by so quickly. There will be no Wednesday assembly next week for the final week of term 1. The final assembly for the term will be held in the multipurpose centre from around 1:50pm on Thursday 28th March. Please note that all children will be dismissed early at 2:30pm from this assembly to begin their term one vacation.

Stop Press:
Don’t forget to read page 5 of the Stonnington Leader (or read the article below) to see our wonderful children launching National Ride 2 School Day tomorrow. Mr Dow will have more to say in his section.

Have a wonderful week everyone.

Regards

Rochelle Cukier
Principal

Ride 2 School Day

I hope everyone has organised themselves for our inaugural Ride 2 School Day tomorrow. The weather should be kind and I am looking forward to seeing as many people as possible either riding, walking, skating or scooting to school, even if it is only part of the way (for those of you who live too far away).

When you arrive please come over to the table near the stage and get your name checked off and receive your raffle ticket, to go into the draw for some great prizes, courtesy of two of our local bike shops, 99 Bikes in Malvern and Melbourne Bicycle Centre in Prahran. We will also see which classes have the highest number of participants.

The level 6 students who ride their bikes will also do a special bike related activity for their sport on Friday morning.

Premiers’ Reading Challenge

After some delay from the PRC people this year, it is now up and running, and thanks to Maggie Brown in the office, all of our students are registered and allocated to their correct class. Some of the usernames have changed slightly, with some having a number 1, 2 or 3 after their name. Please ask your child’s class teacher for a confirmation of the username if you are unsure. The password for all students remains as armadale1. I will cover the process of logging in and adding books in ICT over the coming weeks, so if you and your child are unclear of the process, this should all be clarified then.

Southern Metropolitan Sustainability Fair

Armadale Primary School has been selected to participate in the Southern Metropolitan Region’s Sustainability Fair and the organisers have asked our Green Team Leaders, Lilly Baxter, Daisy Evans and Joe McKenna to present to an audience about how we have successfully reduced our waste at APS through our Nude Food campaigns and our recycling efforts using the 4 bin system in all classrooms. This should be a very valuable experience for them and I congratulate them for being chosen to represent our school in this way. They will be reporting back to a school assembly in the near future.

Malcolm Dow
Assistant Principal

**ARMADALE**

Riding is wheely good for students

**LIFE CYCLE**

- **Bike**
  - Launched in 2008
  - designed for the bicycle network
- **Type**
  - E-bike
  - Electric" overweight at 40kg
- **Files**
  - Includes annual report
  - 27 per cent children's
- **Access**
  - 1980's, 60 per cent of schools had no bike at least
  - 40 per cent

**STUDENTS at Armadale Primary School took part in National Ride 2 School Day on Friday.**

"A new project ran the school will take part in the Bicycle Network's event, which aims to encourage healthy living." 

Assistant principal Malcolm Dow said that the school has signed up as part of the sustainability program.

"If we can carry our own with what we want to do," Mr Dow said.

"We’ve had enough time, enough money to do it," Mr Dow said.

"We’ve worked with the teachers and children to help make this work for schools and for them," he said.

"We hope to form a group of parents and teachers to help the school.

"It’s not easy, but it is possible. It’s the best thing we can do for our community."

"We need to learn from each other."

---

**Southern Metropolitan Sustainability Fair**

Armadale Primary School has been selected to participate in the Southern Metropolitan Region’s Sustainability Fair and the organisers have asked our Green Team Leaders, Lilly Baxter, Daisy Evans and Joe McKenna to present to an audience about how we have successfully reduced our waste at APS through our Nude Food campaigns and our recycling efforts using the 4 bin system in all classrooms. This should be a very valuable experience for them and I congratulate them for being chosen to represent our school in this way. They will be reporting back to a school assembly in the near future.

Malcolm Dow
Assistant Principal
Thank you to everyone that collected all the Woolworths Earn and Learn stickers last year. We used all of our points to get some exciting new science, numeracy, and sport equipment. We can’t wait to use it!

*Kylie Thompson*

---

**Coles Sport for Schools**

Thank you to the many parents who helped us obtain new sporting equipment for the school by collecting vouchers last year.

---

**Items from Coles held by Charlotte and Lewis (Sport Leaders)**

---

**Library News**

**Free books to a good home**

Mr Dow has some new books that are not required in the library - there are Hannah Montana and High School Musical books. Please see Mr Dow if you would like to choose one of these books and take it home for your own library.

---

**Cooking Club**

Cooking Club will be starting again next term! It will be held on Wednesdays from 3.45 -5.30pm and is open to all students in Level 4 and Level 6. The cost for 4 after school sessions is $45.00. We are now taking expressions of interest. We will give priority to students who have not participated before.

Please complete the form below and return it to Mrs Evans by Monday 25 March. The Term 2 dates are:

- Wednesday 24 April
- Wednesday 1 May
- Wednesday 8 May
- Wednesday 15 May

Please contact Mrs Evans (2E) if you have any questions.

**Cooking Club Term 2 - expression of interest**

Footy Colours Day

Thank you all the children and parents for supporting our Footy Colours Day yesterday. It was great to see the children dressed up and cheering for all the AFL clubs during the parade. All children really enjoyed the footy activities held throughout the day, including our special visitors, Stewart Crameri, Dyson Heppell & John Elliott, from the Essendon Football Club. As with all school events, it is always a team effort and we greatly appreciate the support of the school community to make it such a successful day.

A huge thank you to the following:

- Zaim Zeneli, Pippa Cocks & Malcolm Dow
- Graeme Yeats (Toby, Lucy and Polly’s Dad)
- Rob Walters (Tom and Emily’s Dad)
- Shannon Grant (Archer and Anderson’s Dad),
- Steven Zayler and Tom from the Prahran Junior Football Club
- Christina Hyde (Catalina & Connor’s Mum)
- St Kilda, Carlton, Melbourne & Essendon footy clubs

Peter Cracknell

Go Tigers!
Performing Arts News

Performing Arts Award: 4C – for demonstrating excellent focus and imagination.

Assembly Performances – either singing or playing an instrument
Students are encouraged to perform at assembly and share their music with the school. Please contact me or your classroom teacher if you would like to play/sing for us.

Choir 2013
LEVEL 2 STUDENTS WE NEED YOU
We are looking for more level 2 students to join the choir. We would love to see more smiling faces (especially boys) on Friday mornings. Junior choir is a great way to make friends, gain confidence, learn singing techniques and have a great time.

Junior Choir (level 2) will be running Friday mornings at 8:15am in the PA room with Colleen.

ATTN: Senior Choir Members
A reminder to all choir members that you are expected to arrive to choir on time and with your song folders. We will be performing for Harmony Day on Wednesday the 27th and need all the rehearsal time we can get, so please arrive on time and ready to go.

Late comers may not be able to perform in choir for Harmony day.

Senior Choir (level 4 & 6) is at Friday lunchtime 1pm-1:30pm in the Performing Arts room.
ALL WELCOME!

Thank you to the parents who have shared their feedback regarding the new arrangement. We appreciate the difficulties associated with having choir at separate times and we are working hard to come to an arrangement that suits parents, teachers and students alike. If you would like to provide feedback you can either email myself (see below) or Mrs. Cukier.

After School Music Tuition – Information provided at the office.
Till next week.

### The 5 Keys of YCDI! Education

Our core purpose is the development of young people’s social and emotional capabilities, including:

- **Confidence** (academic, social)
- **Persistence**
- **Organisation**
- **Getting Along, and**
- **Resilience.**

Central to the development of these 5 Key Foundations is instilling in young people **12 Habits of the Mind**, including:

- **Accepting Myself**
- **Taking Risks**
- **Being Independent**
- **I Can Do It**
- **Giving Effort**
- **Working Tough**
- **Setting Goals**
- **Planning My Time**
- **Being Tolerant of Others**
- **Thinking First**
- **Playing by the Rules, and**
- **Social Responsibility**
Parents and Friends for Armadale (PFA)

Hi everyone,

A few final reminders for Term 1:

- **Easter Raffle** – Please return monies and any unused tickets to the office by tomorrow and keep those eggs coming! We can accept eggs at the office until next Tuesday when we will be preparing all those yummy prizes which will be drawn at final assembly next Thursday.

- **Prep Cocktail Party tomorrow night** – we hope you all enjoy.

- **Harmony Day** – 27 March. Please bring a small sharing plate of International foods for your class to share.

We hope you have already diarised the following for Term 2:

- **Level 6 Cocktail Party** – 19 April
  (see below for the invitation)

- **Level 2 Cocktail Party** – 10 May

- **Level 4 Cocktail Party** – 24 May

More information on the above parties will follow next term.

Icypoles
Don’t forget to put $1.00 in your child’s bag tomorrow for the last Icypoles until Term 4!

### Updating School Records

At the start of each school year we ask parents to contact the office with any changes or updates to your child/ren’s enrolment information. If you have any changes to:

- Phone numbers
- Email addresses
- Home address
- Emergency contacts or
- Changes to family arrangements

please email the school at armadale.ps@edumail.vic.gov.au or put the changes in writing and bring them to the office as soon as possible so that we have the most current information relating to your child.

Thank you to those parents who have already updated their information.

---

### Foundation Bulletin

This week’s Level 1 bulletin for Foundation parents is on the website under your child’s class in the Students tab or click [here](#).
Wednesday 27th March at Armadale PS

We will again be celebrating Harmony Day at Armadale Primary School on Wednesday 27 March. Harmony Day is celebrated around Australia in March each year, in many schools, workplaces and local communities. It’s a day where we celebrate our cultural diversity and the different cultures that make Australia a great place to live. The theme for this year’s Harmony Day is Many Stories - One Australia. Each of our 23 million citizens has a unique story to tell, and this is what makes up the chapters of the bigger Australian story we share today. The day will be a fantastic opportunity to explore and celebrate our cultural diversity at Armadale.

The timetable for this year’s Harmony Day is as follows-

<table>
<thead>
<tr>
<th>Time</th>
<th>Activity</th>
<th>Notes</th>
</tr>
</thead>
<tbody>
<tr>
<td>9.00-10am</td>
<td>Harmony Day whole school assembly - outside</td>
<td>• each level sings a song in Italian</td>
</tr>
<tr>
<td></td>
<td></td>
<td>• choir performance</td>
</tr>
<tr>
<td>11.00-11.30</td>
<td>Whole school recess</td>
<td></td>
</tr>
<tr>
<td>11.30-12.30</td>
<td>Harmony day activity in MPC</td>
<td>Levels 2 &amp; 4</td>
</tr>
<tr>
<td>12.30-1.30</td>
<td>Whole school lunchtime</td>
<td>International food tasting - Class teachers will organise the appropriate time for classmates to taste and share food generously provided by parents.</td>
</tr>
<tr>
<td>1.30-2.30</td>
<td>Harmony day activity in MPC</td>
<td>Foundation &amp; Level 6</td>
</tr>
</tbody>
</table>

Would you like to share your story with the students at Armadale?

The theme for this year’s harmony day is Many Stories - One Australia. We would like to invite parents, or grandparents, to come to school to share their special story with the students during one or both of the scheduled Harmony day activity times. You could show photos, bring in an artefact or object to talk about, teach the students a game or a dance... or anything else that fits the theme. If you are interested please speak to or email Vita at vampatella.vita.v@edumail.vic.gov.au, or 0422 428 153.

Dressing up

Students will be able to dress in clothing representing their cultural background for the day, or in their favourite sports team colours.

International Food tasting

We would like students to taste and share international food with their classmates. If you would like to contribute some food for your child’s class to taste, please ensure it is sliced and ready to be eaten in the classroom. If there are children with allergies, parents are requested to provide the appropriate food for their child. All food provided should be able to be served at room temperature, so please, no food that requires refrigeration or heating.

Lunch

We ask parents to please provide lunch for their child as usual on the day. The food tasting will be in addition to your child’s usual lunch.

Class reps could you please check with parents providing food that there is a variety of food, the appropriate amount, (remember, it is in addition to the children’s lunch) and not too much doubling up.

Grazie, and looking forward to a wonderful celebrazione!

Vita Vampatella
Languages Co-ordinator
Today is International Day of Down syndrome, recognised by the UN

Down syndrome is the most common cause of intellectual disability.
Down syndrome is caused when there is an extra chromosome in the cells. People with Down syndrome have 47 chromosomes in their cells instead of 46.

They have an extra chromosome 21, which is why Down syndrome is also known as trisomy 21. It is also why the 21st March is International Day of Down syndrome - 21/3.

Today is a day that we can all try to break down some of the barriers and myths surrounding individuals with Down syndrome and make their lives better; so when you child or friend or family member asks why someone with Down syndrome talks differently/ runs slower / can’t throw the ball as well as others remember it is about the words you use that makes them more like others:

- Down syndrome is not a disease or an illness. You can’t catch it.
- People with Down syndrome were born with it and will always have it. There isn’t a way to make it go away.
- People with Down syndrome have an extra chromosome in every cell of their bodies.
- Chromosomes are very tiny, but carry important information that affects how a person grows and develops.
- No-one knows why people with Down syndrome have this extra chromosome.
- Most children with Down syndrome will be able to do things that other children can do. They just take longer to learn how.
- Children with Down syndrome like to play and have friends.
- Children with Down syndrome like to help out, to learn, and be good at what they do.
- Children with Down syndrome like to have a turn, even when they aren’t as quick or good at things

The best way to help a friend with Down syndrome is to think of him or her the same way you think of your other classmates

- Play together in the playground
- Eat lunch together
- Invite them over for a play at your house if you want to
- Include them as you would like to be included

for more information on Down syndrome go to  www.downsyndromevictoria.org.au
