Dear Parents,

Exciting news from school council!
At our meeting on Monday evening our School Council executive was finally endorsed and it gives me great pleasure to announce that our School Council President is Rachel Power, our Vice President is Gary Rowley and our Treasurer is Laurie Conheady. Please congratulate these parents when you see them at school. I am very excited about working together with these committed and dedicated parents to ensure that the education your child receives at our school continues its tradition of excellence. In fact I am very excited and grateful to all the parents on school council, they are all a very switched on and energized council. At our meeting, school council also endorsed our Annual Implementation Plan which contains our key improvement strategies for this year and our expected milestones. The whole plan is available on the school website, but I thought I would highlight the main improvement strategies here.

1. Improve teacher pedagogy and build capacity through collegiate coaching and mentoring.
2. Increase team teaching opportunities and collaboration through Investigative Based and Personalised learning.
3. Program enrichment in purposeful writing, creative and critical thinking skills through an investigative learning approach.
4. To expand the focus of the science program through an Investigative based Learning approach and develop effective assessment tasks to accurately assess student learning in science.
5. To audit and review the teaching of number across the school and to further develop teacher capacity to plan and implement highly effective instruction in number.
6. Develop Prep to Year 6 Program for the explicit instruction of thinking skills.
7. Redevelop external play spaces so that children have more creative play options at recesses and lunchtimes.
8. Develop a yearly whole school transition program for all students in term 4.
9. Embed the current buddy program so that all students in P – 2 have a buddy in Years 3 – 6 that support them through a structured ongoing program.
10. Provide further opportunities across the school for all students to showcase their investigations based learning outcomes each term.

Should you have any questions about these or wish to talk further about them, please don’t hesitate to pop in for a chat.

Swimming for Level 4 and 6
The swimming program for these levels is well underway and students are very much enjoying the experience and coaching from the teachers at Lauriston. Many thanks to Peter Cracknell for all of his organization of this program. May I please parents to ensure a light rain jacket is kept inside the students bags at all times as the students walk up to the pool and back. Also that the students appetites will have increased due to the program so please ensure they have plenty of nutritious low GI foods to keep them sustained during the day.

Level 6 Cocktail Party
Thank you so much to Dunia Wright for very generously opening up her beautiful home for our Level 6 cocktail party last Friday night. Her daughters, Amber and Holly as well as Carla Gee were wonderful hostesses the whole evening. Thank you also Dunia for the generous donation of the second prize in the raffle, the winner was most excited and a little embarrassed.
– yes it was me – and I can’t wait to be glammed up for a special evening. Many thanks also to Cammie Gee, Leanne Baxter and the other class reps and parents for making it a wonderful evening. The addition of the Jazz band – thank you Cammie – made that night a little extra special.

Curriculum Day May 3rd 2013
Just a reminder to all families that the students will not be required at school on Friday May 3rd as all staff will be involved in a Curriculum Day. The staff will be investigating pedagogical approaches and curriculum programs at other settings that enable the provision of personalized learning in the classrooms. The primary schools we are visiting are: Sandringham; McKinnon; Murrumbeena; Lloyd Street and Wesley Elsternwick. Sandringham is well regarded because they offer the Walker learning approach and the other schools are fully accredited providers of the International Baccalaureate Primary Years program (PYP). We are looking at the elements of both programs to see which ones we feel may suit our context and shape the development of our own pedagogical model.

OOSHC will not be offering a program that day as Katie surveyed parent interest a few weeks ago and found that only 2 children would have been placed for the day. I do apologise that parents will have to make alternative arrangements for the care of their children on that day.

With thanks and Gratitude
Lucia Tabbagh of 2A recently made her own cupcakes over the school holidays and then sold them. Rather than keeping the money all to herself she decided to buy the school a present and she presented me with two sets of beautiful wind chimes at assembly on Wednesday. Mr Dow will now hang these up for the school in the Level 2 area. How lucky are we at APS to have such kind and generous students such as Lucia! Thank you very much Lucia.

May 21st 2013 – OPEN Day and Evening: Guest speaker 7.00- 8.00pm
Keep this date free in your diaries particularly for our open evening as we will have our classrooms open, choirs singing and then a motivational and inspirational guest speaker will provide a presentation you are not likely to forget. Both parents and our students are invited to attend and the evening will conclude at 8.00pm. More details to follow in forthcoming newsletters.

Armadale Fathers - we need you!
Armadale Primary School is the very first school to hold a sausage sizzle at the new MASTERS hardware store in Hawthorn East at 742 Toorak Road, on the corner of Tooronga Road on Saturday May 4th between 9 and 4pm. We are asking all dads who are available to give up an hour of your time on that Saturday to cook sausages, to help set up, to collect the money and to serve the food and to clean up afterwards. Bridget Warwick, one of our dynamic PFA presidents is coordinating the whole event but there is no way she can do it all on her own and we know how great you are with a BBQ. Please consider this request and if you can help out our school for an hour or so please email myself at cukier.rochelle.a@edumail.vic.gov.au or directly to Janine Sheean at janinesheean@gmail.com.

Furthermore, after you have helped out you can go and play inside this huge new store, it’s apparently bigger than Bunnings!! Thank you in advance to anyone who can help out and all proceeds from this fundraiser goes towards the greening of the school.

And the research says:
‘Family-school and community partnerships are re-defining the boundaries and functions of education. They enlarge parental and community capacity; they create conditions in which children learn more effectively. In these ways they take education beyond the school gates’.

ICT
This week we have been exploring the program called PhotoStory 3 for Windows, where children use photos taken from an event at school, eg. a recent excursion or incursion and create a special slide show, using various effects and transitions, captions, narration and background music. It is an ideal blend of technology and creativity and many of the students have produced some really interesting slide shows. Next week the Level 6 students will work with their foundation buddies to produce a PhotoStory as part of the buddy program, a great way of having our older students teach and refine the skills of our younger students.

SIGNS
As part of our school’s involvement in the AUSSI Vic Resource Smart Schools program, on our quest to be a 5 star school, we are looking at improving the signage around the school to show various aspects of our commitment to sustainability. It was also the pledge that our Green Team Leaders made at the recent Sustainability Fair. To this end Christine Leyshan and I have been sourcing quotes for signage. We plan to use the students’ own art work on these signs, and the Green Team Leaders will talk about this in the coming weeks. It may be a great opportunity for our talented artists to be recognised and have their work displayed permanently on one of our sustainability signs.

Performing Arts News

Performing Arts Award: 2P for starting the term on a wonderful note and for the real effort shown by students to make good decisions and make the most of their time. An excellent improvement! Well done.

ASSEMBLY PERFORMANCES – either singing or playing an instrument
Students are encouraged to perform at assembly and share their music with the school. Please contact me or your classroom teacher if you would like to play/sing for us.

Choir 2013

Attn students and parents:
Please note there will be no choir next Friday 3 May due to the Pupil-free Staff Training Day.

Senior and Junior choir will rehearse as normal on Friday 11 May unless advised otherwise at assembly.

Senior choir will be in the Performing Arts room at 8:15am
Junior choir will be in the Science room at 8.15am

I look forward to an awesome term of choir. Again I ask that you take commitment to choir seriously and arrive on time with your choir folders. I will be taking over from Amanda in term two but luckily for us Amanda has agreed to donate her time to assisting. Thank you Amanda!

New comers are welcome to begin choir in Term 2. So if you haven’t given choir a go or have missed out in Term 1 please come along.

After School Music Tuition – Information provided at the office.

Till next week.

Green Team Tips of the Week

LILLY:
This week is about saving water. When you take a shower try to save water by, turning the shower on and off while you're putting shampoo in your hair.

DAISY:
Also ask your parents to install water tanks to save water around the house and garden, to save water. Thank you for listening to the green team tip of the week.

Parents and Friends for Armadale (PFA)

Hi everyone,

Coming events to note include:

♦ MASTERS Sausage Sizzle – 4 May
♦ Mother’s Day Stall - 10 May
♦ Level 2 Cocktail Party – 10 May in the Multi-Purpose Room at APS
♦ Level 4 Cocktail Party – 24 May at The Mt Erica Hotel

Where have all our ‘Sizzlers’ gone?
We need many more volunteers to help us out at the new MASTERS Hardware store in Tooronga next Saturday.
We visited the store last weekend and it is a mega hardware/home decorator/small appliance/garden store providing something for everyone (they even supervise free art/craft activities for the kids throughout the day). The BBQ area stands in bright sunshine and the boys sizzling were having a great time so please get on board and advise your class rep asap so we can send you the roster.

The Mother’s Day Stall on May 10 is also fast approaching so please remember to send in a small gift with your child so they can place it in the box in class.

Level 6 parents and staff, we understand you had a great time last Friday. We send a special thanks to the Wright family for generously donating their lovely home as venue as well as Leanne Baxter and the Level 6 Reps for organising the event so well.

Level 2 parents, the Cocktail Party on May 10 at School in the Multi-Purpose Room is shaping up well so lock in those babysitters. Please check your email for the invitation.

Level 4 parents we hope you have diarised your Cocktail Party next month to be held at The Mt Erica Hotel. More on this to come.

Lastly, don’t forget there is a Pupil Free day next Friday May 3.

Level 4 - Seussical The Musical

Level 4 students will be attending the matinee performance of Seussical, on Wednesday 1 May at 12.30pm at Lauriston Girls’ School. Seussical is a fun-filled musical based on the works of Dr Seuss.

Students in 4C, 4F, 4S and 4W will leave Armadale PS at 12.00pm. 4B will eat their lunch at Lauriston after swimming and then meet the rest of Level 4 at the performance. All students will return by 3.00pm for normal school dismissal at 3.30pm.

There is no cost for this performance.

Level 4 Co-ordinator

Mother’s Day Stall 2013

Get your $5 ready as the Mother’s Day Stall 2013 is on Friday 10 May to get ready for Mother’s Day on Sunday 12 May.

Donation boxes have been placed in the classrooms by our busy class reps (thank you), for families to donate a gift or two. Please pick up something small and lovely when you are out shopping and put it (not wrapped) into the box in your classrooms. If your company has any gorgeous bits and pieces or ‘end of lines’ please contact us as they would be gratefully accepted and appreciated. Ideas are: magazines, socks, vases, jewellery, cosmetics, hand and body lotions, shower gels, soap, tea and coffee mugs, candles, chocolates, aprons, stationary, scarfs, frames, anything sporty etc.

Also, if you enjoy being part of this event, we would love for you to join us for the pre-wrap (over coffee) on Thursday May 9 from 12.30pm-3.30pm or for THE STALL on Friday 10 throughout the morning until 2pm/ish (more coffee) to help the kids choose their presents with much love and deliberation (awwww) and then wrap them in our individually hand painted paper by our resident artists (thanks Lucy). All will be held in the Italian room.

Please call us with questions, donations or if you would like to be involved.

The Sleep Well - Be Well study is coming to your school!

Sleep Well - Be Well is run by the Centre for Community Child Health at The Royal Children’s Hospital. We want to know about sleep in Grade Prep children. We also want to know if we can help those with sleep problems and if this improves behaviour, learning, Quality of life and family wellbeing.

Your school has agreed to take part in this exciting study.

Parents of every child in Grade Prep will be invited to take part. Your child will shortly bring home an information pack which explains more about the study and a brief survey.

The Sleep Well - Be Well team has enjoyed meeting the teachers in Grade Prep. We hope you will take part and look forward to your surveys.

Is your child’s Asthma Action Plan up to date and have you provided the school office with a copy this year?

- My child has had an annual asthma management review with their doctor and has had their Asthma Action Plan reviewed
- My child has up-to-date ambulance membership
- My child knows how to recognise early symptoms of asthma and knows when to seek help from staff if they experience asthma symptoms
- My child understands the importance of taking reliever medication when necessary and knows how to use their puffer and spacer, either independently or with assistance
- An updated Asthma Action Plan has been provided to my child’s school/children’s service. Even if their Asthma Action Plan has not changed from last year it is important that a letter is provided to the school/children’s service informing staff of this. It is vital that staff know what to do for your child in an asthma emergency
- A reliever puffer and spacer (and mask for children under 5 years old) has been provided to the school/children’s service for my child. With the change in infection control guidelines, spacers can no longer be shared between children and it is vital that each child has their own equipment
- I have read and understood the school/children’s services asthma policy

For more information, resources or assistance completing this checklist please contact The Asthma Foundation of Victoria on 1800 ASTHMA (278 462) or visit www.asthma.org.au

Learn music here at school

Come and join in the fun of learning to play keyboard, guitar, violin, here at Armadale Primary School.

Statistics show 25% of kids are bullied on a regular basis and 1/3 of them NEVER say a word!

Bullying is a process which develops before it ever leads to physical contact. Bullyproof Bootcamp teaches kids to immediately identify the process and gives kids the tools to stop bullying early on. Bullyproof Bootcamp teaches kids how to verbally diffuse bullying when it starts and how to gain the confidence to avoid being targeted, leaving self-defence as the last resort if a bully attacks them physically.

At Bullyproof Bootcamp kids will learn
- How to diffuse bullying early on
- How to stand up for themselves verbally
- How to protect themselves from bullies
- How to develop the confidence to stop being targeted

The effects of a special extract of Bacopa Monniera on children and adolescents with hyperactivity and inattention

The Centre for Human Psychopharmacology at Swinburne University of Technology is currently investigating the effects of a special extract of Bacopa Monniera (an Indian herbal medicine) and its ability to reduce symptoms relating to hyperactivity, inattention, and impulsivity.

We are seeking children & adolescents who would like to participate in this 3½ month trial.

Your child may be eligible if they are:
- Aged between 6 & 14
- Experience high levels of hyperactivity, impulsivity or inattention
- Not taking any other natural supplements

Your child will NOT be eligible if they:
- Have existing or pre-existing physical or neurological conditions
- Have a history of substance abuse
- Have visual or hearing impairment

You will be compensated with $50 and your child will get a $50 book voucher at the end of the trial. As well as a 3 month supply of Bacopa Monniera extract once the study has finished.

You will then be given a 14 week supply of either Bacopa Monniera or placebo on for your child to consume.

Participation involves 4 testing sessions over the course of 3½ months. Sessions will take 2 hours each. All testing will take place at the Advanced Technologies Centre at Swinburne University (Hawthorn Campus).

If you or someone you know are interested in taking part in this clinical trial and would like further information, please contact the Swinburne Centre for Human Psychopharmacology, Hawthorn on:

Phone: (03) 9214 4444 (please leave a message) or
