Dear Parents,

What a wonderful night we all enjoyed on Friday night with the welcome family picnic. Many parents had claimed the grass area next to the courts and enjoyed the twilight sunset, even though it was a slightly cooler night. Other parents took advantage of the grass under the plane tree and enjoyed their picnics on rugs and blankets. Many thanks to our PFA who organised Adrian from Allsportz to entertain the children for the evening.

What was also particularly lovely was to see so many ex-Armadale children and families join us for the evening and for the children to see each other. Jill Davies, a highly respected and popular ex-Armadale mum said to me, “you don’t realise how special Armadale is until you leave the school”. Well Jill, we still consider you part of Armadale and hope that you, Graeme and Jack and all our ex-families continue to join us at all our events and celebrations.

Year 6 Leadership Breakfast

On Friday morning we also celebrated awarding our Year 6 students their leadership badges at the leadership breakfast. It was a very proud moment for parents and quite an emotional one, as the students demonstrated their commitment to their leadership role. Not every school provides all their Year 6 students the opportunity to have a role and I think it is a wonderful thing to enable students to shine in roles that they are committed to. Parents have also commented on the students taking their roles very seriously as well as their commitment to their Year 6 studies and homework! Congratulations to all our Year 6 students on a fantastic start to the year. You are exactly the type of role models we expect from our senior students and I know you will continue to meet our high expectations right throughout the whole year.

School improvement team

Our school continues to improve its practices and performances in all areas of teaching and learning and I always look out for opportunities to continually improve our school. Last year I applied for our school to be part of the Bastow Institute of Educational Leadership program to have professional coaching for our leadership team. We were successful and now we are extending that program to our staff. A school improvement team has been nominated by our staff to have 2 days of professional development run by SRC Insight Consulting group on Monday 3rd and Tuesday 4th March. The school improvement team consists of Maggie Brown, Zaim Zeneli, Mat Sweetlove, Jocelyn Evans, Pippa Cocks and myself. The classes of these teachers will be taught by Casual Replacement Teachers, some of who will be familiar to the students. I look forward to sharing with you the outcomes of these professional development days.

Inner South Region Principal Conference

Malcolm and I will be participating in the Inner South Region Principal Conference next week at Creswick and the theme will be "BEYOND THE HORIZON". The last two Principal conferences focussed on Life-Long Learning to World Class Learning. Beyond the Horizon now asks what lies ahead? The program this year will engage all delegates with high level speakers throughout the three day program. A number of highly regarded presenters have been selected to stimulate our thinking and planning for the next generation of learners.

Principal’s report continued ...

These are: Michael McQueen, Tom Barrett, Mark McCrindle and Andrew Fuller. I look forward to sharing my learnings with you.

Both Peter Cracknell and Connie Apostolos will be in charge of the school whilst Malcolm and I attend the conference.

School Council 2014

Congratulations to the following parents and staff members who were successfully nominated to be on School Council for 2014. I am looking forward to working with our new council and excited about the directions the school is taking this year.

Our school councillors for this year are:
- Parent Members: Anna Hill, Christine Coull, David Portnoy, Laurie Conheady, Liza Chancellor, Rachel Power, Ray Skinner, Georgie Handbury, Amy Sorger and Kristen Steele.
- Our staff members are: Connie Apostolos, Jocelyn Evans, Gillian Brown, Malcolm Dow and Rochelle Cukier.

Special congratulations to our Office Bearers who were nominated and elected by councillors:
- **School Council President:** Rachel Power
- **School Council Vice President:** David Portnoy
- **School Council Treasurer:** Laurie Conheady

School Councils play a very valuable role in guiding and shaping the school’s policy and direction. All of our councillors are committed to ensuring that the school maintains its provision of an excellent education for all of our students. School councillors are representative of the wider school community and may bring parent issues and concerns to the relevant sub-committees’ attention. All parents are welcome to attend our council sub-committees. I am incredibly grateful to the commitment of my school council, their involvement and support of our school.

**Prep students first full week at school**

Monday March 3rd will be the first full week of school for our Prep students and we look forward to seeing them here at school all day. Prep parents, please expect the children to be quite tired in that first full week, so early nights and no after school activities will be the way to go until the end of Term 1.

**Family Conferences**

The Family Conferences for this semester will be held from 3.30 – 7.15pm on Tuesday 11th and Wednesday 12th March for parents from Years 1-6. The Family Conferences provide the opportunity for parents, teachers and students to collaboratively discuss your child’s strengths and identify the learning road map that the students will navigate this year. We encourage student voice in this process and most of the students from Grade 3-6 will have already considered their learning goals. You can book a time by following the instructions and the links on the homepage of the school website and detailed information is provided on page 9 of today’s newsletter and parents have been sent a separate email today. Please note that all of the teachers will be having a tea break from 5.30-6.00pm and that the conference times are of 15 minutes duration.

If there are no suitable times available on the schedule for a specific teacher, please contact the classroom teacher directly to arrange an alternate interview time outside the allocated schedule. If you need to change your interview times after bookings have closed, please contact the school office. Please note that bookings will close at 9.00am on Tuesday 11 March.

**Armadale’s 130th Birthday**

Oh my goodness, things are happening! Boards will soon appear around our community, flyers are going home and exciting objects and goodies are appearing in my office. Look out for the Stonnington Leader this week and the Weekly Review next week. We are still in need of volunteers to commit some time on the 29 March and make sure you read the Fair News on page 7. A huge thank to all who have been involved to date.

Have a wonderful week everyone,

Rochelle Cukier
Principal

Thanks again Ray and Tonga
Our handyman boys have been at it again, fixing and building all manner of things around the school. We really appreciate all the time and expertise they put into the school to keep it running so smoothly. Their contributions are invaluable, as you can imagine the costs for getting tradesmen to come out and do the range of tasks that Ray and Tonga do. This would cost the school a small fortune and it would eat into the fantastic fundraising efforts of other members of our school community. So thank you again Ray and Tonga for everything that you do for our school.

Ride2School Update
March 19 is getting closer, and Vita Vampatella and Peter Cracknell and I have been meeting to plan our special Ride2School activities. We have some very exciting activities and rewards planned, especially for those who ride their bikes. Start planning your route soon. Remember it is better to choose a safe route even if it is a little further.

Click on this link to read this week’s Prep bulletin or go the website and go to the Students tab and then your child’s class to read all the news.

Sports News
Sports Tops for Year 5&6 Students
Order forms for those students in Years 5&6 who require a sports top will be sent home tomorrow. The sports top should be ready to distribute in the next week or two.

Peter Cracknell
Sports Co-ordinator

Online Learning
By now most students in Years 1 – 6 should have their Mathletics and Reading Eggs usernames and passwords. We have been working through these in ICT over the past couple of weeks and most students seem to be working on these programs with no issues. We are asking that the children use Mathletics and Reading Eggs at least once per week each, just to keep up with the program and developing suitable skills across a range of areas. The benefit of both of these programs are that they are very individualised and they will allow the students to all progress at exactly the level that they are capable of working at. Please let me know if there are any issues with either of these programs at home.

EMA
The Education Maintenance Allowance provides financial assistance to low-income families to help meet costs associated with the education of their children. It is a means-tested payment - parents must hold a Centrelink or Veterans Affairs concession card to be eligible.
Click here to download a copy of the application form. Please bring the completed form and your Concession Card to the office by tomorrow Friday 28 February 2014.
Parents who have claimed in the past will need to reapply at the start of each school year.
More information is available at this website.

Level & Specialist Bulletins
All this term’s Level & Specialist bulletins are now on the website. Click on this link to go to the page.

Library News
Students can now borrow from the ‘New books’ section in the library which will be exciting news for some students who were keen to borrow the ‘Big Nate’ books.

The Library theme for Term 1 is: SPACE- There are many posters and books around for space in the library this term and we hope to make the library ‘out of this world’.

Issue #2 of Scholastic book forms are located out the front of the library, make sure to grab a form! Expression of interest: The library is looking at having after school borrowing sessions so that parent and child can come in and borrow together. This would be a good chance for parents to grab books that they might be interested in reading with their child. If this is something you would be interested in please e-mail: Leyshan.brett.f@edumail.vic.gov.au

Happy reading,

Hi everyone,

It was great to see lots of new faces last Friday at the Welcome Picnic. The kids raced around on the tennis courts with Allsportz! while many a parent nibbled on roast chicken and pizza and chatted to friends both old and new. We have many more fun celebrations and activities planned for the year HOWEVER we can’t do it without you. Your class rep has kindly put up their hand as the communication pivot point for your class. If she or he does not have your details on file then you and your family miss out on valuable communications.

Please, we need you to fill in the form sent home in your child’s bag some weeks ago or to jot down your name, mobile and email to allow us to collect a full class list. You then have access to other parent contact details on the list for birthday invitations, play dates and just in case you may need a friend to pick up your child at the last minute or reassure them that you’re 5 minutes late. Your class rep, on behalf of the PFA, will also filter down information that we feel you may appreciate reminding of or perhaps an activity you might like to get involved in.

Things like: “don’t forget Harmony Day dress up” or “would you like to help on the Mother’s Day Stall/Fun Run/Excursion”. We urge you to pass your details to your teacher or the office so you can ‘get on the list’!

Coming events to note include:

- **Class Rep Volunteer meeting for class years 1 through 5** – Monday 3 March after drop-off.
- **Monday 24 March** – Easter Raffle donations begin for the draw at close of term.
- **Saturday March 29** – Our Birthday Fair!
- **Prep Cocktail Party** – Date, time and venue TBA by Prep Reps.
- **Level 6 Cocktail Party** – Date, time and venue TBA by Level 6 Reps.

Class Rep Volunteers urge you to get on the list.
It’s easy. Mark your details down today and send to class or the office tomorrow. Reps for class years 1-5 – If you have any queries on your role please come to a brief meeting to discuss next Monday after 9.00am. We will advise venue once to hand.

**Prep Cocktail Party** – TBA
**Level 6 Cocktail Party** – TBA

**Saturday 29 March – Our Birthday Fair**!
Are you a baker? A sizzler? A high tea aficionado? Is Craft your thing or do you just love a good trash and treasure? Please see the special section on page 7 for the full update and call to action. We need your help so please get on board for what will be a fantastic day for all.

**Easter Raffle – Donations begin March 24**
Donations begin next month. We ask that you donate an egg (or two!) to the office so we can prepare some lovely hampers. We then run a raffle with all monies going directly to our ‘Back to the Future’ fundraising theme for the year. More on this soon.

**Icy Pole Friday – Has it been a good week?**
Icy treats tomorrow at $1.00 each.

Visual Artist of the Week:
Oliver Mogford 3/4C

For the excellent Self-Portrait he drew using grey lead to show the different shapes, lines and shadows that occur on the face.

Visual Art Class of the Week: 1/2E

For the fantastic drawing skills they have displayed this term. They make excellent observations and communicate their ideas clearly.

Art Smocks

It is really important for everyone to have their own art smocks, to protect your clothing from getting stained and/dirty. Please make sure you have a smock in your classroom Smock Tub. If you do not have an Art Smock you can purchase one at the uniform shop in Kew.

Excursion to sustainable living Festival

Conner; On Thursday the senior green team went to the sustainable living to a special exhibition called ‘the new joneses’.

Lucien; the new joneses they live completely sustainable lives, they consume less energy than average, they recycle and don’t need many new things.

Conner; then we did a craft activity made things out of re-used material.

Lucien; after that we had a little look around of their house they had a lot of re-used things that make the house look brand new.

Conner; Overall we learnt about how to live sustainably.

Dear Parents,

We have had some wonderful offers of help from parents, and are so grateful!

But…. We have a LONG way to go!

Please, help us make this a day to remember!

Many thanks,

Seeking Billy Cart Teams!

One of the most exciting things at our Fair is going to be the Billy Cart parade and time trials.

We are looking for teams to create fabulous Billy Carts to enter on the day.

Team Registration forms can be picked up at the Office.

While we hope your team will be responsible for sourcing most supplies, additional materials (including axels) can be made available to you by contacting Niki Rickard 0423 945 672.

PRESERVES STALL

We would love anyone who makes homemade preserves to contribute to our stall! Jams, chutneys, sauces or any other delicious treats! Blank labels will be available from the office from Tuesday 4th March, we would appreciate you using these to ensure a gorgeous and uniform stall.

Any finished product can be left in Mrs Cukier’s office.

We would also greatly appreciate empty clean jars, with labels removed, and lids that we can then make available to our clever Preserve Makers. A box for these will be placed outside the main office from TODAY.

For any further enquiries please contact Ellen Beischer 0412 339 181 or Mel Cooper 0437 566 556

DON’T FORGET!

Lucky Jars - Please put a special prize in a jar (suitable for Primary aged Children), anything from erasers, little toys and trinkets to vouchers and movie tickets. Lucky Jars can be left in collection the box by the office. Contact Kim Hyde for more info 0412 561 520.

Trash and Treasure – Collections start this Monday! So start digging through the cupboard and the attic! Items we will be accepting are; Antiques, Toys, Games, Children’s Clothing (in good condition), Brick-a-brack and Books.

Please, no broken or incomplete items.

All donations will be accepted in Mrs Cukier’s office both before and after school each day.

We are still looking for some wonderful parents to volunteer to help with leading the Trash and Treasure area… If you are able to help, please contact Niki Rickard on 0423 945 672.
