Dear Parents,

THANK YOU!
I am absolutely staggered and overwhelmed by the generosity of many of our Armadale families and wider community. Your involvement and support of this school on so many levels is always so welcome and greatly appreciated. On a financial level, the generosity of families just from the FUN RUN alone will see the instalment of the next synthetic grass to be located around Fairfax circle and Malcolm has booked that to occur prior to the Healthy Breakfast. How wonderful will it be to breakfast together on a picnic rug on a gorgeous morning on Friday 15th November?

Our Trivia night on last Friday night was another tremendous success – not just financially, but from a community perspective it truly highlighted what a fabulous school community we have, it brought together parents; teaching staff; OOSHC staff, school councillors all together in a night of fun, conviviality, competition and partnership. Congratulations must go to the winning team, “The Einstein Jedis” who beat the teachers table by 1 point – please see the photo below. On behalf of all the teachers on our table, I know I can say, “Thank Goodness for Lauren”, our performing Arts teacher, she knew every song title in just the first 10 seconds! The quiz master Marty commented afterwards, as he does a number of trivia nights and is in fact a school teacher himself, that this school has a great feel about it – and he had already been paid!!! I asked him what he meant, not that I was disagreeing but just wanted specific details, and he replied: “You all seem to get along! Parents, teachers and your young staff.” (Katie’s crew). I continued, well that’s because we are all here for the same thing – the kids!

Other parents over the weekend emailed me, thanking me for the evening – but I cannot take one iota of the credit – both the Fun Run and the Trivia night are due to the tireless work of our PFA, led by Mish McGrory, Brig Warwick and supported by Nicki Batagol and Kym Hyde. These ladies are incredible and our school is indebted to their work and support! Mish, Nicki and Brig were presented with roses at our assembly yesterday as a small token of our gratitude and thanks for all that they do.

Einstein Jedi’s - 2013 champions of the Armadale Primary School Trivia night

Congratulations to all the children who were lucky enough to win prizes and have these presented by Stonnington’s Mayor at our Assembly yesterday and I wish I had been there to witness all the excitement. Thank you boys and girls for all of your help with your fun run sponsorship and as we now have such a great amount of fundraising money to spend, I would like you to write a letter to me suggesting what other things would you like in our school. It may be along the lines of more playground equipment, more play pods, construction games, as it’s your school, you can help spend some of the money, but you must let me know what you would like.

This Week’s Events

Friday 1 November
♦ Class Reps meeting for Healthy Breakfast 9.00am in MPC
♦ Icypoles - free!

Monday 4 November
♦ Staff Training Day / Curriculum Day - pupil free day

Tuesday 5 November
♦ Melbourne Cup Day public holiday

Friday 8 November
♦ L6 Volleyball Gala Day

Coming Events

Monday 11 November
♦ L2 Drama Toolbox incursion

Friday 15 November
♦ Healthy Breakfast 7.00-9.00am

Tuesday 19 November
♦ Junior Sports Day

Wednesday 27 November
♦ Grade 6 Lygon Street excursion

Friday 29 November
♦ Foundation & L2 Swimming lessons commence
♦ L4 Art excursion

Friday 6 December
♦ L6 Multi-Sport Gala Day
Curriculum Day on Monday November 4th 2013

Just a reminder to all our families that Monday November 4th will be a Pupil free day and no children are required at school. The teachers will be working on developing our AusVels curriculum program with a specific emphasis on our writing program. We hope that many of our Armadale families can take advantage of a 4 day weekend and enjoy a lovely short break together. The school will be closed on Tuesday, November 5th as it is a public holiday. I look forward to seeing all the children on Wednesday 6th November for school as normal.

Thank you Mrs Rodder

Mary Rodder has been looking after 4W over the last 4 weeks whilst Virginia Wallace has been enjoying her long service leave holiday in Europe. Thank you Mary for again providing an excellent classroom environment for the students to thrive in and a continuing implementation of their curriculum program.

Extra Curricula provision

As well as ensuring that as a school we maintain our excellent academic standards in literacy and numeracy we also manage to enrich student learning with providing students with experiences beyond the classroom walls. For example, Level 4’s are currently investigating “community” as their focus for Term 4 and last week had a visit from the Stonnington Mayor, Matthew Koce, and today the students have a special presentation from Simon Rodder about keeping fit and healthy in your community. Peter Cracknell was last week instrumental in organising all the extra curricula activities for Health week and I know the children all enjoyed their Kidz Bodz sessions and the weekly challenges. The Foundation and Level 2 students have been introduced to Yoga and are enjoying the benefits of that program. The old adage “A healthy body leads to a healthy mind” is just so applicable to all our students.

World Teachers’ day

Thank you so much to our parent community for supporting this day with all your cakes, biscuits, flowers, gifts and presents to our fabulous teachers. They all had a great day and I know the children were incredibly excited about all the surprises.

Have a wonderful week.

Warm regards

Rochelle Cukier

PSW Uniform News

From Monday 11 November to Saturday 14 December 2013, PSW are offering 5% off all uniforms in-store. This promotion is a great opportunity for parents to prepare early for the 2014 school year and helps relieve some of the pressure placed on families in January’s Back-to-School Period.

Follow this link to the school website for details on pricing and the location of PSW.

Sports News

Level 6 Volleyball Gala Day
Friday 8 November

A reminder to all Level 6 children that they will be taking part in a Volleyball Gala Day next Friday. Information will be distributed tomorrow. Parent assistance will be needed on the day so if any parents are available to help, please see your child’s class teacher.

Peter Cracknell
Sports Co-ordinator

KidzBodz Healthy Eating Challenge

Week 2 (this week)

◆ Try doing one hour of physical activity a day.
Assistant Principal

Fundraising
What a fantastic community we have at Armadale where we can raise so much money and have such great fun doing it. I know Rochelle has thanked all the major players in these events, but I would like to also pass on my thanks, not only to Nicky, Brig, Mish and Peter Cracknell, but to all the families that have contributed to these events in so many ways. The new synthetic grass has been ordered and booked for mid-November (weather permitting), so we will soon be able to utilise and enjoy the fruits of our labours.

Resource Smart School Awards
Our school has been shortlisted for the Resource Smart School Awards to be held next Friday 8th November at the Melbourne Convention Centre. Jen Drew and I will be taking six Green Team members with us into the awards ceremony. It is a great honour to be shortlisted in these awards, and it is a reflection of the great things that Armadale does towards sustainability. I will let you know in a couple of weeks’ time as to how we fared.

Skooville
One of the online programs that we all subscribe to is Skooville. For those who are unfamiliar with Skooville I highly recommend you spend some time with your child exploring the many facets of it. Here is a little summary of what Skooville is all about:
- Skooville is a children’s social network.
- A social network that is different to all others.
- Skooville is protected 24/7 by trained moderators.
- Every child that joins Skooville is first authenticated by their school, so every child member is known to be a ‘real’ child. Something other children’s web sites can’t claim.
- When you add these safety features to the many others we have in our system (example: Teachers on Skooville can only communicate online with children in their own school), we believe Skooville is the safest children’s community anywhere in the world. Nothing comes close.
- We are in the business of changing young children’s online behaviours so they are better equipped to protect their own wellbeing.
- It’s simple, it’s important and it’s what we do.

We have been exploring Skooville this week in ICT classes and I am encouraging the children to work on some of the projects at home, so please take the time to work with your child as they work through some of these tasks.

Malcolm Dow
Assistant Principal

Wesley Mission

Food for Families Appeal
Each year thousands of homeless people turn to the Wesley Mission Melbourne for food and emergency accommodation. For the past ten years the school has supported the ‘Food for Families’ Appeal, collecting grocery items and toiletries to help meet the needs of homeless people throughout the next year. If you would like to donate to this appeal you can send a grocery item to your child’s classroom. We will collect these goods from the classrooms and, in early December, arrange for the goods to be collected from the school.

Here are some suggested grocery items to send:
- Tinned tuna and salmon
- Tinned baked beans and spaghetti
- Pasta sauces and pasta
- UHT (long life) milk
- Breakfast cereals
- Jars of vegemite
- Honey
- Peanut butter
- Nutella and jam
- Sweet and dry biscuits
- Muesli bars
- Cheese sticks
- Teabags
- Instant coffee
- Milo
- Tins of fruit
- Tins of vegetables
- Rice
- Two minute noodles
- Baby food
- Toothpaste
- Toothbrushes
- Toilet paper
- Soap
- Deodorant
- Bottles of shampoo and conditioner

Thanking you.

Isla, Flossie, Dean, Evan, Christian, Amy 4F

This Week’s Awards

House Points
Congratulations to all the children in Munro who won this week’s house points. Munro children enjoyed crazy hair day today!

Performing Arts Class 2A

### The 5 Keys of YCDI! Education

Our core purpose is the development of young people’s social and emotional capabilities, including:

- **Confidence** (academic, social)
- **Persistence**
- **Organisation**
- **Getting Along, and**
- **Resilience**.

Central to the development of these 5 Key Foundations is instilling in young people 12 Habits of the Mind, including:

- **Accepting Myself**
- **Taking Risks**
- **Being Independent**
- **I Can Do It**
- **Giving Effort**
- **Working Tough**
- **Setting Goals**
- **Planning My Time**
- **Being Tolerant of Others**
- **Thinking First**
- **Playing by the Rules, and**
- **Social Responsibility**
Hi everyone,

Thank You!

Thank you for supporting the Fun Run which raised just over $17,000.

Thank you for supporting the Trivia Night which raised just over $10,000.

Thank you for putting smiles on the dials of all our children when they sit, eat, play and game on the new synthetic turf in the Fairfax Circle.

The Trivia Night was a fantastic evening with our host Marty Callanan working the room beautifully. With the likes of Donna Summer, Richard Branson, Chris Smith, Cher, Nicole Kidman and ‘The Most Boring Man In The World’ in attendance this was no mean feat!

We’ve had reports of happy families taking home a bargain (or five), while others were able to secure a piece of space history or a lovely weekend away, not to mention the Porsche experience! Some just didn’t want to leave and a number, like us, had a very ‘slow’ weekend after.

It was great to see our fantastic OOSHC team front and centre as well as our wonderful teachers (sitting at the back of the class actually...hmmm). There was stiff competition during the evening however we congratulate the Grand Final Trivia Winners: the Hyde Table. You may spot them in the grounds wearing their gold medals.

All in all, a great night had by all.

We’d like to thank our most special school community as well as the wonderful traders in our area for their generosity in time, energy, goods and services. Without such wonderful contributions the night would not have been such a success. Please support these generous businesses who donated to our Trivia Night. See the full list on page 8.

The APS Fun Run – Please see Nicki’s special report on this on page 7.

The Healthy Breakfast on November 15 is a great fun morning. Please stay tuned as we feed you more information on this.

Icy Pole Friday is FREE to all students tomorrow as a special thank you for all their hard work in helping us in our ‘greening APS’ initiative for 2013.

Mish McGrory and Brigid Warwick 0412554434 0412128164 Email: mish@mcgroryonline.com brigid@warwick.com.au PFA Co-Presidents

Foundation Bulletin
This week’s Foundation bulletin is on the website under your child’s class in the Students tab or click here to go the Level and Specialist Bulletins page on our website.

Lunch orders
A reminder to all families that the milk bar in Beatty Avenue is now offering lunch orders on a Monday and a Tuesday. Please click on this link for the new menu or go to the school website and see the details under the Parents tab.
On Monday, the Level 2 and Level 4 students participated in a ‘Planks’ incursion that promoted creativity, imagination, social development (team work), skill development and problem solving. “Planks” are building blocks crafted for creative minds!

The students were actively engaged with their buddies in a stimulating session whereby they created complex structures such as towers, skyscrapers and connecting cities! There was a great deal of excitement as students collaborated on their highly creative and unique designs.

Planks

On Monday 28 October the Level 2s and Level 4s were part of a building incursion. Once we were all there our instructor, Cam, told us that we were building with small wooden planks. At first I thought that I would never be able to make something as amazing as the things that we saw Cam make until I tried and found out that it really wasn’t that hard!

First we started out with some simple constructions and then we started to get better as we went on. By the end of the incursion my group had built a tower taller than ourselves and were happy to knock it down when it was time to (we had lost some things in our tower!).

I had a great time at the incursion and I hope we can do it again sometime!

Claire 4F

On Monday 28 October the Level 2s and Level 4s were part of a building incursion. Once we were all there our instructor, Cam, told us that we were building with small wooden planks. At first I thought that I would never be able to make something as amazing as the things that we saw Cam make until I tried and found out that it really wasn’t that hard!

First we started out with some simple constructions and then we started to get better as we went on. By the end of the incursion my group had built a tower taller than ourselves and were happy to knock it down when it was time to (we had lost some things in our tower!).

I had a great time at the incursion and I hope we can do it again sometime!

Claire 4F
At assembly this week, it was announced that we raised more than $17,500 from the Fun Run which is an incredible result. Thank you to all of the children who have returned their money and helped contributed to the grass around the Fairfax Circle. Malcolm announced that this has been booked to commence in the coming weeks. As a thank you to ALL children for their support, we will be offering **free icy poles** this Friday, November 1st.

The class who raised the most money is 0C with $2667 raised, followed by 0J, 0P, 2E and 4W. Well done 0C!!

The class who returned the most sponsorship forms is 2E with 19 out of 22 students returning their money and forms! Thank you 2E!

**Money not returned yet?**
There are still a lot of students who have not returned their sponsorship money, mostly in Level 4 and Level 6. It’s not too late to do so as all money received will directly benefit the school. Please continue to drop it into the office and help us raise more than $18,000!!

And now for the prizes........

While every student did a fantastic job of raising money for the synthetic grass, there are 12 students who raised more than $200. Each of these students was rewarded with a free entry to Bounce, socks and a wrist-band:

<table>
<thead>
<tr>

<th>Class</th>
</tr>
</thead>
<tbody>
<tr>
<td>Issy Monahan (0C)</td>
<td>Charlie Portnoy (0P)</td>
</tr>
<tr>
<td>Poppy Morrison (OC)</td>
<td>Toby Ralph (2A)</td>
</tr>
<tr>
<td>Oscar Sorell (0C)</td>
<td>Madeleine Fleetwood (2J)</td>
</tr>
<tr>
<td>Charlie Atkins (0J)</td>
<td>Jett Kelly (4W)</td>
</tr>
<tr>
<td>Lachie Stott (0J)</td>
<td>Charlie Sorell (4W)</td>
</tr>
<tr>
<td>Lucia Martin (0P)</td>
<td>Olivia Martin (6N)</td>
</tr>
</tbody>
</table>

Also at the assembly, we drew the winners of all our wonderful prizes – there were more than 50 prizes in total. Each student who returned their money before the due date received a raffle ticket (up to $20). Then for every additional $20, students received an additional raffle ticket. So the more money raised, the more raffle tickets in the draw. Congratulations to all of the following students who won prizes:

<table>

(Note: Some of these children received multiple prizes)

What a great result for Armadale Primary!!!

*Nicki Batagol*
Performing Arts News

Performing Arts Award - 2A
for working hard in Performing Arts and showing great beat and rhythm skills.

Choir

Choir is on Friday @ 8:15!

Senior Choir in the Performing Arts room.
Junior Choir will be in the Science Room.

Please ensure you are on time with your choir folder.
Junior Choir please remember your shower cap.

Thank you for your co-operation.

Assembly Performance
We are looking for some talented dancers or singers (preferably a group) to perform in assembly this term. If you are interested please see me during recess on Friday.

After School Music Tuition – Information provided at the office.

Until next week,

Lauren Rich
Performing Arts Co-ordinator
rich.lauren.l@edumail.vic.gov.au

Visual Arts News

Visual Art Class of the Week 4S
For the excellent skills they showed when drawing with charcoal. Keep up the great work 4S.

Selected pieces for the ‘Clay for Kids’ Exhibition

When: open for viewing on;
- Saturday 9th November 1pm-2pm
- Sunday 10th November 12noon-4pm
- Monday 11th November 12noon-4pm

Exhibitions and children’s activities will take place on Sunday 10th November

Where: The Duldig Studio, 92 Burke Rd, East Malvern

A very big congratulation to the following students whose work has been selected for this exhibition:
- ‘Converse Shoe’ by April Van Schoonhoven (Year 6)
- ‘3 Dinosaurs’ by Stephanie Murphy (Year 5)
- ‘Cricket Equipment’ by Ned Dixon (Year 5)
- ‘Flower’ by Milla Burgemeestre (Year 5)
- ‘Octopus’ by Mia Vodicka Georgiou (Year 6)
- ‘Elephant’ by Lilly Baxter (Year 6)

Wednesday Lunchtime Art Club (Grade 6 students)
This term I will be running Art Club for Grade 6 students during Wednesday Lunchtimes. It will be a once off class where students will have an opportunity to make a clay sculpture. The class sizes will be small, I will take 6 students at a time (because of the nature of the work and the timeframe). These classes are free and will be offered until we run out of clay. If you are in grade 6 and are interested in joining a class please speak to me during your next art lesson to secure a spot.

Nicholas Bayly 4W
For the fantastic skills he displayed when using charcoal and poster colour to make his “It’s A Miroocool Outback”.

Art Smocks
It is really important for everyone to have their own art smocks, to protect your clothing from getting stained and dirty. Please make sure you have a smock in your classroom Smock Tub. If you do not have an Art Smock you can purchase one at the uniform shop in Kew.
