Dear Parents,

I’m unaccustomed to preparing a newsletter item as the principal (or acting), but there have been several events happening and several more about to happen that I should bring to your attention.

Firstly, Rochelle Cukier, Malcolm Dow, Peter Cracknell and Connie Apostolos are attending a two-day conference about Leadership Team Coaching, which is why I’m writing this. Mrs Cukier and Mr Dow both sat in on Tuesday, while the year 5 students presented their leadership speeches, in readiness for taking up a role in year 6. They were very impressed by the high standard of presentation and by the aims of students, in the ways that year 6 students will be able to help make APS a better place and also assist other less-privileged students and children. The level 6 staff, Zaim, Kate and myself, were very proud of the way that our year 5s prepared and presented their speeches. Well done, all of you!

This Friday, 6 December sees APS’s very first Art Show, which will be held in the MPC, beginning at 3.45pm. Every student has a canvas which will be on show. Not only will the students’ artworks be shown, but the choirs will also sing and there will be awards and prizes presented. We hope to see everyone there, looking at our future Drysdales or Pollocks.

The 2014 class structure has been finalised – we’ll have three Prep classes, five year one and two classes, five year three and four classes, two year five classes and two year six classes. We haven’t had a year 6 only class here since 1999, as the structure depends very much on our numbers, but 2014 will be a good test. The staff allocated to each level will be announced next week. Presently, the staff is involved in creating the classes for 2014. A range of aspects of the students’ schooling is considered, including social and academic skills. This year’s reports will go home on Thursday, 19 December.

Our students have been practising their singing across all levels – in Italian, too. All levels will be performing for parents and grandparents at the ‘Carols in the Quadrangle’ on Monday, 16 December, beginning at 6.30pm. Beforehand, classrooms will be open for parents to look through student portfolios, or in the case of the level 6s, digital portfolios. Please come to see what your child has been doing, and to view the work samples that they are proud of. Classrooms should be open from 5.00 to 5.30pm, leaving time for a picnic dinner before the Carols.

Thank you to Alessandra McLaughlin and Zaim Zeneli for showing great kindness and concern yesterday. We really appreciate your community spirit.

It’s a very busy job, being Principal – I’ll be extremely happy to hand the office, the school credit card and the company car back to Rochelle and head back to 6N. I don’t know too much about Gaelic football, but I’ll learn about that this Friday, with the students.

Year Six Lygon Street Excursion
Wednesday 27 November

After we hopped off the train we walked to a park where we stopped and had a snack. Then we walked to the Museo Italiano and listened to Maria talk about Italian immigrants and the history of Carlton. While half of the group was looking in the Museo the other half was walking around the streets of Carlton and completed specific tasks. The Museo had lots of interesting artefacts about immigration. Finally at the end of the day we had Toto’s pizza and ice cream. It was fun and yummy!!
