Dear Parents,

What a countdown to Christmas it is turning out to be – everyday is jammed pack with yet another extra-curricular activity or incursion and excursion to enrich the learning of our students. Last week our students participated in the GATEWAYS challenge and on Friday, the final of the GATEWAYS journeys that have been held here over the last 4 weeks. Just this week the Level 1’s and 2’s continue with their swimming lessons at Lauriston, the Grade 5 students have presented their leadership speeches, the whole school enjoyed the end of year Church service at the Uniting Church yesterday, today the whole school experienced another transition session in preparation for next year and tomorrow, the Level 4’s will enjoy a Tabloid sports Gala Day at Fawkner Park. One of the great by-products of our gala days is the developing relationships the Grade 6’s have made with other students from other schools that they will be going onto secondary college with. Next week the Grade 6’s will be highly excited and eagerly looking forward to their Graduation.

Staffing Structure for 2013
I am delighted to share with you our staffing for 2013

**Foundation:** Pippa Cocks, Connie Apostolos-Thermos, Jennifer Drew and Pauline Eldredge

**Level 2 team:** Jocelyn Evans, Angela Sozzi, Kylie Thompson, Colleen Johnson and Jennie Pearse

**Level 4 team:** Virginia Wallace, Anita Frankel; Mat Sweetlove, Rosanna Caruso and TBC

**Level 6 team:** Robin Nicolson, Amanda Wilson and Zaim Zeneli

**Specialists Team:**

**Visual Arts:** Lucy Gorman, **Performing Arts:** TBC

**PE:** Peter Cracknell **ICT:** Malcolm Dow

**Italian:** Vita Vampatella

Malcolm Dow will continue to perform his Assistant Principal duties and provide ICT support to all classes as well as oversee the exciting new netbook program in Level 4.

Rosa Salemme & Donna Brammer will continue in their integration aide roles in 2013 to support our PSD students.

The office team will continue to comprise: Christine Leyshan (Business Manager), Maggie Brown and Alison Crone (Administration & First Aid).

I am looking forward to working with all of our teams and developing with them the capacity to ensure that all our students are delivered a differentiated and personalised curriculum. A number of our teachers will be trialling an Investigative Personalised Learning approach next year and will be working more closely together across flexible learning spaces. This will enable greater creativity, student engagement and student motivation in their learning. As you will have noticed, two teaching positions are still to be finalised and this will take place over the coming weeks.

Student Free Days in 2013
Parents please make a note of the following dates in your diaries for next year. These will be staff professional development days and students will not be required at school.

GATEWAYS Challenge
Congratulations to the following students who were selected to represent Armadale at the Challenge tournament at Bialik College and Parkmore Primary school. Both teams worked incredibly hard and were successful in all their challenges. I hope these students enjoyed the stimulation and enrichment that the training and challenge provided. Thank you also to the parents of these students who assisted with the transport of students to and from the venues:

End of Year Church Service
The end of year Church service was beautiful and thoroughly enjoyed by all who attended. I would like to thank all our parents who assisted with the walking up of students and for our class teachers who supported the students in getting ready for the service. Thank you also especially to Mary Drost the CRE co-ordinator; and our CRE teachers over the year, in particular, Gabi, Judy; Margaret; Paul; Lynn and Janet. All of our Grade 6 students were delighted to receive their very own bible as a memento of their time at APS.

Year 5 Leadership Speeches
I found myself in a very privileged position yesterday morning when I was a panel member for presentation of the Grade 5 leadership speeches. The students had all prepared incredibly well, spoke with confidence and clarity and what really pleased me was their commitment to setting an excellent example to all the other students by becoming a great role model through leadership and really making a difference to the school. I congratulated all the students after their speeches were made and explained to them that adults often find speaking in public to their peers as a terrifying experience. I also elaborated on their need for resilience as not all 20 students who indicated the “school leader” as their first choice would be appointed school leader, and whatever role they were given gave them the opportunity to shine and make the role, their own. The panel will meet to work through the selection process next week and I would like to acknowledge the work of Robin, Zaim and Mat who have worked hard with the students to prepare them for their leadership speeches.

Planning week
All of our teachers will be involved in Planning week next week where they will come together to construct plans for implementing the AusVels National Curriculum across the whole school. Teachers will be planning in their 2013 teams and the classes will be covered by our specialist teachers. This is a very important opportunity for teachers to outline the learning intentions, experiences and assessments for their students in 2013.

Parent Helpers Thank You – Coffee and a Danish Wednesday 19th December
All parents who have helped over the year in some way – reading in the classroom; participating on an excursion; assisting on special days and events are invited to join us for a coffee and danish from 8.30 am -9.00am on Wednesday 19th December in the Performing Arts room. A flyer will be included in next week’s newsletter, but please mark the date in your diaries. Our staff would love to have the opportunity to thank you and acknowledge the help and assistance provided.

Students Arriving at School before 8.45am
Just a reminder to our parents that students who arrive at school before 8.45am and are just playing on the equipment or in the grounds will be directed to OOSHC. There are no teachers supervising before 8.45am, except for those students attending choir rehearsals on Friday morning at 8.15am or on Thursday at 8.00am if students are involved in soccer training. Please be aware that we need to enforce these rules for your children’s safety. Also, at the end of the day, children not picked up before 3.45pm will again be directed to Afters.

Double parking in Northcote Road
Michael our crossing supervisor in Northcote Road is becoming increasingly alarmed at the number of parents double parking and allowing children to enter cars from the roadside. He has witnessed a number of near misses with children weaving in and out of parked and moving cars. Parents, please remember that your children are your most treasured possessions and do not take shortcuts in picking them or dropping them off at school. Always ensure children enter or exit a car from the kerbside and even if it takes you a few minutes more, park safely and walk them into school. I would hate to see any of my students hurt or injured as a result of carelessness and as a parent, I know the guilt would be a terrible thing for you to bear. Whilst I always expect students to be in school before 9.00am, I would rather see them a few minutes late, than in a wheelchair.

Have a wonderful week everyone.

Warm regards,

Rochelle Cukier
Principal

Hi everyone,

Only two more weeks until the end of the school year, and our term as PFA Presidents. We are delighted to say that Mish McGrory (Madi and Mia’s mum) and Brigid Warwick (Indigo’s mum) will be taking over our role as PFA Presidents from the beginning of 2013. The PFA will be in good hands with Mish & Brigid’s enthusiasm, motivation and commitment. We would like to thank them sincerely for their willingness to take on the presidency, and hope they derive as much fun and enjoyment from the role as we have. Thanks Mish & Brigid!

Only a couple more weeks of Friday icypoles, so don’t forget to put $1.00 in your child’s school bag tomorrow.

Dear Parents,

1 to 1 Netbooks
Everything is now in place to implement the 1 to 1 Netbook program for our Level 4 students next year. We are very excited about the increased learning opportunities this will afford our students. All parents of students who will be in Level 4 will receive an important email today outlining further details about the program. If you will have a child in Level 4 next year and don’t receive the email, please let me know ASAP.

Trees
Our new trees didn’t go in last week due to the extreme heat last Thursday, but hopefully by the time you read this newsletter they will have been planted. If any parents or children would like to assist with their watering over the summer holidays please let me know, it will be very important to keep them well watered over the summer to help them settle in.

Walking Wheeling Wednesdays
It is great to see so many children still walking and wheeling to school each Wednesday. Our Green Team reps are still doing a count each Wednesday and reporting all the numbers to me. Our numbers were down a little bit this morning, probably due to the inclement weather, so let’s see if we can make a big improvement in the last two weeks.
LEVEL 4 EARN AND LEARN MARKET

Our Level 4 classes have been learning about economics, supply and demand, creating a business and a product that customers want, at a reasonable price.

On Monday 17 December, from 1.30pm to 3.00pm, groups will be holding a market in the MPC to sell their home-made products, such as Christmas cards, brownies, chocolates, soft toys, Frog in the Ponds, toffees, bracelets and lots more.

Prices will range from $1 to $2.50. All APS students are welcome (classes will attend with teachers) to come and support the Level 4s. Profits will be banked, so we can see how the account balance grows with interest, and will be put towards graduation costs in 2013.

L1&2 SWIMMING REMINDERS
Congratulations to all the children on a great start to our swimming program. Thank you to all the parents who have assisted so far. Could parents please ensure that children have weather appropriate clothing for walking to and from the pool each day. A reminder that swimming will continue as per the dates on page 4. A swimming report will be included with the end of year reports.

**Year 6 Lygon Street Excursion**

At 9:00am on Tuesday the 27th of November all the grade 6s had the privilege to go to Lygon Street in Carlton. It wasn’t the best weather for an outdoor excursion. We started off walking down to Toorak station. We then caught the train to Parliament station and walked for a bit, then arrived at the Museo Italiano.

We then found out which activity we were doing. We were either doing a museum tour and answering questions, or a walk around Lygon Street where we went into different shops observing how the shopkeepers served their customers. After we did both the activities everyone met up at the museum and did an investigation on a suitcase. We had to work out if it belonged to a girl or boy, or a man or woman.

After that we went to Toto’s pizza place for some pizza and a gelati. It was really yum.

Thank you to Vita, Robin and Zaim, and the parents Pina, Simone, Vicki, and Suzanne who came along and helped on this wonderful day.
