Dear Parents,

**Being involved in your child’s education**

One of the wonderful attributes of our school is the genuinely warm “feel” that is palpable when you walk into the school grounds of APS. Not only is this due to the highly visible learning culture that is evident in all our classrooms but also due to the strongly visible presence of our parents. Not a day goes by when there isn’t a parent helping in a classroom, helping with special events or participating in excursions and gala days.

Not everyone is always available to assist during the day and therefore I am always grateful to those parents who are in a position to do so and if you fall into that category we would welcome you with open arms. There are a number of opportunities for parents to participate in their child’s education, the benefits are immeasurable and the children are highly excited whenever Mum or Dad are involved in a classroom, sporting or fundraising activity. My own children, now 28 and 24 fondly recall my visits to their classrooms, my help on excursions and the odd lesson taught in their classroom as a “geography expert”.

You may wish to consider a role on School Council; or the PFA or as a Classroom Representative and/or a classroom helper. Please read the following information to discover how to become involved.

**School Council Elections**

This year’s School Council elections will be held over the next week. School Council is comprised of APS parents (10) and teachers (5) who meet every two – four weeks in order to determine the policy direction of the school. Each year approximately half of the council retires and new (or past) members have the chance to be elected for a two year period. We have a number of vacancies to fill through children leaving the school and families relocating.

School Council decisions are informed by the work of its three subcommittees – Finance, Facilities and Curriculum. If you have a particular interest in one of these areas and can spare about an hour every 2 – 3 weeks, then you might find the role of a school councillor to be a very engaging and stimulating opportunity.

The election process for the 2013/2014 School Council will formally get underway tomorrow – Friday 8th February. Parents or teachers who are interested in becoming councillors have one week to be nominated or lodge a self-nomination form. Nominations will close on Friday 15th February at 4:00pm. Please see me for either of the nomination forms; a Schedule 5B: Nomination Form for Parent Member Category or Schedule 5A a self-nomination form for Parent Member Category.

If you are interested in nominating for School Council, or you would like to know more about this opportunity, please don’t hesitate to give me a call (9822 7003) or send me an email at cukier.rochelle.a@edumail.vic.gov.au

**PFA Thank You**

A huge thank you to Mish McGrory (Mia in 2A and Madi in 2P) and Brigid Warwick (Indigo in 2E) for organising the morning tea for the new prep parents last Friday morning. After all of our new prep students had settled into their classes the parents were then able to enjoy a cuppa and some yummy treats in the multipurpose centre.

---

**This Week’s Events**

**Friday 8 February**
- Icypoles $1
- Nominations open for School Council elections

**Monday 11 February**
- L6 excursion to National Gallery of Victoria

**Tuesday 12 February**
- Parents and Friends for Armadale (PFA) AGM 9.00am in the Multi-Purpose Centre

**Wednesday 13 February**
- L4 Aboriginal for a Day incursion

**Friday 15 February**
- L4 & 6 House Swimming
- Nominations for School Council elections close at 4.00pm

**Coming Events**

**Tuesday 19 February**
- L6 excursion to Chinatown

**Monday 25 February**
- L2 Lazy Town in Schools incursion

**Friday 1 March**
- L4 Buddies incursion
- School Welcome Picnic

**Friday 8 March**
- L6 Netball Gala Day

LUNCH ORDERS
Lunch orders from the local milk bar and Classroom Cuisine have resumed for 2013. The price lists and ordering details can be found on the school website in the Parents tab under Forms.

PFA – Annual General Meeting
The first PFA meeting for 2013 will be held at 9:00am Tuesday 12th February in the MPC. If you would like to be a part of our wonderfully supportive PFA team and if you might be able to spare a few hours every now and then to support the school’s 2013 social and fundraising program, then this is a terrific group of parents to join up with. Please feel very welcome to come along to this meeting and to be part of our dynamic PFA – Mish and Brigid (our new co-presidents) would love to see you there!
The PFA have also started to organise some exciting events for the year so please read the section carefully to note when these are happening.

Welcome Trisha Richardson – our new educational psychologist
We warmly welcome Trisha Richardson to our school on Tuesday mornings. Trisha is a highly experienced educational psychologist who has been working in schools throughout the City of Glen Eira for many years. Trisha came to our school on Tuesday for her first visit and after I gave her a tour and introduced her to our staff and students, she commented on how lovely the school feels and how settled and calm our students are. I am grateful to all our teaching and support staff for creating such calm classrooms – these are the perfect environments for learning to occur. Trisha will continue to support our families with their children’s learning needs and should any new parents wish to have their child seen by Trisha, there are processes and protocols in place to enable this to happen and please see your child’s teacher in the first instance. Should your child’s teacher believe that your child may benefit from seeing Trisha, please don’t be alarmed or upset if this is mentioned to you. We all want our children to be successful and enjoy a wonderful education, sometimes through developmental delay children need additional strategies to assist their learning, or sometimes children feel anxious about schools and it helps to have an experienced counsellor to speak to. I can assure you that all discussions and information are held in the strictest confidence and even I do not have access to the Psychologist files. We are indeed very fortunate to again have this support service reinstated.

Personalising the Education for every student -Learner Profile
As part of our strategic plan for 2013 we are committed to further personalising the learning for every student at our school. We remain focussed on developing our students as independent learners and reflective thinkers and an integral part of this process is to have our students in Level 2-6 shape and articulate Learning Goals which they can work towards. Our students base their goals on their own perceptions about their learning styles and attributes – how do they like to learn best; what things contribute to their learning and what they want to achieve, as well as input from their teachers about specific areas they can work on. As the person who knows your children best, your involvement is also crucial in shaping achievable goals right from the start. As part of the implementation of Positive Psychology in our school, our teachers wish to work with your child’s character strengths. Therefore, we will be sending out a notice home which details our reporting framework this year and the two formal opportunities to meet with the class teachers regarding the setting of the learning goals and through the student portfolios, how well the students have worked towards achieving those goals. Attached to the letter will be the STUDENT LEARNER PROFILE SHEET. Please fill out this sheet with as much detail as possible and return it to your child’s / children’s class teacher by February 15th. It is important that the teachers receive this in time to prepare the students for the forthcoming family conferences on March 4th and 5th where their learning goals for the semester will be set. Should you have any further queries about these learning goals please don’t hesitate to speak to me.

“NO HAT NO PLAY”
A reminder to all students to be Sunsmart at school. We have now implemented the “no hat no play” policy. So remember to apply sunscreen, wear your hat when outside and bring a water bottle to school each day.
Keeping focus on the 2013 school year
As the kids settle into the new school year, did you remember to tick off ‘see the optometrist’ on your ‘back to school’ list? Many young people experience undetected vision problems as they often assume that how they see is normal. It is estimated that 80% of learning is experienced through vision and so children with undetected vision problems can have trouble keeping up and as a consequence might become impatient, lose focus and start misbehaving or not enjoying school.

The most frequent vision problems experienced by children are those affecting the ability to see clearly and sharply. These include short-sightedness (blurred distance vision), long-sightedness (difficulty focusing up close) and astigmatism (the distortion of vision due to the irregular shape of the eye). These conditions can be very easy to correct, with a simple measure: glasses. Other vision problems need to be detected and addressed early to reduce risk of long-term vision concerns such as a turned eye (strabismus), or a so-called lazy eye (amblyopia). These conditions require management by an eye health professional, such as an optometrist. Untreated amblyopia can even lead to permanently reduced vision in the affected eye.

Incorporating regular eye examinations with an optometrist into your child’s health routine can give peace of mind and the best start to the school year – you don’t need a referral from a doctor and most consultations attract a Medicare rebate. For more information or to find an optometrist in your local area, visit www.optometrists.asn.au/victoria.

5 interesting facts about your eyes:
♦ Your eyes are made up of more than 2 million working parts.
♦ The human eye will focus on about 50 things per second.
♦ Your eyes actually ‘see’ images upside down and then they send these images to the brain where they are flipped around correctly for us.
♦ The human eye can distinguish about 2.7 million different colours and 500 shades of grey.
♦ The human eye can process 36 000 pieces of information every hour.

Hoping some of this information helps and have a wonderful week everyone.

Warm regards

Rochelle Cukier
Principal

Parking

We would like to remind parents that it is important to obey parking restrictions around the school particularly during school drop off and pick up times. It has been reported that parents are allowing children to exit from the road side of cars and a number of parents are double parking or parking illegally outside the school. Our crossing supervisors have the ability to report dangerous drivers and we are regularly visited by council parking inspectors and the police. So please model good driving behaviour and remember to keep our children safe at all times.

Level 6 Excursion to the National Gallery of Victoria - Monday 11 February

On Monday 11th February the Level 6 students will travel by train to the National Gallery of Victoria. Students will view the Asia collection and with a guide will learn about Asia’s contribution to Australia’s development. This will be a tuning in activity for our History unit on Asia.

The first group (half of 6Z and 6N) will leave at 9.15am and will return by 12noon. The second group (half of 6Z and 6W) will leave at 10.15am and will return by 1pm.

All students will need to return their excursion levy (permission form) by Friday 8th February to attend this excursion.

Robin Nicolson, Zaim Zeneli and Amanda Wilson
Assistant Principal

**Level 6 Netbooks**
The majority of our Level 6 students have now received their new netbooks as part of their 1 to 1 Lease arrangement. Hopefully next week we will have the maximum uptake and will start doing some really exciting things. I have had a few parents enquire about the cost ($90 per term). We believe this represents excellent value when all aspects of the lease such as software and insurance are taken into account. Please click the links to see a simple cost comparison chart, and a detailed explanation of the insurance coverage.

**ICT**
ICT classes have started for all levels and the children have all started to make some organisational and management improvements to their network folders, ready for saving much of their work online, as will help prepare them for a Digital Portfolio further down the track. They have also learnt about being Cyber Smart and how to use digital technologies safely and responsibly. Soon they will bring home an Acceptable Use Agreement which focuses on these behaviours. Please read through this and discuss with your child before they sign and return this to school.

**Green Team**
Once all classes have elected their Green Team Reps, the Green Team meetings will get underway and we will start a range of wonderful activities, the first being an excursion to the Royal Botanic Gardens to undertake a special minibeasts session. If your child is lucky enough to be selected for the Green Team you will receive further information later next week.

Malcolm Dow
Assistant Principal

---

**Visual Arts News**

Welcome back everybody! Please remember to bring your Art Smocks back to school if you haven’t already. If you do not have an Art Smock you can purchase one at the uniform shop in Kew.

**Visual Artist of the Week**
Luca Iezzi 2S
For the excellent grey lead drawing he did of his hands. He traced around his hands carefully and used stencils to decorate and make patterns.

**Visual Art Class of the Week 4B**
For the excellent focus the displayed during the lesson and for showing confidence when using pencil to outline their hands.

Lucy Gorman
Visual Arts Co-ordinator

**Level 1 Weekly Bulletin**
This week’s Level 1 bulletin for Foundation parents is on the website under your child’s class in the Students tab or click here.

**HOUSE POINTS**
Munro won this week’s house points. Congratulations! The reward tomorrow is Odd Socks Day for all the children in Munro.

**Visual Art Class 4B**

**Visual Artist** Luca Iezzi 2S
**You Can Do It! Awards:**

## Sports News

### L4&6 House Swimming Sports & Trials - Friday 15 February

On Friday 15 February all children from Years 3, 4, 5 and 6 will be involved in the House Swimming Sports and District Swimming trials for the upcoming District Swimming Sports. Children will be participating in freestyle and fun events in the shallow area of the pool based on fun and participation. Selected children may also be trialled in other strokes. These sports will be held at the Richmond Recreation Centre. Detailed information has been distributed to all Level 4&6 children today. **Please note that no child can attend without the signed permission on the excursion levy form.**

- **Date:** Friday 15 February
- **Venue:** Richmond Recreation Centre, Gleadell St, Richmond, Melway map 44 F6
- **Departure:** 9.00am
- **Travel:** Bus
- **Return:** 3.00pm approximately

### Sports Tops

Notices were distributed today to those Level 6 children requiring APS Sports Tops. Please return the completed form with payment ASAP.

- **Peter Cracknell**
  - Sports Co-ordinator

### The 5 Keys of YCDI! Education

Our core purpose is the development of young people’s social and emotional capabilities, including:

- Confidence (academic, social)
- Persistence
- Organisation
- Getting Along, and
- Resilience.

Central to the development of these 5 Key Foundations is instilling in young people 12 Habits of the Mind, including:

- Accepting Myself
- Taking Risks
- Being Independent
- I Can Do It
- Giving Effort
- Working Tough
- Setting Goals
- Planning My Time
- Being Tolerant of Others
- Thinking First
- Playing by the Rules, and
- Social Responsibility
Parents and Friends for Armadale (PFA)

Hi everyone,

Welcome back to our entire APS community, and particularly to those families that are new to Armadale this year. We trust that 2013 will be a happy and enjoyable year for you and your child/ren.

For those of you not familiar with the PFA, our role is to offer support to the parents, friends and children within the Armadale Primary School community. At our monthly meetings we receive many ideas and suggestions to help make life at APS more enjoyable. For the parents and friends in our community who become involved in some of our activities throughout the year, it is a hugely rewarding experience. We welcome your input at any time.

Each week in the newsletter we will advise parents of upcoming events and activities. Three important events coming up shortly are:

♦ Tuesday 12 February – PFA AGM
♦ Friday 1 March – School Welcome Picnic
♦ Friday 22 March – Prep Cocktail Party

The PFA AGM will be held on Tuesday 12 February at 9am in the multi-purpose room. We encourage as many parents as possible to attend the AGM, at which office bearers for 2013 will be elected. Everybody is welcome to attend, even if you would simply like to meet some of the parents and share a cup of tea.

Speaking of cups of tea - a morning tea to welcome the prep parents was held in the hall last Friday morning - 1 February. It was wonderful to see so many prep parents meeting each other and swapping stories about their child’s first morning at school. Some parents were eagerly sending their fourth child to Armadale while others were enjoying the milestone of sending their first. The PFA is here to assist with any support you may need, so please don’t hesitate to contact us.

Friday 1 March – School Welcome Picnic
All parents and children are invited to our annual school welcome picnic on Friday 1 March from 6pm onwards. The picnic is held in the school grounds and is a fantastic opportunity to meet and socialise with others in the school community. The children just love it and have a fabulous time. There will be supervised sporting activities for the children from 6.30pm – 7.30pm on the tennis courts.

Stay tuned for more details about the evening in next week’s newsletter and we may also be in need of a few volunteers on the night. So keep an eye out for further information, and for flyers around the school. Pack your picnic baskets, rugs, and chairs, and see you on the 1st.

Class Representatives
Each year we ask for volunteers to act as Class Representative for your child’s class. The role is a fantastic way to be more involved in your child’s class and the school community. Most importantly, it is really enjoyable and not demanding! Responsibilities include preparing rosters for classroom helpers, assisting with sausage sizzles, classroom morning teas, cocktail parties, and assisting with the Healthy Breakfast later in the year. If you would like any further information on the role, please don’t hesitate to contact us to discuss. The first Class Reps meeting for the year will be held in the next few weeks – details will be advised shortly.

If you are interested in being a Class Representative, then please come to the AGM next Tuesday after drop-off and put your hand up or complete the form on our website – armadaleps.vic.edu.au – under the “Parents” and then “Forms” tab.

Please return your completed form to the office by Friday 15th February 2013.

Don’t forget icypoles are for sale tomorrow - only $1

Icy Poles
The children love these! They are sold every Friday at lunchtime during terms 1 & 4. They start tomorrow – Friday 8th – and are a bargain at $1.00 each. Simply send the money with your child every Friday.

Ilan Lock
We would also like to share our great sadness at the passing of Ilan Lock over the summer break. A much loved member of our community greatly missed by all. We send our heartfelt thoughts to his family and friends at such a difficult time.

That’s it for our first newsletter for 2013. Remember, we are here to offer support to all parents, friends and children within the APS community. If you have any queries, comments or suggestions for improvement, please don’t hesitate to contact us at any time.
