Dear Parents,

What a fabulous day all the students had on Monday at the Year 3-6 House Athletic Sports at Duncan MacKinnon Oval. The weather gods were very kind, although it was very windy, at least it didn’t rain. The students were thoroughly enjoying the various sporting challenges and they all performed to the best of their abilities. I loved witnessing the wonderful sense of camaraderie as each of the children hugged and hi-fived each other as they completed their events. Congratulations to Munro House for winning the Athletics Carnival and special congratulations to all those children who did so well in their individual events and relays that they now progress to the next stage.

On behalf of the entire school community I would like to extend our thanks to Peter Cracknell for his great organisation and execution of the day, to all the staff who spent the day on the track and to those who went especially early to set up and to all our wonderfully supportive parents who were able to make the time to help out on the day, we are very grateful. Please look through this newsletter to see some fabulous photos of the carnival.

Congratulations to David Portnoy and Georgie Handbury!! At our recent School Council meeting, David Portnoy (Dad of Nina Prep S, Charlie 1/2P and Nate 3/4M) was elected our new School Council President and I congratulate David on his appointment and look forward to working with him to continue to shape the direction of our school. David’s promotion to the Presidency role left a vacancy in the Vice President’s role. Thankfully Georgie Handbury (mum of Tommy 3/4W, Jack 1/2E and Chloe Prep C, volunteered and her nomination was thoroughly endorsed by all of the school councillors. I look forward to working with Georgie in her role and feel very blessed to have such a dedicated and supportive School Council. Please make sure to congratulate both David and Georgie when you see them around our school.

Parent Opinion survey
On Monday and Tuesday, parents who were randomly selected to participate in this survey, collected an envelope which contained the survey form and a return envelope. I would like to thank all of those parents for their considered feedback, it is greatly appreciated and just requesting that all survey forms are returned to school by Friday August 1st.

### Prahran Secondary School Community

**Forum Thursday 31st July at 6.30pm (TONIGHT)**

**Held at Stonnington Primary School, Hornby Street Windsor**

As many of you are aware the State Government has committed $20 million dollars to find and acquire a suitable site for a secondary school in Prahran. Liza Chancellor and I attended a Project Working Group meeting on Tuesday afternoon at South Yarra Primary School. Clem Newton - Brown is hoping to secure a site before the end of this year which means realistically they could have a Year 7 intake in 2016, which would be a fantastic option for our community.

Clem invites all Armadale parents to attend this community forum at Stonnington Primary and I look forward to seeing as many of you there as possible. It would be wonderful to have our voice heard!

### Parent / Teacher/ Student interviews

Thank you to the many parents who were able to make the time to attend these 3 way interviews on Tuesday and also to the Prep parents who had one to one interviews with the Prep Teachers. Whilst I acknowledge that many of you feel frustrated by the somewhat generic nature of our department reports, I hope you found these interviews to be informative and that you gleaned a real sense of where your child is at. Importantly also was the focus going forward for the next semester and where the children can specifically improve, be extended and challenged.

Thank you also to all my teaching staff for the time you put into these interviews, for your preparation and the ongoing communication and information that follows these.

Could parents please email me with some feedback regarding these interviews and advise me whether you found these to be productive, informative or otherwise. My email is: cukier.rochelle.a@edumail.vic.gov.au and I appreciate the time that this will take.

### Funding for our school – plea for help

You may have recently been aware of the press release from Michael O’Brien’s office which flagged that Malvern Primary School recently received $3.9 million to help with their buildings, maintenance and grounds. Whilst I am very pleased for Richard Bennetts at Malvern Primary, we unfortunately haven’t received anything at all from the government since our MPC was built in 2011. We have to find extra money for all our own maintenance and grounds and anything at all we wish to improve. Our PFA does an outstanding job of fundraising for our new synthetic grass which will be installed during the September holidays and I believe we do a wonderful job with the resources that we have.

But we can’t continue to improve without your help. May I please request that parents who owe the ESSENTIAL EDUCATION ITEMS to the school since the beginning of the year please pay these as the school has already purchased all the materials on your child’s behalf. A reminder account will be sent home shortly. May I also please ask parents to reconsider any voluntary funds or contributions which have been overlooked this year and to please pay these. When you think that an independent setting charges a child’s tuition fees at $20,000 per year plus they receive government funding on top of that, it is amazing that our education provision is as excellent as it is.

Thank you for considering this plea!

Have a wonderful week everyone.

Back So Soon!
Yes 2 weeks does go very quickly. My short Long Service Leave trip up to Magnetic Island in Queensland now seems like a distant memory, but I did have a very relaxing time and feel recharged for the remainder of the year. I am just hoping the weather warms up a little bit soon; it’s hard to reacclimatise so quickly!

Our Next Big Project
I am pleased to report that on Monday School Council approved the next stage in our Greening of Armadale project. This will involve removing the mulch from under all of the junior play equipment and replacing it with rubberised shock pads and then the whole area will be covered with synthetic grass. To top it all off we will replace the aging cyclone wire fence on Northcote Road with a more attractive and stable new fence and gate. School Council believes this project will really enhance the whole area and make the play area much safer and more enjoyable for the children to play in. Of course these projects are never cheap and the combined cost of this work is almost $70,000. We are confident the great fundraising activities organised by the PFA this year will help to pay for this great project. All going well the work will begin in the September holidays and be completed early Term 4.

Book Week 18-22 August
Our very popular Book Week is getting closer and we are all getting excited about what we have in store. Brett is busily organising the activities this year and it looks great. Keep an eye out for Brett’s newsletter items over the next few weeks to let you know exactly what is happening when. Please note that due to an oversight on my part, the Book Week Levy of $12 was not included in the Term 3 Excursion Levy for each year level. I hope parents won’t mind if we put that charge onto the Term 4 levy as a charge in arrears.

Melbourne Water Kids Teaching Kids Conference
I am looking forward to taking a select group of students to the Melbourne Water Kids Teaching Kids Conference today and tomorrow at Etihad Stadium and Collingwood Children’s Farm. It should be a great experience and I will get some of the attendees to do a report for next week’s newsletter.

House Athletics 2014
What an exciting day! Congratulations to all the Year 3, 4, 5 & 6 children on Being Their Best throughout the day at the eight events. A huge thank you to all the staff and parents on their great assistance setting up and smoothly running all the events. Special thanks to the House Captains of Northcote, Munro (winning house), Rose and Densham together with the Sports Leaders and ICT Leaders for their fantastic leadership. It was also great to see other parents and families supporting their children’s efforts.
There are more detailed reports being prepared and we hope to have a photo presentation at our next assembly.
Thank you everyone on a great team.

IMPORTANT REHEARSAL INFORMATION
SEPTEMBER 7TH REHEARSAL
Without realising, I’ve scheduled a rehearsal on Father’s Day! Please disregard and enjoy your day with your family. Instead, the full cast rehearsal will now be SUNDAY AUGUST 31ST FROM 10AM - 4PM (the week earlier).

ENTERTAINERS
Entertainers ONLY attend rehearsals that have ‘ENTERTAINERS’ written in capitals, followed by their group name. Entertainers only rehearse every second Tuesday and every Thursday lunch.

PARENT HELP NEEDED AT FULL CAST REHEARSALS
If you have any time spare and have a working with children check, we would truly appreciate a hand at any of our full cast rehearsals (both after school and on weekends). Are you able to help? It will be a great opportunity to have a sneaky peek at the show!

Please let me know if you have any questions or problems. Make sure you check out the Facebook page for some sweet little videos and photos! Search: ‘Peter Pan: An Armadale Adventure’. Happy watching!

See over the page for the Peter Pan rehearsal times for the remainder of this week and for next week.
Book week 2014: Connect to reading ~ Reading to connect

This year’s Children’s Book Week artwork has been created by **Ron Brooks**, winner of the 2013 Picture Book of the Year Award. Ron has used a scratchboard technique and quality ink colouring to create a piece that will resonate with all ages.

The addition of Ron Brook’s unique typography invites the viewer to actively interact with the artwork and respond to the slogans.

Connect to reading is about enjoying the experience of exploring story, and travelling to other worlds. The reflected slogan ‘Reading to connect’ has a broader social meaning, suggesting that reading assists in creating a bond with others. Within the world of the contemporary child, this is also relevant as they read books and they read to connect through a variety of media.

Book Week Parade Time to get those costume ideas going for our annual book week costume parade!

After school borrowing is on every Thursday after school for students to return and borrow books if they did not get a chance during the week. Parents are also welcome to attend and borrow in their child’s account.

Red Bags: New bags are available at the office for $10.00, 2nd Hand ones can be purchased for $6.00.

Happy reading.

The book fair will this year be run in the library! The Book Fair will arrive on the 14th of August and depart on the 21st of August. This will be a great event and a good time to get cheap books! More information to follow in the coming weeks.

Artist of the Week: Emily Start 1/2K

For the excellent effort she made when drawing patterns for her Mythical Creature. Keep it up Emily!

Visual Art Class of the Week 1/2A

For the excellent knowledge they displayed of Australia’s National animals and for the wonderful Mythical Creatures they made.

Art Smocks

A number a students still do not have an art smock. If you do not have an art smock please make sure you get one over the weekend and put it in your classroom’s art smock tub. These can be purchased from the uniform shop (PSW) in Kew. PSW (Primary and Secondary Schoolwear) Address: 12 Strathalbyn Street, East Kew, 3102

New Display Boards

A special thank you to Mr Cracknell for organising the wonderful display boards that have been put up in the hallway outside Mrs Cukier’s Office. Come and take a look at the wonderful work that is being displayed by the year 5 and 6 students.

Alternatively if you can find a smock somewhere else just make sure the material is similar to a rain jacket, the cotton smocks are not as effective. Also make sure the smock has long sleeves.

A notice will be sent home this week to students still requiring an art smock.

See example of art smock at right.

Thank you for your support.

## Our Playground

We would like to extend a **HUGE THANK YOU** to Ray Skinner and Tonga Kelly for putting up the gorgeous murals and blackboards on the shed. Along with the tree stumps, it is a lovely feature in the playground. The murals were created by the Prep students in collaboration with artist [Janet Hulme](#). In preparation, there was much discussion and exploration of minibeasts. The seed has been planted for working towards creating a more stimulating outside learning space for our students. We have noticed that the students from P-6 have loved doing activities such as drawing and measuring heights on the boards. We are eagerly anticipating the arrival of a performance stage whereby, students can display their theatrical and creative talents. The stage is being constructed by Murray, grandfather of Tom and James Coath.

## The 5 Keys of YCDI! Education

Our core purpose is the development of young people’s social and emotional capabilities, including:

- Confidence (academic, social)
- Persistence
- Organisation
- Getting Along, and
- Resilience.

Central to the development of these 5 Key Foundations is instilling in young people 12 Habits of the Mind, including:

- Accepting Myself
- Taking Risks
- Being Independent
- I Can Do It
- Giving Effort
- Working Tough
- Setting Goals
- Planning My Time
- Being Tolerant of Others
- Thinking First
- Playing by the Rules, and
- Social Responsibility
**Extra Yummy Zucchini & Cheese Slice**

**Ingredients:**
- 2 zucchinis
- 1 large carrot
- 2 rashers bacon
- 1 small onion
- Olive oil
- 1-2 tablespoons corn flour
- 1 large handful grated tasty cheese or parmesan to taste
- 3 free range eggs
- Salt & Pepper

**Method:**
1. Heat oven to 180 degrees C. Finely dice the onion and bacon and saute in a dash of Olive oil for a few minutes until onion translucent, then place in large mixing bowl.
2. Grate the zucchinis and the carrot and add to mixing bowl with the onion and bacon.
3. Add in the grated cheese and corn flour, salt & pepper and stir to combine.
4. Whisk the eggs and then toss into the bowl and coat all the ingredients (you can add an extra egg if required)
5. Line a baking tray with baking paper and pour mixture in and smooth flat to approx 1-2 cm high.
6. Cook for approx 20-25 minutes until top is slightly golden. Slice into squares.

A good side dish to a main meal or cold the next day in the lunch box.

**GOURMET GIRLFRIEND’S SPINACH SLICE**

**Ingredients:**
- 4 Eggs
- 2 rashers bacon roughly chopped
- 1 onion, sliced
- 1 cup grated cheese- inc. Parmesan if you like
- ½ Cup Self Raising Flour
- 250g pack defrosted spinach (squeeze the fluid out so it doesn’t go too soggy)
- Optional: tomato slices for the top
- Optional: Goats cheese or feta for the top

**Method:**
1. Preheat oven to 180 C.
2. Mix all the ingredients together in a bowl.
3. Grease a baking dish with olive oil and line with baking paper.
4. Pour ingredients into the dish, top with tomato slices & goats cheese if using, then bake at 180 C for about 30 minutes.
5. Cut into slices and serve.

---

**MUNCHIES**

- 125g butter, 2 Tbsp water, 1 Tbsp golden syrup, 1 teasp. bi carb soda 1 cup rolled oats, 1 cup sugar, 1 cup coconut, 1 cup S.R. Flour, 1 cup sultanas or ½ cup sultanas and ½ cup walnut pieces. Optional, you can add choc chip bits instead.

Place oats, sugar, coconut, flour and sultanas in bowl and mix together. In a saucepan, melt butter with water and golden syrup, add bi carb and mix until it froths. Pour over mixture in bowl and mix well. Press evenly into lamington tin and bake for 15 - 20 minutes in moderate oven. Should be a lovely golden colour. Leave to cool for about 5 minutes before cutting into squares or fingers. Important to slice while still warm.
Hi everyone

It’s a busy next few weeks in PFA land. We urge you to help raise funds for more safety sponge-based synthetic turf for our play areas by responding to the following initiatives:

**Herb Drive ends August 8 – Start planting, gifting or selling today!**

**Trivia Night Friday August 22 – Hamper time!**

**Our first-ever Herb Drive.**
We’ve heard stories of selling herbs to happy retirees, stories of window-sill success and stories of appreciative neighbours. It seems Dentists are the only unhappy group as appointments for chocolate related cavities have been reported as low. Please return your monies and any excess herbs you don’t wish to keep (unbelievable!) to the office by Friday August 8.

**Trivia Night Friday August 22.**
Have you donated to your class hamper yet? Why not? Please donate a new item and/or service so we can start making up hampers. Goods can be donated to the classroom box or the office. We have already received some wonderful things so get on board today.

Rumour has it a certain trivia fanatic (yes, you know who you are) is madly studying the Net for all things trivia in order to clinch a victory this year, while a past winner who has made a sea change and no longer at APS will be returning to defend his title.

Invitations will be in bags next week so get your winning table ready. Competition will be tight, especially when our teachers get involved so don’t miss out, organise your table of 8 and nominate a table leader. Start planning today.

A little reminder as to your year level hampers:

**Preps and Level 6 – A Book Hamper**
Any and all NEW books: coffee table, fiction, non-fiction, child and adult, photographic, educational or perhaps a book voucher.

**Level 1/2 - Beauty Hamper**
All things beauty and pampering: hair, skin and nails, moisturisers, manicures and facial vouchers. Nail polish, make-up, bath oils and the like, as well as hair products.

**Level 3/4 - Food Hamper**
All things gourmet: chutneys, jams, mustards, fresh pastas and biscotti, infused oils, vinegars and exotic sauces. Tongs, mitts and utensils.

**Level 5 – Wine Hamper**
All things sommelier: cab sav, sav blanc, sparkling, champagne, red sparkling, riesling, shiraz, dessert ‘sticky’… you know the drill.

JMF Kids 4 Kids Challenge

My name is Tiffany, I am Markis and Alexie’s mum and was fortunate to be able to present to your children in assembly this week. I work for the John Maclean Foundation www.jmf.com.au where we raise money for little Aussie’s in wheelchairs and grant them equipment that enables them to remain as active and included in everyday life as they can.

One of the fundraising events we run every year is the JMF Kids 4 Kids Challenge which is a fun and active way for your children to work towards completing an Ironman Distance Triathlon over a 4, 8 or 12 week period. Every week your kids swim, bike and run a little whilst logging their km and raising money to grant little wheelies out their the basic equipment they need.

This is not a race, it is about encouraging healthy lifestyles in our children and giving them a goal with the knowledge they are helping other children their own age. KM’s can be logged whilst playing weekend sports like footy, netball, basketball or whilst riding to school or taking swimming lessons. It is all about giving it your best shot.

At the conclusion of the program all participants are invited to join the Foundation at the grant presentation where they will be awarded their T-Shirts, presented their medals and finishers certificates and most importantly meet the children and the families the money they have raised has helped.

Parents you may have noticed a very colourful flier come home in your children’s bag that talks about JMF Kids 4 Kids Challenge. The 12 week Program commences this weekend. Alexie and Markis would love some friends to join them on this journey. Please feel free to contact me at Tiffany@jmf.com.au

Oh and there are four Specialized bikes and helmets plus Brooks running shoes to win. Just in case a little incentive is needed. I look forward to hearing from any parents who are interested.

An important message from Stonnington Police

A burglary has occurred in the vicinity of your address

The majority of Burglaries occur during the day. Items stolen include cash, jewellery and electronic devices. Door and windows are the common point of entry and in 20% of cases these have been left unlocked and/or open.

To protect your home and possessions there are things that you can do:
- Lock all doors and windows even if at home and use quality locks
- If you have an alarm system, use it
- Lock side gates and prune all plants near windows
- Lock garden tools in the shed or garage
- Identify all valuables by recording model and serial numbers
- Photograph jewellery for later identification
- Get to know your neighbours and keep an eye on each other’s homes. Observant neighbours can reduce prowling, loitering and theft by reporting suspicious people or vehicles to Police

Please report any activity or person that might be considered suspicious to Police by calling 000.
