Dear Parents,

A very warm welcome back to Term 4! I hope you all enjoyed the time with the children, the sleep ins, the time to relax and take things a bit easier. My husband and I enjoyed a week at Hervey Bay in Queensland, whale watching and spending time exploring Fraser Island and sites along the Southern Great Barrier Reef. It was wonderful to escape the windy, rainy weather in Melbourne. But I was equally excited to get back to school and see the changes that had taken place in our grounds, the new soft fall grass, the revamped sandpit, sunken garden and our new fence along Northcote Road. I am thrilled with our new playing spaces and it was a delight to see all the children rolling, touching and lying on the grass on Monday morning.

Thank you to both the Facilities and Finance sub-committees which enabled the entire project to go ahead and of course our hard working PFA which helped to raise the funds to make the project a reality. Lastly, but certainly not the least, our entire community for your generous donations and support of all of our fundraising to date and that which is still to come, the Fun Run which will enable us to pay the bill which amounts to approximately $70,000.00 – a great combination of school funds and community fundraising.

Welcome to new families and returning students
We are delighted to welcome Tom Ypinazar (3/4J) and his twin sisters Ava and Lily (1/2P) into our Armadale community and welcome back the return of Indiana Mackenzie (3/4M) Freddie and Priscilla Moffat, Harry and Will Atwell and Samuel Harris.

Welcome to new and returning teachers
We welcome to our school Allira Zeneli to teach 3/4J and Cindy Delaurier who is teaching 1/2D. We are also delighted to welcome back Mary Rodder to teach 1/2P during Jennie Pearse’s absence.

Speedy recovery Mrs Pearse!
We were very sad to hear that Jennie Pearse had a nasty fall at the end of the holidays and suffered a broken hip. After a successful hip replacement, Jennie is now recovering well and on behalf of the entire school community we wish Jennie a most speedy recovery and look forward to seeing her back on her feet!

Fun Run
I can’t wait for next Thursday 16th October when our whole school will once again participate in the annual Fun Run. I hope the weather will be glorious and the children enjoy all of the activities and the fun.

Please continue to support the children’s collection of sponsorship monies, so our next project for the children can stop being a dream and start to become real!

Students in Prep–Year 5 who will be leaving at the end of this year

We are starting to determine our grade structures for next year and it is crucial that we are advised of students who are going to another setting at the end of this year. Please send me an email or drop a note into the office informing the school. Thank you for your co-operation with this matter.

Peter Pan $10 charge on Term 4 Excursion Levies

Students who are not in the play, Peter Pan Junior, will have the opportunity to watch the full dress rehearsal performance on Monday October 20th at Phoenix Theatre. The $10 charge is to cover the cost of the buses to transport the children. For those children who are in the play and are therefore being dropped off by their parents, could parents please cross out the $10 charge when paying the excursion levies.

Whole School Photo

This is planned for next Wednesday morning and it will be great to see all the children here on the day bright and early in the morning and in their summer uniforms.

Exciting things happen at Armadale Primary

It is going to be an incredibly exciting term with so many extracurricular and co-curricular activities happening. But I would like to assure parents that learning and growth and consolidation of knowledge and skills continue to be the core business of our school. All of our teachers are masters at juggling a crowded curriculum and the evidence of student learning is supported by our outstanding teacher judgements and external results through a number of avenues and competitions.

Enjoy your week.

**New Synthetic Grass Area and Fence**

By now many of you will have seen the new synthetic grass area under our play equipment, as well as an upgraded sandpit and garden area. The new fence has been delayed slightly but should be installed in the next two weeks. I’m sure that everyone will agree that it looks fantastic and the children have been unanimous in their approval of it. It is great to see so many of them using the area for just sitting around in a group and relaxing and chatting, a little luxury that we haven’t been able to do as much up until now due to all of our hard or mulched surfaces. This project, including the new fence was made possible due to the very hard working parents in our PFA group, who have fundraised throughout the year, including the Fun Run next week.

**Walk to School Month**

Hopefully your child may have talked to you about Walk to School Month – a promotion by VicHealth and Stonnington Council. We are encouraging all of our students to try to walk to school as much as possible during October, and if you live too far away, to try to park somewhere and walk part way. It fits in very well with our focus on sustainability and health and dovetails well with the work we do with Bicycle Network to promote cycling. In each case we are happy with any form of active transport, so if your child prefers to ride or scoot during October, we are happy to still count them on our checklists.

In ICT we have used Google Maps to chart a good walking path to school, and have talked about meeting up with friends along the way so that they can walk together, creating their own little Walking Schoolbus. We hope that in doing this children and adults will find how enjoyable it is to get out and enjoy the open air and exercise when coming to school.

**5 Star Sustainability**

On the last day of term we had a visit from Sustainability Victoria to do a final walk around as part of their assessment of our school to see if we are worthy of 5 Star Sustainability status. The assessors seemed quite impressed with what we have done, especially in the area of becoming 100% Nude Food, so now we will just wait for an outcome. I will make sure everyone knows as soon as we are informed.

**Gardening News**

This Sunday is the Stonnington Spring into Gardening day at Victoria Gardens on High Street Prahran. Please click [this link](#) for more information.

There will be lots of cool information, demonstrations, entertainment, but more importantly, every person (adult or child) can collect two free punnets of seedlings on the day. In the past these have included lots of tomato varieties, all the summer herbs, capsicums, and various chillies. There are also succulents.

If any Armadale Primary families collect their seedlings, and are not using them at home, could they please bring them along to school? Our gardening clubs will be very grateful.

Vita Vampatella
Dear Year 4 Parents and girls,

With the growing popularity of girls' football, Prahran Junior Football Club is hoping to register an U11 girls' team for next season, 2015.

The club registered an U13 girls' team this year and it has been extremely popular and successful... they won the Premiership!

The Southern Metro Football League (SMJFL) has introduced a girls’ football league and have now appointed a female to run the competition in a full time capacity.

The matches take place on Sundays with training on Friday afternoons at Toorak Park. We are seeking interested girls!

Please let me know if your daughter would have any interest in playing football next year.

We would need at least 20 girls to establish a team.

Other PJFC mothers from other schools in the local area are also recruiting so it will also be a great way for the girls to meet and make friends outside of school.

Please pass this information on to any other interested parties.

Look forward to hearing from you.

Kind regards,

Jane Hayman (Claudia’s Mum)

In the hectic excitement of Peter Pan, the Performing Arts updates have fallen a little behind! Here is a recent summary of the amazing performers at Armadale Primary School.
On Tuesday the 7th of October there was a full cast rehearsal of Peter Pan. It started off well with everyone remembering their lines. It was an amazing show even though it was a rehearsal. Everyone was performing with great enthusiasm and great expression! They had really convincing facial expressions and the voices matched their characters. The backstage crew did a great job this rehearsal making sure everything ran smoothly. There are more rehearsals coming up, so make sure to look at the coming newsletters for more inside information on Peter Pan!

Hi everyone

So many sparkling bags in the yard, so many clean and fresh library and book bags... Martha would be so proud!

Welcome back everyone to what will be a fun-filled and very busy countdown to Christmas.

Save and mark these dates in the diary:

- APS Fun Run – Thursday 16 October 9.00am-12.30pm at Romanis Oval
- Extra Long Weekend – November 3&4 Student Free Days
- Family Fun Night – Friday 21 November
- Icy Pole Friday – Back! Each and every Friday

“Tomorrow” – so who’s on board to be pitcher for 2015?

“Who’s” on first? Icy Pole Fridays are BACK! If you feel your child deserves a sticky treat for hard work, homework or helping out, or if you think they should fund their own, then chat this Thursday and organise a $1 coin for Friday recess. See our most special Janine for a treat at recess.

“What’s” on second? Nicki B has hit the ground running with all things Fun Run! Please see her special section on page 8 but please don’t forget to try for 5 sponsors per child and to return your forms asap so we can process them to enable your child a chance to win a wonderful sports-based prize. Who doesn’t love the chance to win? No past Fun Run winner for sure?

“Who’s” on third? No it’s our favourite thespians: award winning director (Lisa) and producers (all our wonderful teaching staff) of course! I think there are still some associate-producer parent positions that need filling. Parents, carers and friends please respond to Lisa asap for these coveted roles. More on this in Lisa’s special section on page 5.

So, “Why’s” in left field? Why not? Why not have a fantastically fun family night? Sushi, sausage sizzle, with burgers perhaps! Have an end of year chat with friends as the kids enjoy their new spongey synthetic turf and Infant Hall play area re-spruce. My kids were so excited this week one actually jumped from a rope and landed on her bot “to check out the complete sponge-ability factor”. No serious injury except hurt pride but not to be encouraged I think.....

“Because” Centre Field is so much fun, we are confused that “Tomorrow”, our new pitcher hasn’t jumped on board yet...

You can earn top Marxx this year by volunteering. Become the next President for 2015 or perhaps take on a PFA committee role. Throw your hat in the diamond, have some fun and reap the rewards. I live by a saying my first boss in advertising shared with his team (and some of you will know it very well) “Use your resources to make things happen”. I have taken on board this wisdom and I hope you might be inspired too. The PFA is exactly that – Parents and Friends of Armadale. Please parents and friends, get together to form a new team for 2015. It’s not a hard role and nor is it time consuming but it is rewarding as evidenced everyday by our children in their upgraded play spaces.

Contact myself, Brig, Rochelle or any of our wonderful staff to “make things happen” for our kids in 2015.

Experience The Magic Of Hosting WEP

In July our exchange student, Toon, joined our family. And when I say joined he literally did that. He has become my teenage son. Our experience as a family has been amazing and unforgettable.

Toon is leaving this week and I feel like my son is grown up and leaving home. There is nothing negative that I can say about our time with Toon. Toon has been through all sorts of things with our family. Through good times, like the birth of our new daughter, and not so good times (but nothing bad).

I would like to say my respects to Toon’s parents. They have done a wonderful job raising such a courteous, well mannered, well balanced son. We have so many fantastic stories from this exchange experience. We have enjoyed it so much that we are hosting again next July. We will have a friend for life and will never forget Toon.

Thank you WEP for the chance to meet Toon. It wouldn’t have been possible without the WEP team. Only a quick few words to show my appreciation in meeting Toon and to WEP.
