

Nude Food Monday Competition

We will be running a Nude Food lunchbox competition on Mondays every week, starting in Term 3.

We will have a trial day in the last week of this term, on Monday 25 June.

We would like each class to count up the amount of food packaging in students' lunchboxes, including lunch orders, before recess.

A google doc will be set up for each class to input their data, and we will announce the winning class each Tuesday at assembly.

*Julia C & Ivy G
Year 5*

Tomorrow's Leaders for Sustainability

On Friday 8th June, Mabi A, Lucy A, Kasim D, and Campbell A, from the Tomorrow's Leaders for Sustainability Group presented their garden design to the School Council Facilities Sub-Committee. The students' presentation was well-received by the sub-committee who have requested information about the cost and proposed plants for the design.

Students will meet with City of Stonnington Parks and Environment Staff next Tuesday 19th June at 10am to obtain advice on planting for the area, before they submit the information to Facilities. Many thanks to the students for all their hard work in preparing for the presentation.

Upcoming events
