instructions

Assembly Tuesday 29 August -Prep N

Prep N students made finger puppets in Italian lessons and spoon puppets in The Arts. A video will be played at our next assembly showing the students introducing their spoon puppets in Italian and singing the 'Giro Giro Tondo' song. Please come along to view your child on the big screen at our whole school assembly.

Year 1 & 2 students

Students have been talking about how to describe the weather in their Italian lessons, using the languages online website, Section 28, The Weather.

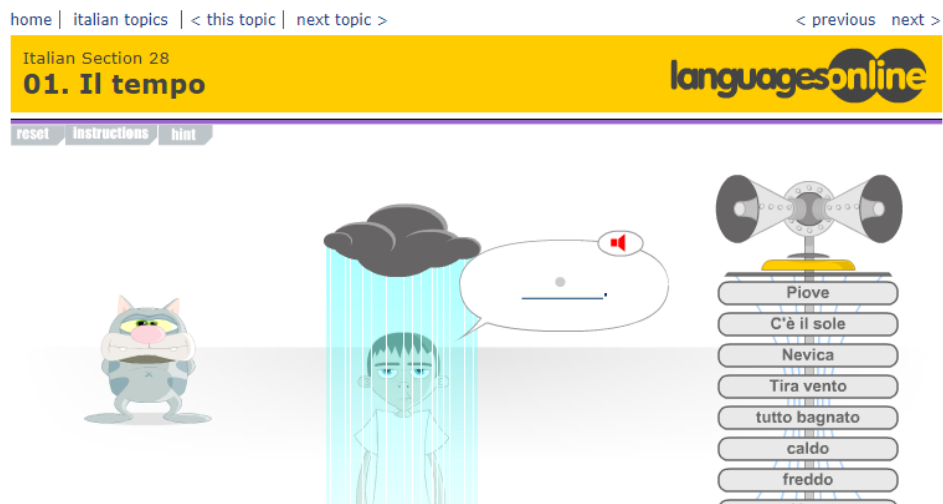

Students can use the following link to play languages online games at home.

reset instructions hint

The screenshot shows a game interface for 'Il tempo' (The Weather). On the left is a cartoon cat. In the center, a boy is standing under a rain cloud, with a speech bubble containing a blank line and a red play button icon. On the right is a weather station with a list of weather conditions: Piove, C'è il sole, Nevica, Tira vento, tutto bagnato, caldo, and freddo. The interface includes navigation links at the top and utility buttons (reset, instructions, hint) below the title bar.
