

## A YEAR OF ACTION. A WEEK OF CELEBRATION.

Enviroweek is a flexible and adaptable national schools event. Aussie kids can take genuine action on waste, gardening, energy and health projects and see the immediate impact of positive everyday choices – for them, their school and our environment.

### Enviroweek

#### Clean up your area competition winners - Prep students

Mrs Cukier judged the competition and she declared Preps the outright winners with the cleanest area in the school. Well done Prep students. They will have an extra 10 minutes play as their prize.

#### Armadale whole-school clean up areas

## Salad Bar

Students ate their veggies at the salad bar held yesterday at recess. They enjoyed stir-fried vegetables on flat bread, harvested, prepared and cooked by students in 1Z, 2J and 2S (with lots of help from parents and staff). Thanks to, Anne (Henry 2S), Bec (Lachlan 2J), Pam (Finn 2J), Liz (Ben 2J), and Pina and Rosa.

Year 1's and 2's cut and washed vegetables and made them into a salad on bread. We put parsley, spring onion and kale in our salad. Tables were set up near Mrs Brown's classroom and it was free at recess. It was very healthy and delicious, most people liked it. Everyone had fun eating it!
