

Year 2 Term 1 Week 4 Bulletin

It was lovely to see so many parents at our Meet the Team evening Monday night. Some important information to follow up from the evening...

Parent/Teacher Conferences

Conferences will be held on Monday and Tuesday March 5th and 6th.

Please make a time on Compass.

Student Learner Profiles

This week we distributed Student Learner Profiles. We kindly ask that these be filled out and returned by Friday March 2nd.

Enduring Understanding

Our big idea for this term is centred around '*What I say and do affects more than just me*'.

Our smaller lines of inquiry include;

- ◇ *What effects do my actions have?*
- ◇ *What effects do my words have?*
- ◇ *How can we use our words and actions to help our learning?*

This focus is based on personal and social capabilities and will involve exploring our school values in depth which are Kindness, Respectfulness, Learning, Honesty and Excellence as well as helping children understand the importance of empathy, gratitude and mindfulness.

Children experience many things at school that impacts on the way they feel. Helping children to see and hear other perspectives gives them the opportunity to develop greater empathy and understand how their own actions and what they say can be interpreted differently by others.

We encourage you to have regular discussions with your child about their experiences at school and, if the need arises, and you have a query or concern, please address this with your child's classroom teacher.

We look forward to further discussions at the parent/teacher conferences,

Year 2 Team
