

# Year 2 Bulletin

## Term 1 Week 5 Bulletin

### Parent/Teacher Conferences

We look forward to seeing you all at the parent/teacher conferences next Monday and Tuesday. Please ensure you have made a time on Compass. In addition, please ensure you have completed and returned the student learner profiles by this Friday March, 2<sup>nd</sup>.

### Garden Area

As you may have noticed, the area outside of 2Z and 2E is being redeveloped into a garden area. There are bricks that still need to be cemented and the children are aware of walking safely in this area. They have also been assisting with this area during investigations. Please take care when entering and exiting the school grounds from the Densham Rd entrance.

### Headphones

Could you please ensure your child has their own set of headphones in their school bag each day. Headphones are often needed during Investigations and Digital Technologies and it would be helpful for children to have access to their own pair when needed.

### Donations

We welcome donations of the following:

- ◇ rocks
- ◇ shells
- ◇ packing materials-eg bubble wrap, foam pieces
- ◇ bottle tops and lids
