

Prep

Term 4, Week 2

Our Enduring Understanding:

'The seasons affect how the world works'

If your child has any texts related to the seasons, please send along to school.

Some things we are learning about:

Describing position and movement through using appropriate language, e.g. *in, over, under, through, beside*

Exploring subtraction

Likely and unlikely events

Including detail in our writing/drawings

Writing for a purpose, e.g. a set of instructions

What you could do at home to support this learning:

Design an obstacle course and have your child give directions using positional language

Have your child write a letter to a school friend or family member

Talk with your child about Italian Day and what they enjoyed

A snapshot of the term:

It is going to be another busy and action packed term!

Some of the activities/events to look forward to include:

- *Yoga*
- *Hip Hop showcase*
- *Fun Run*
- *Swimming*

Italian Day:

Italian Day was held this Wednesday and the students really enjoyed the opportunity to experience some Italian culture. We busted a move with some fun Italian dancing and tried some lovely pasta. We tested our skills with giant soccer and bocce and cooled down at the end of the day with some delicious gelato. Thank you to all those parents who came and helped on the day.

Yoga:

Yoga commences tomorrow **Friday 20th October** and will be held each **Friday**. We recommend that your child wears shorts or leggings on this day.

Hot Weather:

Students will need to wear their school hat for ALL outside activities. Please ensure that your child's hat is clearly labelled. If your child does not have a hat, he/she will be required to play under the large tree outside the MPC.

As the weather warms up it is really important that you send your child to school with a water bottle and sunscreen on.

Garden Beds:

The garden beds outside the Infant Hall are looking a little bit sad. It would be wonderful if any parents who had some time before or after school could give them a little spruce, especially as we are coming into warmer weather.

Parent Helper Roster:

The Parent Helper Roster will be displayed on the Communication board outside the Infant Hall tomorrow, Friday 20th October.
