

Grade 1 Bulletin

Term 1 – Week 1

It has been a great start to the school year. The children are very settled so far and we are enjoying getting to know each other.

Our enduring understanding:

‘Understanding ourselves and others helps us to become better learners’.

This unit will enable our children to explore what helps them to learn and what hinders their learning.

Medication/Action Plans

Can you please ensure any medications/epipens are current and that your child’s teacher is notified of any relevant information.

There are a few things we need:

We would very much appreciate any playdough that people can provide.

There is a cupboard in need of decoration, so we would welcome anyone’s interested in helping.

Also a canvas which needs preparing....

Reminders:

Please encourage your child to be responsible for bringing their hat.

Bags to be placed outside classrooms in the mornings.

Thanks,

Connie, Jenny, Allira and Pauline
