After a minor setback (Jenny forgetting!) the grade 1/2 bulletin is back on track.... Thank you to all the parents who have managed to come into the classroom to assist with Yellow Box, reading and Investigation sessions. If you can help please place your name on a roster outside your child’s classroom.

Maths this week...

Mapping and location language.
Left, right, down, up, across, below, above, diagonal, turn, under, over...
You might like to make a treasure map or create your own treasure hunt.
Great fun for all the family over the long weekend!!!!

Reading Tip 1
Ways to support your child’s reading at home....

Tell your child the title of the book that you are reading together. This will help to clue them into what the book will be about. It will also give them ideas about the types of words they might encounter. For example, a book called ‘Snakes and Reptiles’ is much more likely to have the word ‘lizard’ than the word ‘lemon’.

Please read with your child/ren every night and record their reading in their yellow log book (gr 1)or file (gr2). Reading daily is your child’s homework task and we encourage you to support this. Reading to, with and listening to your child read are very important at this age.

Have a great week..

Jenny, Pippa, Pauline, Colleen, Mat and Jennie

Mini Olympics

On Tuesday the children all enjoyed the Mini Olympics Day. We saw many different countries and sports being represented during our Opening Ceremony that morning. Despite a chilly start to the day the weather definitely improved for the younger children in the afternoon. They enjoyed taking part in a variety of activities such as soccer, basketball, tug-of-war, boxing, hurdles and fencing.

Grade 1 Buddies

The grade 1 children had their first buddy session with the grade 4’s yesterday. They quickly got to chatting and finding out about each other. The grade 1’s and 4’s will be teaming up for several activities throughout the year. We are all looking forward to our own mini sport morning with them next week. They have also been planning a treasure hunt for us...

Call out for shoe boxes

The grade 2’s would appreciate some shoe boxes for a mapping activity...
