Dear Parents,

We were thankfully able to still conduct some of the activities planned on Tuesday to commemorate the school’s first day of opening 130 years ago, but unfortunately not the whole school photograph due to the wild and woolly weather.

Amy Sorger, (Claire in 3/4C) our landscape architect on School Council chose a lovely pin oak for our commemorative tree and in autumn next year, it will have crimson rusty red orange leaves that will be a highlight against our new synthetic grass. Please look out for next week’s Stonnington Leader which will feature Stephanie, Tilly, Winnie and Will with shovels in hand ready to plant that tree. Thankfully Malcolm was on hand to do all the heavy work!

It was wonderful to hear from our school leaders and our School Council President, David Portnoy deliver speeches as the tree was planted in the ground. David spoke about visiting Melbourne for the first time 20 years ago where friends of his spoke fondly about the local primary school their children attended and David found out that it was APS. During that time, life took David back to the UK and other countries where he finally met Jane, they married and had 3 beautiful children. Who would have thought that 20 years later since his first visit to Melbourne, David and Jane’s children all attend Armadale PS, they live in Armadale and now he is the School Council President! I asked all the children at the tree planting ceremony to make sure that they all come back to see the tree in 20 years time, when the school will celebrate its 150th Birthday and to see how big it has grown.

Our whole school 130th photo has been postponed until late October when Hayley Durack, (Olive in Prep P) has returned from her project work in San Francisco.

Working Bee
Thank you very much to all the parents and children who were able to make it to our working bee on Saturday. Many of the jobs Malcolm had down were completed and the school looked absolutely fantastic at the end of the morning. Please read Malcolm’s section for all the personal thank yous and acknowledgements and I was delighted to see so many of the children helping out as well.

continued over page...
I would particularly like to acknowledge the help of Freddie Tremlett 1/2P who worked like a trojan right throughout the morning and I was thrilled to have the help of Violet Johnston, Saskia van Beek and Sasha Bindley who assisted me with the morning tea.

Parking out the front of the school
The parking officers have been very efficient of late and I encourage all of our community to be very cognisant of all the parking restrictions. You don’t want the morning drop off to become a needlessly expensive affair.

Dog droppings in the school ground
We do not allow dogs to enter our school grounds but recently we have had a number of unfortunate incidents with children who have stepped into dog droppings which have been camouflaged by the tan bark! Could I please request that if any dogs inadvertently come into the school and they “go to the toilet” could their owners please pick up their droppings?

Italian Day
Our whole school community is looking forward to a fantastic Italian Day tomorrow and I know the children are very excited. Thank you to Vita Vampatella for all her amazing organisation of the day and all the activities which have been organised. Thank you to all the many parents who have volunteered to help and all the teachers who have supported Vita with all the rehearsals. I know I can’t wait to taste all the fabulous food and having a gelati at lunchtime!

If parents can make the time, please join us for our Italian day celebrations starting Friday morning.

Next week
Our final week for the term is next week and the school will be dismissed on Friday 19th September at 2.30pm. We will hold our final assembly at 1.30pm in the MPC, therefore there will not be our normal assembly next Wednesday.

Have a wonderful week everyone.

Rochelle Cukier
Principal
Assistant Principal

Working Bee
What a beautiful day we had for our second Working Bee for the year. And what a fantastic turn-up we had. All our required tasks were completed and then some. It was wonderful to see so many of our students there as well and really contributing to the workforce. My thanks go to the following: Spencer & Edward Millear, Emma Guymer, Daisuke Kobayashi, Sam, Emily & Charlie Atkins, Fiona Bonthron & Robert, William & Martin Strangward, Tim & Sasha Bindley, Jo, Cyrus, Aiden, Chloe & Ella D’Cruz, Sam & Lucy Hunt, Trev, Pam & Finlay Johnston, Arabella & Freddie Tremlett, Bronwen Colman, Christine Coull, Campbell & Oscar Sorell, the Portnoy family, Marc van Beek and family, Christine & Kosta Theodoropoulos, Deborah Johnson & Ray, Aaron & Yasmin Feile, John Brigette & Felicity Dixon, Nick McMahon, Laurie Conheady, Chalie Harding & Gabriel & Oliver Vogelsberger.

Also thanks to the following families for their donation to the school grounds funds in lieu of their attendance at the working bee this week: McLaughlin, Dixon (3/4S), Iezzi, Corsham, Cooper, Roufail, Lock, McGorry, Park, McGann and Hodgkinson. If you were unable to attend and would still like to make a donation for ongoing works, please complete the form on page 7.

Special thanks to Amy Sorger, who not only created the plan which helped with the placement of the new trees, but also assisted with the selection and purchase of these trees at both the Working Bee and the commemorative planting.

3/4 Camp
It was a privilege for me to attend the Year 3/4 camp last week. We were blessed with near perfect weather and the camp facilities and the program were all first class. The students’ behaviour and contribution to all the activities at camp was outstanding and they helped make it a really enjoyable camp. Many thanks also to the teachers, student teachers and support staff who put in so much time and effort to ensure that the camp ran so smoothly. Special thanks to Mat Sweetlove who did the bulk of organising for the camp. I’m already looking forward to next year’s camps.

RSS Awards
Seven of our senior Green Team offered many weeks ago to help make a presentation that we could take to the Resource Smart School Awards on Monday. We had been invited by the organisers to present the story of how we became a 100% Nude Food School. The students worked over many lunchtimes to perfect the presentation and then rehearse it. Monday was the big day and the team did a fantastic job presenting this to a large audience of students and teachers. We have also been invited to present our story to the Port Phillip and Bayside Sustainable Schools Festival. We are there today presenting and I am sure it will be just as successful. Perhaps one day we can present it to the school assembly as well. Many thanks to the following students who have made a great contribution to our presentation:

Anais Herbaux, Blayke Sheean, Riley Thompson, Nate Portnoy, Jack Gatehouse, Louis Cox and Tommy Handbury. Thanks also to our Masters Student Teacher, Alex Robins who has been instrumental in getting our students to such a high level.

Many thanks to the Kids Teaching Kids organisation for supporting us with funding to go to this fantastic event.

Premiers’ Reading Challenge
Thank you to all the children who have entered all their books on the PRC website. I have been very pleasantly surprised at how many children have completed far more than the required 15 or 30 books. Tomorrow is the very last day that the website will be accessible, so if you haven’t sent the confirmation letter to your child’s class teacher, you must do this today. We will have a full review of how we went in next week’s newsletter.

Malcolm Dow
Assistant Principal
After school borrowing is back on for the remaining Thursdays after school for students to return and borrow books if they did not get a chance during the week. Parents are also welcome to attend and borrow in their child’s account. Book week and 3/4 Camp meant the previous three weeks it was unable to run.

Happy reading,
Brett Leyshan

Library News

2014 Fun Run

Thursday October 16th

Preparations have begun for the 2014 Fun Run, to be held in the second week of Term 4. Sponsorship forms are being sent home this week so please look out for them in your child’s bag. Please help your child seek sponsorship from friends, relatives and neighbours. All funds raised will go towards the sponge base being installed in the playground this September holidays.

The focus of the day is participation and fun with prizes offered to the children across different categories to encourage and reward effort and contribution. We have some great prizes donated from the local community - the more money raised, the greater the chances of winning a prize!!

Nicki Batagol
Parents and Friends for Armadale (PFA)

Hi everyone

Well we’re on the home straight now and with just over a week until the end of term I, for one, just pray we don’t run out fuel.

On the down-side energy levels are low in our house, along with low tolerance and low camaraderie (yep, that means kicking and hitting, screaming and hurling abuse. Oh, and clenched fists, flushed cheeks and tears).

On the up-side the children will be enjoying gelati and pasta as well as living life the Italiano way tomorrow. Please contact Vita if you can help. They can also enjoy a sticky licky treat next Thursday to help fund Peter Pan props, make-up and costume.

So, please don’t forget to include a $1 coin next Thursday September 18.

Next Term?
Lots of fun in-store:

- The Fun Run - Friday October 16—see page 4 for more details and please look out for the sponsorship form in your child’s bag this week
- Peter Pan – October 21-23
- Melbourne Cup Holiday – Tuesday November 4
- Family Fun Night – Friday November 21
- Election Day Cake Stall and BBQ – Saturday November 29.

Year 3 and 4 Excursion to the NGV this Monday 15th September

All year 3 and year 4 students will be visiting the National Gallery of Victoria on Monday 15th September. Students will be participating in a Tour and Workshop, focusing on emotions in art.

Please bring - School bags, fruit, snack, lunch, water and hat
Departing School - 9.00am
Returning to School - 3.00pm

Art Smocks
Can be purchased from the uniform shop PSW in Kew or Riot Art and Craft in Malvern.

Thank you for your support.

Lucy Gorman
Visual Arts Co-ordinator

Visual Arts News

Artist of the Week: Coco Gallichio 1/2A

For the excellent printing skills and collage skills she displayed when making her Dirty Dinosaur. She is a very creative and talented member of the class.

Visual Art Class of the Week: 6Z

For the improvement they have made with their behaviour this week and for their excellent collage skills.

Magazines for Year 5 and 6 Students

Please remember to bring an old magazine from home to create your collage of a face next Wednesday. A magazine with people in it would be excellent.

The theme we have decided to focus on is ‘Places We Visit’ and the medium is photography. If any students in Year 5 and 6 would like to take photos of the places they visit within the City of Stonnington that are special or important to them, please do so and send them to gorman.lucy.l@edumail.vic.gov.au by next Wednesday 17th September. Feel free to submit more than one photo and please include a title and the class you are in.

Stonnington – Children’s Week Project for Year 5 and 6

Year 5 and 6 students are invited to participate in Stonnington Council’s Children’s Week Project. The intention of this project is to develop students’ knowledge of their community by developing a collection of digital images.

Working Bee Donation

For those parents who were unable to attend the Working Bee last Saturday 6 September, we would be grateful if you could make a $30 contribution to our Working Bee fund for ongoing maintenance. Please complete your details below:

I would like to make a $30 (or other amount) donation to the APS Grounds fund

You Can Do It! Awards

Ryan Hartanto 1/2E
For his increasing confidence with his story writing and his great sportsmanship displayed during PE.

Luka Jevtic 1/2P
For his confident and interesting presentation of his overseas journal. What an amazing holiday you have had with your family!

Clea Robinson 3/4C
For displaying such confidence and persistence during our Rumbug camp. You demonstrated great teamwork, resilience and gratitude. Great job Clea!

Hugo Alves 3/4J
For using persistence and confidence in all activities at Camp Rumbug. You worked cooperatively and tried very hard in all things.

Chloe Frigo 3/4M
For approaching all activities and challenges at Camp Rumbug in a positive manner. Your maturity and care for those around you was fantastic. Keep it up Chloe!

Audrey Mellor 3/4M
For being a caring and compassionate friend at all times and for displaying resilience and persistence while away on Camp Rumbug! Well done Audrey.

Taliyah Goumas 3/4S
For demonstrating fantastic getting along skills by helping a new student. Great effort, Taliyah!

Tommy Handbury 3/4W
For demonstrating confidence and showing a positive approach to all the activities and challenges presented at Camp Rumbug. A fantastic effort Tommy!

Polly Yeats 3/4W
For demonstrating confidence and working cooperatively with her activity and cabin groups at Camp Rumbug. Well done Polly!

Evan Poloyzos 5B
For his impressive techie skills while working on 5B’s Armadillo page. You are a real lifesaver Evan!

Tom Upton 5B
For his hard work and dedication while assisting the completion of 5B’s Armadillo page. Your attention to detail is inspiring and very much appreciated. Thanks Tom!

John Kartsaklis 6N
For demonstrating confidence and patience whilst teaching a classmate about adding and subtracting negative or positive integers, using a number line - great effort!

The 5 Keys of YCDI! Education
Our core purpose is the development of young people’s social and emotional capabilities, including:

♦ Confidence (academic, social)
♦ Persistence
♦ Organisation
♦ Getting Along, and
♦ Resilience.

Central to the development of these 5 Key Foundations is instilling in young people 12 Habits of the Mind, including:

♦ Accepting Myself
♦ Taking Risks
♦ Being Independent
♦ I Can Do It
♦ Giving Effort
♦ Working Tough
♦ Setting Goals
♦ Planning My Time
♦ Being Tolerant of Others
♦ Thinking First
♦ Playing by the Rules, and
♦ Social Responsibility
ITALIAN DAY IS ...

TOMORROW

Italian Day at Armadale Primary School
Friday 12 September 2014

Italian songs, pasta making and tasting, art activities, gelati van, dancing, performance of ‘La Festa’, by La Comica Variety. Students dress up in Italian colours, verde (green), bianco (white), rosso (red)

Grazie to all the parents who have already responded.

If you would still like to help, please see Vita on the day.

Come and be part of this fantastic whole school community event where you can participate and assist teachers and students with the special activities planned for the day. The timetable is listed below. Any time you can spare to assist would be greatly appreciated.

9.00-9.45am Special assembly (on the stage)
10.00-11.00am La Festa Performance and special Italian Day activities (parent help required)
11.00-11.30am Recess
11.30-12.30pm La Festa Performance and special Italian Day activities (parent help required)
12.30-1.30pm lunchtime (Parent help required with distributing gelati)
1.30-3.00pm Special Italian Day activities (parent help required)
3.00-3.30pm Students go back to classrooms (parent help required to pack up activities)

Some important information-
- Activities will be in multi-age groups.
- Parent helper’s jobs include helping the teacher during each activity, resetting the room for the next group, and cleaning and tidying at the end of the day.
- Lunch orders will be available as usual.
- A gelati van will serve gelato at lunch time, children with allergies will be offered an icy pole.
- Students are to bring a named plastic plate and plastic fork, in a plastic bag, for the pasta activity, to be taken home at the end of the day.

Grazie mille
Vita Vampatella, Languages Co-ordinator
One of the five learning outcomes in the Victorian Early Years Learning Framework and the Early Years Learning Framework for Australia is that **children are confident and involved learners.**

**Children learn from birth**

Babies learn that they can make things happen (banging on a saucepan makes a noise, smiling at you makes you smile back). They try to solve problems (how can I get this slippery mango into my mouth) and actively explore their world (what’s around this corner?).

When you encourage and support your child to be a curious and active learner, your child experiences learning as fun and rewarding. They learn to love learning! And that’s the key to becoming a confident and involved learner.

Confident and involved learners enjoy exploring and experimenting. They meet challenges and take risks. They learn that it’s okay to fail and that they can get help when they need it. As they get older they realise that working with others sometimes gets better results than doing things alone.

A confident and involved learner persists. The child who can’t do a somersault at first, but tries again and again until they succeed has learned the importance of not giving up. They are more likely to face their next challenge with confidence. And if they can’t do a somersault, they learn that it’s okay to not be able to do it. They can always try again later.

Confident and involved learners continue to ask questions and explore their world. Why is the rain wet? Why is Julio crying? Can a frog swim and jump? And they learn where to go to find answers. These basic questions can foster curiosities that form early maths and science concepts.

**How can I support my child to be an active and involved learner?**

- You are your child’s first and most important teacher. Your child learns first through relationships with you and others in the family. The opportunities and experiences that you give your child are therefore critical.

- Make sure your baby has the chance to move around, touch things, taste things, pull things apart and talk to them/converse about things in a way where you both listen to each other, ask a question and pause for a response.

- Give your child many and varied opportunities for play—time for your child to play alone, with friends and with you. Give your child periods of uninterrupted play that allow them to create, build, discover and imagine. Sensory play—i.e. touching and feeling lots of different surfaces and materials—is especially important.

- Older children will begin to take initiative as learners by asking questions when needed and attempting small projects as they grow. They will experiment with ways of expressing and communicating ideas and feelings to particular audiences or for particular purposes.

- The most important learning for young children happens through everyday experiences. It doesn’t require specialised classes or expensive toys, water and sand can offer hours of opportunities to learn and play for children.
If you set out to teach a new skill like drinking from a cup or learning to use scissors, repeat the experience so that your child has the chance to practice.

Encourage and support your child to be curious and to ask questions. Encourage them to use their imagination and to solve problems. Together, use books and the internet to help them find answers.

With older children, encourage them to extend their thinking: Why do you think that happened? How can we fix that? Predict what would happen if . . . ?

Encourage older children to use informal measurement units like hand-spans and pencil lengths to make, describe and compare measurements of length, area etc.

Encourage and support your child’s interests. Children learn at different rates, in different ways and at different times.

Learn music here at school

Come and join in the fun of learning to play keyboard, guitar, violin, here at Armadale Primary School.

Creative Music for Schools conducts a music program here at school each week.

Small group classes or one-on-one lessons give children an excellent grounding in music where they will learn to read music and play their chosen instrument.

Tuition costs from $15.40 per lesson and enrolments are now being accepted for limited places in term 4.

Interested parents should call Sharon during office hours on 9818 2333

MLC Gymnastics

Talent Day

When: Wednesday 1 October, 1:30—3:30pm
Where: MLC Gymnastics,
207 Barkers Road, KEW

Gymnastics provides a great athletic base for all sports, developing your daughters strength, flexibility, coordination and agility.

No gymnastics experience is necessary. If your daughter is small, strong and energetic, then gymnastics might be the sport for her!
