Dear Parents,

Information Sessions and Family Conferences

It was wonderful to see so many parents at our Information sessions which were run at each level on Tuesday night. I am sure you are all aware that the research shows a highly positive correlation between parent involvement in their children’s education and students who are successful learners at school. Education does not start at 9 and finish at 3.30 and from birth to adulthood, parents have a positive influence on all aspects of education. Being informed about your child’s curriculum, classroom and homework expectations and school events enables a highly positive school experience for all children. Would all parents who were unable to attend the information sessions please ensure they have read the appropriate bulletin from your child’s teacher and should you have any specific questions regarding your child’s schooling, please ensure you make an appointment to speak with the class teacher. Today the class teachers will be sending home a “learner’s profile” for parents to complete about their child's learning strengths, disposition and attitudes to learning. This information is critical for our teachers to navigate a specific learning roadmap for your children.

As mentioned, the information will assist our teachers in forming appropriate learning goals for the students for the year which will be constructed with you at our family conferences (Years 1-6) on Monday 23rd February and Tuesday 24th February (Wednesday 25th February for Year 5 only). Please go onto the school website or click the ‘Interviews’ button on tiqbiz and log into PTO to book your time. Bookings will open at 9.00am on Monday 16 February. It is important that parents mark one of these dates in their diaries to enable you to attend with your children.

Thank you to all our teachers for their very professional presentations to parents and for providing an in-depth overview of the year ahead. We recognise that it is a lot of information to take in, during an evening, particularly if you have 3 children at our school, so the take home bulletins plus what is available on the website will assist you.

School Council Elections and Nominations

We are incredibly fortunate to have a proactive and supportive school council that helps guide the educational provision for your children.

Our council is made up of 15 members, 8 of those members are parents, 2 are parent community members and 5 are DET (Department of Education and Training) members. Each year, half the council members retire and new members from our school community are nominated or elected to be part of the school council for two years at a time.

In 2015 we have 6 parent members and 2 staff members who will retire. Rochelle and I would like to take this opportunity to thank these members for their fantastic contributions to the running of our school: Anna Hill, Christine Coull, Laurie Conheady, Liza Chancellor, Ray Skinner, Connie Apostolos, and Amy Sorger. Of course these retiring councillors are more than welcome to nominate for a second term if they wish. Rochelle and I also finish our terms, but it goes without saying that we will be continuing for another term of office. Parents may complete a self-nomination form or may be nominated by another parent to be on school council.

The information will also assist our teachers in forming appropriate learning goals for the students for the year which will be constructed with you at our family conferences (Years 1-6) on Monday 23rd February and Tuesday 24th February (Wednesday 25th February for Year 5 only). Please go onto the school website or click the ‘Interviews’ button on tiqbiz and log into PTO to book your time. Bookings will open at 9.00am on Monday 16 February.

This Week’s Awards

You Can Do It! Awards:
Marija Rajchevikj 1/2D
George Cox 1/2E
Oliver Silk 1/2K
Freya Thompson 1/2K
Max Stewart 1/2P
Bella Simmons 3/4C
Jack Gatehouse 3/4E
Stephanie Smith 5B
Stella Phillips 5B
Bronte Cullen 5P
Holly Lovell 6N
Sarah Zagame 6Z

Both of these forms will be available from the office from today, Thursday 12th February and must be returned to Rochelle or me by Thursday 26th February.

Should we receive more nominations than there are vacancies we will post the list of candidates and nominators on Friday 27th February for an election and members of school council will then be decided by a ballot. The ballot papers will distributed to our parent community on Friday 27th February and the close of the ballot will be Friday 6th March Should we however receive the number of nominations which equals the number of vacancies, we will then declare the poll and inform the school community, and those nominated are considered elected.

I have provided information from the Education Department on page 6 for parents to peruse which explains the process and role of school councils and it would be great if parents would consider this opportunity. The role would involve 2 meetings per month, once a month on a Monday evening and another time, usually in the morning for a sub-committee meeting. Should parents like to be involved at school but are unable to commit to a school council schedule, there are other opportunities, such as class representative or membership on PFA or classroom helper, or during our working bees. We are always incredibly grateful for all the help which we receive from our parents.

Tiqbiz
A reminder to parents to register/update your details with our tiqbiz app - if you haven’t already done so just follow the instructions on the homepage of the school website and download the app.

We will be sending out information relevant to year levels or where it is a whole school event to the ‘whole school’ category. So when you tick the ‘year levels’ your children are enrolled in, make sure that you also tick to receive ‘whole school’ information.

Upcoming Events
There are a number of events coming up shortly that I would like to remind parents about:

♦ Our annual Welcome Picnic is on next Friday 20th February from 5pm to 7pm. It will be great to see lots of families there and we hope that the weather will be kind to us.
♦ The following week we have our Family Conferences which I have mentioned above.
♦ The following Sunday is our special event; 100 Years of Cars on Sunday 1st March from 10am – 3pm. See the flyer on page 9 of this newsletter. This promises to be a really exciting event and one that should generate a lot of interest around the wider community. Look out for requests from PFA for assistance with cake stalls etc.

Smocks can be purchased from the Uniform shop in Kew. PSW (Primary and Secondary Schoolwear), 12 Strathalbyn Street, East Kew. Student Banking

Welcome back!

Student banking has started again on Tuesdays for 2015. All children should have received an information pack last week which included a redemption card and outlined the new rewards available this year.

For families who are new to Student Banking, once you receive your Dollarmites Deposit Book from the Commonwealth Bank, you can bring it in to school each Tuesday with the money to deposit and the deposit slip completed with all details.

This should then be handed to your class teacher who will send the books to the office for processing.

Children receive one silver token for each deposit made. Once they have collected 10 tokens, they can be traded in for a reward via the deposit wallet.

I have been advised deposit books for new account holders should be arriving this week so you should soon be able to start saving!

School Council Election 2015 - Information for Parents

What is a school council and what does it do?

All government schools in Victoria have a school council. They are legally constituted bodies that are given powers to set the key directions of a school within statewide guidelines. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

Who is on the school council?

For most school councils, there are three possible categories of membership:

♦ A mandated elected Parent category - more than one-third of the total members must be from this category. Department of Education and Training (DET) employees can be Parent members at their child’s school as long as they are not engaged in work at the school.

♦ A mandated elected DET employee category - members of this category may make up no more than one-third of the total membership of school council. The principal of the school is automatically one of these members.

♦ An optional Community member category - members are co-opted by a decision of the council because of their special skills, interests or experiences. DET employees are not eligible to be Community members.

♦ Generally, the term of office for all members is two years. The term of office of half the members expires each year, creating vacancies for the annual school council elections.

Why is Parent membership so important?

Parents on school councils provide important viewpoints and have valuable skills that can help shape the direction of the school. Those parents who become active on a school council find their involvement satisfying in itself and may also find that their children feel a greater sense of belonging.

How can you become involved?

The most obvious way is to vote in the elections, which are held in Term 1 each year. However, ballots are only held if more people nominate as candidates than there are positions vacant.

In view of this, you might seriously consider:

♦ standing for election as a member of the school council

♦ encouraging another person to stand for election.

Do I need special experience to be on school council?

No. What you do need is an interest in your child’s school and the desire to work in partnership with others to help shape the school’s future.

What do you need to do to stand for election?

The principal will issue a Notice of Election and Call for Nominations following the commencement of Term 1 each year. All school council elections must be completed by the end of March unless the usual time line has been varied by the Minister.

If you decide to stand for election, you can arrange for someone to nominate you as a candidate or you can nominate yourself in the Parent category. DET employees whose child is enrolled in a school in which they are not engaged in work are eligible to nominate for parent membership of the school council at that school.

Once the nomination form is completed, return it to the principal within the time stated on the Notice of Election. You will receive a Nomination Form Receipt in the mail following the receipt of your completed nomination.

Generally, if there are more nominations received than there are vacancies on council, a ballot will be conducted during the two weeks after the call for nominations has closed.

Remember

♦ Ask at the school for help if you would like to stand for election and are not sure what to do

♦ Consider standing for election to council this year

♦ Be sure to vote in the elections.

Contact the principal for further information.
To all the APS families....

We have a very exciting event happening at our school grounds on Sunday 1st March from 10.00am to 3.00pm - **100 Years of Cars**.

As this will generate lots of people into our gorgeous school grounds, it is a fabulous opportunity to have a cake stall and raise some funds for our great APS.

Once again we call on your baking, creating or gardening talents (baked goods, jams, cordials, herbs, lemons, flowers, craft items etc). Please start thinking about what you could generously donate. Our APS stalls are such a great collection of delicious and clever treats!

As the event is on Sunday 1st March we ask for all donations that can be made prior (and stay fresh ) be delivered on Friday 27th to the Italian room from 2.30pm (for wrapping and pricing). Otherwise all other fresh items that cant be baked prior please deliver fresh on Sunday 1st, from 8.00am until 10.00am! Don't forget if you don’t bake, it can be any donated item that can enhance our cake stall.

I will be sending home with your eldest APS child, a cake stall information parcel on Monday 23rd, please look out for it!

If you are able to help with wrapping on the Friday 27th from 2.30pm, or on Sunday 1st between 8.00am and 2.00pm, please contact me on 0419 601 788.

**Girls’ U12 Football Team**

Prahran Junior Football Club is registering an U12 girls’ team this year for the first time.

The club registered an U13 girls’ team last year and it was extremely popular with the team winning the Under 13 A division. An amazing feat!! The SMFL has introduced a girls’ football league and have now appointed a full time female to run the competition.

Matches are played on Sundays (no set time) and the girls will train on a Monday or Friday night, either at Orrong Romanis or at Toorak Park.

We will need at least 20 girls to establish a team so if your daughter is interested please let me know (via details below) ASAP as registrations are now open.
