Dear Parents,

Recent events are a constant reminder just how incredibly fortunate we are to live in Melbourne, to live in peace and to only experience what is commonly now referred to as “first world” problems. We should be frequently telling our children just how blessed they are and when they squabble over toys, or are reluctant to complete chores, or argue with you over completing homework, take a moment to ask them, “Do you really know just how lucky you are?” It often takes a minute of reflection to stop any disagreements or have feelings of gratitude take the place of those disgruntled ones. Tragic events can often have a lasting impact on younger children and if any parents would like to access any of the Department’s psychological or counselling services, please don’t hesitate to let me know.

Lateness to school and following school protocols

Unfortunately, there has been a recent increase in the number of children coming late to school. Whilst this may not appear to be a significant issue from a parent’s perspective, the children who arrive late miss the start of the day and important instruction time. This will often result in children in tears, because they are unsure of what to do, they feel embarrassed walking into the class late and realise they are behind the rest of the class. The difficulty in implementing a punitive consequence for latecomers is that we know it is not always the children’s fault.

Could I please request a concerted effort from all parents and carers to ensure all children are at school on time before 9.00 am. Where there are the unavoidable issues, please ensure you sign your children in and explain the reason for lateness on the late slip and ensure that is brought to the class teacher. It is a DEECD requirement that we know the reason for both lateness and poor attendance. Thank you in advance of your cooperation with this matter. With any children who show reluctance to come to school, please don’t hesitate to let me know of the issue and we certainly can help with any fears or anxieties.

House Sports Athletics day on July 28th at Duncan MacKinnon Reserve

I am sure all the Year 3-6 students are looking forward to next Monday where they will have the opportunity to participate in Track and Field events for their house.

There is often a wonderful school spirit demonstrated on that day and I look forward to celebrating the achievements of all students. The weather forecast is looking good so far and I would like to acknowledge Peter Cracknell, the teachers and our student house leaders and sports leaders for their outstanding organisation in getting the day prepared. I look forward to seeing as many parents as possible on the track!

Thank you Georgie Handbury!
All families would have received a fabulous pack of herbs to sell, in order to help fund raise for our new project under the play equipment near the courts. Not only are the herbs far more healthier than the chocolate bars, you can also involve the children in the planting, growing and then cooking with the herbs. I would like to thank Georgie Handbury for all of her organisation and administration to get these to our school and her fabulous team of parents who assisted with the distribution of herbs to the classes.

Parent Opinion Survey
52 parents from our Armadale Community have been randomly selected to complete this year’s Parent Opinion survey. This survey is incredibly important to us as the survey results will be acknowledged and acted upon in an effort to continually improve our wonderful school. These responses are confidential and are submitted to the department. Many parents would know for example that our implementation of TiqBiz was a direct response from parent feedback as was the change to our forthcoming interviews. Parents who have been randomly selected will be asked to come to a briefing on Monday July 28th where the surveys will be distributed. Thank you in advance to those parents who will assist with our ongoing improvement.

Have a wonderful week and look forward to seeing you on Monday and Tuesday.

Regards

Sports Convenor
Armadale Primary Presents Peter Pan, Jr

Peter Pan fever has well and truly spread across the entire Armadale community. I am continually blown away by the talent and dedication of the students.

**Important:** Are you a parent of a Peter Pan cast member or entertainer? If so, you should have been receiving emails as part of our Peter Pan distribution list. If you have not been receiving these, please email me at vollugi.lisa.m@edumail.vic.gov.au.

Here is some important information about Peter Pan for the entire Armadale community.

1) We have a venue! The fantastic Phoenix Theatre at Elwood Secondary College.

2) We have some dates! Bumping into the theatre and rehearsing on **October 19th and 20th**, followed by four performances on **October 21st - 24th**.

3) We need helpers! There are six main categories we would love our parents’ help with:
   1. Construction
   2. Mini-construction/crafting
   3. Costuming
   4. Artistic
   5. Shopping/Finding
   6. Other

If you have a little time to spare and would like to contribute to our amazing show, please email me at vollugi.lisa.m@edumail.vic.gov.au. Thank you so much to all our amazing parents who have already supported this exciting production.

4) By now your child should have brought home a yellow sheet detailing ‘The Great Production Scavenger Hunt.’ If not, they are located on the top of the piano in the Performing Arts classroom. Could you please have a look to see if there’s anything you would like to donate to the school (or let us borrow)? Any assistance would be gratefully received.

5) Term 3’s rehearsal has now been available since the final week of last term (see over the page). Production parents have received this by email, as well as all cast members and entertainers receiving a hard copy last term. Misplaced it? Please just let me know! It’s becoming increasingly important for all students to remain aware of their rehearsal times.

In previous years, the school production has taken place in a much larger venue. This year, due to the smaller number of children involved, the desire to have a more intimate venue for children to develop with more confidence and strength (as well as financial constraints), we have chosen a venue that seats 270. This means that more performances will be required to accommodate everyone who wishes to come see the show. This also means, however, that our little performers will truly get to experience the magic of the theatre and slightly extend the joy of performing onstage! The show will conclude by 8pm to make sure that everyone is well-rested and energised.

Thank you so much for your continued support. I could not be prouder of all children involved!

Many thanks,
Lisa Vollugi

Art Smocks
A number of students still do not have an art smock. If you do not have an art smock please make sure you get one over the weekend and put it in your classroom’s art smock tub.

These can be purchased from the uniform shop (PSW) in Kew.

Address: 12 Strathalbyn Street, East Kew, 3102
Phone: 9819 7809

Alternatively if you can find a smock somewhere else just make sure the material is similar to a rain jacket, the cotton smocks are not as effective. Also make sure the smock has long sleeves. A notice will be sent home this week to students still requiring an art smock. See example of art smock at the right.

Parents and Friends for Armadale

Hi everyone

As usual, Brig and I like to mix things up a bit to make exciting things happen at APS and this month it’s all things herb and hamper!

♦ Herb Drive ends August 8 – Start planting, gifting or selling today!
♦ Trivia Night Friday August 22 – Hamper time!

Our first-ever Herb Drive
Much excitement in the yard yesterday when the children received their herb packs - and much fighting over them in the back of our car on our return home. Let the excitement continue and plant one, sell one or gift one today. Please return your monies to the office by Friday August 8.

Trivia Night Friday August 22
As promised! Bigger and better than ever! A beer and wine bar! A huge raffle and a silent auction! What more could you want? A hamper of course!

We are asking each year level to donate BRAND SPANKING NEW goods and services that will make up a number of hampers to raffle to the whole school community as well as the Trivia Night stars. YOU could be the proud raffle winner of a hamper worth over $200 for a measly $5 or $10 contribution that will make our playground safer for all our children. More specifically we are asking:

Preps and Level 6 – A Book Hamper
Any and all NEW books: coffee table, fiction, non-fiction, child and adult, photographic, educational or perhaps a book voucher.

Level 1/2 - Beauty Hamper
All things beauty and pampering: hair, skin and nails, moisturisers, manicures and facial vouchers. Nail polish, make-up, bath oils and the like, as well as hair products.

Level 3/4 - Food Hamper
All things gourmet: chutneys, jams, mustards, fresh pastas and biscotti, infused oils, vinegars and exotic sauces. Tongs, mitts and utensils.

Level 5 – Wine Hamper
All things sommelier: cab sav, sav blanc, sparkling, champagne, red sparkling, riesling, shiraz, dessert ‘sticky’...you know the drill.

Please support our children by donating brand spanking new goods for the raffle. Tubs will be in classrooms tomorrow and invitations will be in bags next week so get on board early. Book your table of 10, allocate a table leader and provide phone details. Last year this was a sold out event. News to hand: last year’s victors the “Einstein Jedi” have pre-booked, ready to defend their title. Get in early to avoid disappointment!

Hi everyone, my name is Sofia and this is Nate.

On Tuesday 3/4M made some pizza with Vita as a reward for winning the class with the most ‘Pizza Points’. We have some students that would like to share what it was like to make the pizza. We used: many ingredients.

Holly: I liked making pizza because you got to do different jobs, it tasted really yummy!

Thomas: The staff room was full of smell of the dough. I enjoyed kneading the dough.

Oliver: I liked making the pizza and the pizza was delicious!

Mia: It was fun to roll out the dough and it felt really soft and at the end it tasted really yummy.

Miki: It was great to see everyone kneading the dough, spreading the cheese, the tomato and everything else. It was great!

It was nice to see everyone in our class enjoyed it!

This year’s Children’s Book Week artwork has been created by Ron Brooks, winner of the 2013 Picture Book of the Year Award. Ron has used a scratchboard technique and quality ink colouring to create a piece that will resonate with all ages.

The addition of Ron Brook’s unique typography invites the viewer to actively interact with the artwork and respond to the slogans.

Connect to reading is about enjoying the experience of exploring story, and travelling to other worlds.

The reflected slogan ‘Reading to connect’ has a broader social meaning, suggesting that reading assists in creating a bond with others. Within the world of the contemporary child, this is also relevant as they read books and they read to connect through a variety of media.

The book fair will this year be run in the library! The Book Fair will arrive on the 14th of August and depart on the 21st of August. This will be a great event and a good time to get cheap books! More information to follow in the coming weeks.
