Dear Parents,

Densham Road was buzzing with excitement yesterday morning as the Year 3/4 students couldn’t wait to board their buses to take them to Camp Rumbug. Camp Rumbug has been owned and operated by the Wallis family since 1987. It is a 160 bed lodge situated in the beautiful Foster North hills in South Gippsland. Camp Rumbug is an adventure based camp, designed to deliver onsite activity programs to campers from grade 3 to adult. The site has all accommodation and amenities under one roofline, this adds to the level of security and supervision for younger campers.

They run programs all year round, including such activities as damper cooking, low elements ropes courses, initiatives courses, night walks, canoeing, bouldering and much more. Their camp is run by industry leading, positive, caring staff. The teachers will update parents through our Armadale app ‘tiqbiz’, so make sure you have the app on your smart phone. We have 12 of our staff on the camp and I can't wait to hear how all the children enjoyed their camp on Friday afternoon.

Father’s Day stall (Dads please stop reading)

This was a fabulous two day event led by the very talented Kristen Steele and Susan Hucker, who without a complaint or a whinge managed to adapt to the confines of the Library and then set up their pop - up Father’s Day stall in the Italian Room on Tuesday. It was a montage of cellophane, ribbons, chocolates, socks and so much more with plenty of laughter and noise emanating from the room. The students on Tuesday excitedly chose their gifts for Dad and the hard task now is to keep them hidden from Dad until Sunday.

We are incredibly grateful to both Kristen and Susan for all their organisation of the stall and a huge thank you to all the Mums and Dads who generously helped with the gift wrapping and choices of presents.

Planning week

All of our teachers will be involved in planning the curriculum units next week which will be taught throughout next term. The children will experience a rotation of classes and that our teachers who work in Professional Teams have the opportunity to carefully plan out the curriculum at each level. The planning days are as follows:

- **Monday**  Years 5&6
- **Tuesday**  Prep, Italian, Performing Arts
- **Wednesday**  Years 1&2, PE
- **Thursday**  Years 3&4
- **Friday**  Italian Day, Visual Arts

Thank you to all the teachers for their level of work they commit to their planning.

Staffing

On behalf of the whole community we wish Pauline Eldredge a wonderful long service leave leading up to the term school holidays. We know Pauline and her husband will enjoy a fabulous trip in the USA. Pauline will be replaced by Jenny Kourkouvelis who has agreed to work the 2 weeks full time. This is a great outcome for all of the children in 1/2 K.

Armadale’s 130th birthday – September 8
Next Monday marks the 130th anniversary of when Armadale officially opened as a school. In 1884, the Education Department bought a paddock, a few fruit trees and built the school, which opened with 135 students. The original facilities consisted of a wooden building, which opened for instruction on September 4th 1884. The first curriculum included reading, writing, arithmetic, rhymes, disciplinary exercises, grammar, geography and dictation for the older children. Special subjects such as music, drawing, drill and gymnastics could be taken for extra costs. By 1890 Armadale Primary had more than 570 enrolments and the main building had been built.

As we have already had wonderful birthday celebrations back in March, the school will signify this milestone by planting a commemorative tree and I hope that children will all come back in 20 years time to see how the tree has grown and remember where they were when the tree was planted. I have also invited John Allman, Regional Director of South Eastern Victoria region of the Department of Education and Early Childhood Development to visit our school on that day.

John has a connection to Armadale Primary, as it was his first school when he was a student teacher at Toorak Teachers’ College in 1971 and now he is a Regional Director. I always knew that Armadale Primary creates great leaders!

NAPLAN results
Parents of students in Years 3 and 5 will be receiving an individual report of their child’s NAPLAN tests that the students sat in May. These tests are not pass/fail tests but provide a snapshot of student performance on the days of the tests. NAPLAN results enable both teachers and parents to see how students are progressing, not just within their class but also against national standards.

Should parents wish to discuss any aspect of their children’s results, please don’t hesitate to make a time with me.

I am very pleased and proud to share with you below our results for the 2014 NAPLAN and compare these to the state average for each of the tests. We can see that as a school we are significantly above the state average in all areas for both Year 3 and 5 except for spelling in Year 3 which will inform our teachers’ spelling program.

Working Bee
Looking forward to seeing as many parents and children here on Saturday morning for our bi-annual Working Bee and I will be nourishing all participants with morning tea. Many hands make light work and it will be great to see our school spruced up once again.

Wishing all our Armadale dads a wonderful Father’s day and enjoy all the presents, treats, handmade cards and the extra love!

The rehearsal venues in Victoria are located at Box Hill, Caulfield North, Cheltenham, Essendon, Ivanhoe, Kew and Ringwood.

All interested girls have taken home a form to fill out and return. If your daughter would like an opportunity to attend the assessment workshop but you haven’t seen a form, please have her collect one from Lisa as soon as possible.

Hi everyone

How great was our herb drive? How much fun was the trivia night and how wonderful were the smiles we saw at the father’s day stall this week?

We have a lot to be grateful for as we come to the close of term and would specifically like to thank:

♦ **Georgie Handbury** for her generous donation of time in managing, distributing and processing all things herbs. While final numbers are yet to come, she has miraculously effected a 75% purchase rate amongst our community – a first for our first herb drive. Thanks again Georgie.

♦ **Susan Hassett** and **Kristen Steele** for their scrumptious slices and goodies….oh, and let’s not forget their canny buying skills, wrapability, organisational prowess and warm welcome to both helpers and of course our excited children Tuesday. We’d like to thank all those wrappers who answered the tiqbiz call and also Vita for giving up her room. Sues and Kristen, on behalf of all our children and fathers we salute you and thank you again.

Wondering what the buses were about yesterday morning?

A VERY excited and excitable level 3/4 headed off to Camp Rumbug near Foster yesterday with many an adventure planned. A vast number of parents got the instruction to wait and farewell the buses with a big wave at send-off (apparently an APS tradition). I for one don’t need to do any shoulder work at the gym for the next few weeks.

The ‘Tiger Land’ support vehicle manned by Mr. Dow and Mr. Cracknell followed the entourage in a more stately fashion.

For those who have children on camp, please enjoy a special time with your remaining child/children over the next few days. For those who are child-free live-it-up!

For those who don’t have children on camp, look out for the buses this Friday at pick-up and if you require a park please look further afield.

Next week the children will enjoy the official opening of Armadale Primary School on Monday and of course Italian Day next Friday. If you can help Vita with all things Italiano please let her know. It’s always a fun filled day. Lisa would also like those who volunteered to help with Peter Pan to respond asap. If you haven’t purchased tickets, get on to it!

Lastly, be aware but not alarmed. There is a lice infestation across many schools in Melbourne at this time with both boys and girls affected. We have it on good authority that all schools in our zone as well as two that we know of in neighbouring zones are experiencing difficulty in getting these tenacious critters under control. Please check and if sighted treat every two to three days. It’s the only way to stop the cycle and if regularly done the children understand it’s just part of life and forget all the histrionics. We hear the Shirley Temple and Cropped Bob are the latest on-trend hair looks for girls and for boys? The ANZAC.

She enjoys drawing in her spare time, as well as travel. She believes that living so far away from home will help her broaden her mind, and she can't wait to live with a welcoming family.

**Marco (17) from Italy** is an animator at his local church group and enjoys playing both football and basketball with his friends.
