Dear Parents,

What another busy week we have had at school this week and in every classroom there is so much learning happening. The Preps have been excitedly planting tulip bulbs, the Year 1/2’s are enjoying their water cycle lessons and incursions, the Year 3/4’s are exploring the earth, space and its elements and the Year 5/6’s are engaging in political parties, elections and how democratic systems work. The teachers are fully immersed in finalising their reports which will be sent home at the end of the term. I also met my Senior Advisor on Monday and he approved of my leadership goals and Performance Plan which will carry through to April 2015.

With the start to winter, could I please once again reiterate to parents that students should have a waterproof jacket in their bags at all times in case of inclement weather. Because we do not have any covered walkway from any of the buildings to the MPC, the courts or to specialist classes, when it is drizzling the students may invariably get wet. A waterproof, lightweight raincoat is an easy solution to keep the students dry.

Pupil Free Day Tuesday June 10th
Could all parents ensure they have this date in their diaries, as there is NO School for our students on this date. It is the day after the Queen’s Birthday public holiday, so it presents a fantastic opportunity for Armadale families to enjoy an extra–long weekend. OOSHC will be running an in school programme for our students so please book with them if you need child care for that day.

Our teachers will be professionally engaged in a whole school improvement day on Tuesday with the focus being on improving our organisational and learning climate.

We look forward to seeing all the children return to school on Wednesday 11th June at 9.00am

Thank you Jennifer Hemingway
Jennifer Hemingway has been teaching Year 6N for the last 7 weeks and we are very fortunate to have had Jennifer as part of our staff. Thank you Jennifer for all that you have done during these 7 weeks, attending Camp, attending Gala Days, working with the students on their projects and being a wonderful replacement for Robin. We look forward to having you back soon.

Interschool Chess Championships
On Tuesday 3rd of June we participated in the Victorian Interschool Chess Championships. It was held at the Wesley College Elsternwick Campus. 131 people played in the tournament from eleven schools. We all played seven games, and our team scored 11 points in total (9 wins, 4 draws, and 8 losses). We all gave it our best effort but ended up coming in last place, as we were down one player. We hope that we can get more people from Armadale Primary School to play at the next chess tournament, as we need a minimum of four players. The next one is on August 5th, Term 3.

Our team members were: Freddie Moffat, Jeong Woo Choi and Sammy Asaka.

Head Lice
Once again, we have some reported cases of head lice throughout the school. Could all parents please check their child/ren’s hair using the conditioner/combing method of detection. Follow this link from the Department of Health for advice on how to find and treat it.
Congratulations boys and I know you did a fantastic job in representing Armadale Primary school.

Building resilience in our children
One of the goals on my Performance Plan was to build greater resilience in our children and I would like to start offering our parent community more guest speakers and workshops to help you navigate the challenging role of parenting in the 21st Century. If I come across any interesting articles I will refer you to these as well.

Please look at this link below from Kevin Donnelly, Senior Educator with the Australian Catholic University. Thank you to Kate Pilgrim for forwarding this on.

Have a great week everyone.

Beachside Division Cross Country

On Tuesday 3rd of June Brett B, Will H, Henry H, Rose O and Winnie L went to the Beachside Division Cross Country. They ran at Bald Hill Park and raced extremely well in wet and slippery conditions. Special congratulations to Rose for coming 3rd in her event. This means she will represent Armadale Primary School at the regional cross country. Thank you to the parents for their support on the day.

Well done everyone!

**World Environment Day 100% Nude Food Comes to Armadale**

What a wonderful day we are having celebrating world Environment Day by removing all the outside rubbish bins and starting our 100% Nude Food journey. Thank you so much to all the parents who have gone to a lot of trouble to ensure that their children have great Nude Food containers and are eliminating the rubbish element from their food at school.

We had a lovely special assembly where some of our Year 3/4 students sang a great song about recycling, and some of our Year 1/2 students gave us a report on the litter survey that they did as part of their investigations. The presentations that the children attended also ensured that there is a great deal of important learning to be gained from this project. As mentioned before, this is also about improving the health of our students as we had noticed that many of the snack food items the children had been bringing to school were not very healthy and, with help from parents like Pam Johnston, we hope that the children’s snack food has become much healthier, in addition to having less packaging.

Pam has been in touch with a number of companies to see if they can help parents choose healthy lunch and snack options and great containers that require no extra packaging. To this end, two companies have come on board to assist, Smash and My Green Lunchbox. They will be dominating Nude Food containers that we will be using as prizes for our best snack food recipes competition. Remember to place your recipes in the box at the front office to be in the running for one of the prizes. Thanks to Pam and Smash and My Green Lunchbox for all of their help. Click on the logos to go to their websites.

**Communication with Parents**

A constant discussion among staff and at School Council, is how can we communicate more effectively with our parent community. To this end we have registered with a company called Tiqbiz to provide the school with an app that will allow fast and effective communication. Today your child should receive a flyer with all the details on how to set up the tiqbiz app on your phone, tablet or computer. Once the majority of parents have registered we will start using the app for a range of communications between school and home. Click here for further information about the way the app works.

**1/2 D’s Rubbish Count**

Yesterday 1/2D investigated the amount of rubbish in different areas of the school, straight after recess. The results of our rubbish count include very small scraps, plastic wrappers, food that has spilled (such as smarties) and even fruit peel! Please remember to bring NUDE food!! We will do the same count of rubbish at the same time next week to compare the results.

Year 3&4 Camp to Rumbug

The Year 3 & 4 students will be attending Camp Rumbug, near Foster, from 3rd – 5th September.

The total cost of the camp will be approximately $300.00 which includes two nights’ accommodation, all meals except lunch on the first day, coach travel to and from the camp (including a day trip to Wilson’s Prom), participation in various activities and materials for making the camp booklet.

Closer to the date, Year 3&4 parents will receive a detailed itinerary, luggage checklist, medical and permission forms and request for full payment.

Please fill out and return the form below, together with the $60.00 deposit by next Friday, 13th June.

We will be holding a meeting for parents early in Term 3 in order to answer the many questions that you will have. We will let you know the date later this term.

Artist of the Week: Mimi Stoupas 3/4W

For the excellent dot painting she did on her boomerang and the wonderful symbols she made to represent the sun, grass, flowers and sky.

Art Class of the Week: 6Z
For the excellent effort they have made rendering their self-portraits. They have developed confidence when using mixed media.

Heide Excursion
This Friday 6th June 1/2D, 1/2K and 1/2P will be heading to the Heide Museum of Modern Art. Students will be having a tour of the current exhibition by a local artist called Emily Floyd: FAR RAINBOW. Students will also be participating in a workshop.

1/2D, 1/2K and 1/2P students please ensure you are at school by 8:45am this Friday and assemble outside your classroom with your school bag. Please make sure you have packed a jacket, your recess, lunch and a drink. Students will return to school at approximately 3.15pm.

We look forward to hearing all about the level 2 excursion next week.

Art Smocks
A number a students still do not have an art smock. If you do not have an art smock please make sure you get one over the weekend and put it in your classroom’s Art Smock Tub. These can be purchased from any uniform shop. Just look for the material similar to a rain jacket, the cotton smocks are not as effective.

Thank you

A big thank you to Reece Plumbing in High Street, Armadale who donated pipes to be used in our sandpit. The Prep children have built some water runs. The picture below shows what they have made and the Prep children plan to make some more.

Red Nose Day

On the 27th of June the SRC team will be holding a red nose day to raise awareness for SIDS (Sudden Infant Death Syndrome). On the day the SRC will be selling foam red noses for $3, Pens for $5 and you can get your nose painted red for $1.

There will also be a jar of jaffas which you can pay $1 a guess to guess how many jaffas are in the jar. Whoever guesses the closest wins the jar of jaffas. It would be very much appreciated if everyone participated in this event.

Will, Ava, Carla and Aiden
SRC leaders

Thank you to those parents who made a donation this week - we are up to $3200
Heide Museum of Modern Art

On Friday 30th May, Year 1 & 2 classes, 1/2A and 1/2E went on an excursion to Heide Museum of Modern Art. Our tour leaders met us in the gardens and we were split into four groups. Our group had Brenda and her helper Carly. First we went for a walk in the gardens and saw some sculptures. We recognised Neil Taylor’s “Theoretical Matter” because we had already seen the model at school. Then we went to the front of the building where Emily Floyd’s sculptures of words said “Abstract Labour”. Brenda showed us the back of them which were bookshelves. The next part in the gallery was the paintings, more sculptures using letters and planks and a large rainbow that we sat inside.

After that our class had a workshop with an artist called Lucy, and we made our own sculptures of a letter and a clue book, with a bookshelf at the back, just like Emily Floyd. Then it was lunchtime at the rotunda with everyone meeting up and running around together. Afterwards we went into Jon and Sunday Reid’s old house and saw all these beautiful rooms and what the house looked like before they died and before this was turned into a museum. They had lovely angels made out of wool on display which were made by Mirka Mora. It had been a lovely day.

Prep Tulip Drive – Specialist level fundraiser. Like a good news story? The lovely Gretchen Puccinelli, a new Prep parent this year, has initiated a Prep Tulip Drive. She came to us very early in the year to discuss her idea which she has now turned into wonderful reality. The children planted tulips yesterday and will then sell one in their own decorated pot to their parents/families on International World Environment Day today. All monies raised will be donated to the Green Team. It’s not easy being a Prep parent when you, your child and family are adjusting to a new environment and routine. We salute you Gretchen for your fantastic contribution and welcome you to our community.
