Term 3, Week 10

Snugglepot and Cuddlepie:
On Tuesday 13th of September the children were treated to a wonderful excursion at the Arts Centre where they got to enjoy a Snugglepot and Cuddlepie performance that was organised by Laura as part of ‘The Arts’. All students were moved by this performance and enjoyed retelling the story to their teachers, family and friends. The children enjoyed speaking about the 3Ps (problem, place and people) that they could recognise in this story and were able to express their own emotions in relation to the story. If they were to feel the same emotions as Miss Snake, would they behave in the same way? Discussions were also had around the elements of a theatre as well as exploring the similarities and differences between going to the movies and enjoying a theatre performance.

Parent Experts:
We are putting a call out for any parents who have an architecture, design or landscaping background that would be willing to offer their expertise, time or any other offering that you feel would be appropriate to help make our new sensory garden a reality. If you think that you would be able to offer some of your expertise throughout the first few weeks of next term, please get in touch with your classroom teacher as soon as possible.

Excursion Levy:
All students were sent home with a yellow Term 4 Excursion Levy yesterday (Wednesday 14th September) and it is VITAL that these are returned as soon as possible and no later than Monday 3rd of October as we are off on our first Excursion on Tuesday 4th of October. Please ensure the signed form is returned to your classroom teacher promptly. Students will not be able to attend our excursion if we do not have the correct permission slip. We thank you for your understanding and co-operation. If you have misplaced it please click here to go to the school website to print another copy.

ScienceWorks Excursion:
The children will be leaving by bus at 9:00am on Tuesday 4th of October so we ask that they are all at school no later than 8:45am. We will return by bus in time for normal school end of day dismissal. We ask that you send your child with their lunch, fruit, snack and drink bottle clearly labelled and in their yellow Crumpler bag for our excursion. Students must be in full school uniform for this excursion.

Goodbye:
Sadly, we have to say goodbye to two Prep families this week as they make their way on new adventures. Gus will be travelling around Asia with his family for the next 5 months but we look forward to welcoming him back in 2017 for Grade 1. Saho is moving home to Japan with her family this month, we hope you settle into your new school as beautifully as you did at APS. We wish Gus, Saho and their families safe travels and wonderful experiences. We will miss you both!

End of Term 3 - Early Dismissal:
Tomorrow (Friday 16th September), students will be dismissed at 2:30pm. There will be a whole school assembly at 1:45pm in the MPC.

Have a safe, fun and restful holiday break. See you back at school re-energised and ready for Term 4!

Angela, Connie, Nikita, Steph and Amanda 😊
