Reading

It is very important when you are reading with your child that you are recording this in the blue folder and that the blue folder is brought back to school each Monday. As teachers we like to refer to these to help us see what kind of reading experiences your children are being exposed to at home. Please make sure your child packs it in their red bag. Perhaps even packing it Sunday night will ensure that it is not forgotten.

The login card for Reading Eggs will be in your child’s red bag on Monday. Please keep it in a safe place as this will be required if you want to access the program at home. A letter will also be going home that has information about the program. It is important to note that Reading Eggs is a ‘stand-alone’ program and does not teach your child to read. Reading Eggs does not replace the reading experiences you share with your child at home – reading with, reading to and reading by.

Parent Teacher Conference
Parent Teacher Interviews will be held on Monday the 20th of June and Tuesday the 21st of June. You will have been able to book your time via Compass with the login details that were sent home last Thursday. The duration of the conference is 15 minutes. Your child will not be required at the Parent Teacher Conference. This is a chance for us to discuss your child’s progress and for you to ask any questions you may have.

Parent Helpers
We are going to start inviting parents to help in the classroom. If you would like to help out you need to have attended the Parent Helper Session or followed up with Rochelle. There will be a roster attached to the outside of the notice board for each class and you will be able to sign up for specific sessions. Rosters will be put up in the first week of Term 3. Please note that siblings are not to attend.

Looking for Volunteers
We are currently looking for a parent volunteer who would be willing to make some miniature goal posts out of wood for our footy area. The posts would need to be of a size that could be moved in and out each day by the children. If this is something you would be able to help with, please notify your classroom teacher.

REMINDEES
• The disco is coming up in the last week of term and all the information related to it can be found on the posters around the school and on our notice board

• Please make sure your child brings a jumper to school as well as a raincoat. The mornings are getting quite cold and even though it is winter, we still want to be able to engage in outside learning

The Prep Team
Angela, Connie, Nikita, Steph and Amanda
