Parent Helpers
We are going to start inviting parents to help in the classroom. If you would like to help out you have to have attended the Parent Helper Session or followed up with Rochelle and have a current WWCC. There will be a roster attached to the outside of the notice board for each class and you will be able to sign up for specific sessions. Rosters will be put up in the first week of Term 3. Please note that siblings are not to attend classroom sessions.

Parent Teacher Conferences
Thank you to the parents who attended the Parent Teacher conferences. We really enjoyed the opportunity to speak with you regarding your child’s progress and social/emotional development.

Reading Eggs and Fostering a Love of Reading
Reading is very important as is fostering and promoting a love of reading. Learning words in isolation and Reading Eggs should not be the primary tool to teach your child to read. In the past we have noticed that parents shift their focus from reading to and with their child to prioritising learning words and using programs such as Reading Eggs. What concerns us, and what we would like you to consider, is the message you are giving your child about reading. Developing a love of literature and immersing your child in a world of books should be the priority. It is important to encourage an enjoyment of reading and understanding of text and words in context.

Thank you!
A big thank you to Justin Cox (father of Eliza- PS) for offering to construct footy goal posts for the Preps. We can’t wait for them to be used in our footy clinic!

Holidays
The last day of Term 3 is tomorrow, Friday 24th of June. There will be an early dismissal at 2:30pm. An assembly will be held at 1:45 in the MPC. Your child will still need to bring lunch on this day.

We hope you have a wonderful holiday break and take the time to rest and recuperate after a really long term. We know many families are going on exciting holidays and we can’t wait to hear all about them when school resumes.
