Reading
Thank you to all the parents who have helped put the folders together ready for them to go home on Monday. Students will be sent home with four little books in their red book bag as well as their chosen Library books.

Please ensure your child’s red book bag is returned every Monday for weekly book borrowing. As was mentioned at our Reading Information evening, the 4 small books do not have to be read in one session. The small books may be read several times over the week so that your child gains confidence in their independent reading. Please remember that reading a range of books and texts is important. Think about what other books you might like to read to your children – non-fiction as well as fiction.

Toys
As we have been discussing belonging we have noticed that some children have been bringing toys to help them transition into school. Children are more than welcome to bring one toy if it is something of comfort to them and is needed for them to feel at ease in these early stages of school. We would like you to assist in having discussions with your child and if a toy is necessary it is important that they only choose one to bring.
