Dear Parents,

Welcome to the Armadale Primary School community. Entering a new environment can be exciting and at present we are making plans to ensure that your child’s transition from kindergarten to primary school is a smooth and enjoyable one. As part of that process we encourage you to bring your child to attend the following orientation sessions that will take place in our Infant Hall area.

<td>9.45am – 10.45am</td>
</tr>

During these sessions your child will participate in various activities that help the teachers determine groups for 2016. Whilst your child is participating in each orientation session, parents are invited to stay for orientation briefings which I shall conduct in the Multipurpose Centre. This will cover many topics including the following:

- Parent involvement, 21st century learning
- Social and emotional learning
- Before and after school care
- Parents and Friends Association
- School uniform
- School expenses

Our Prep Parent Information Evening will be on Tuesday 10 November from 7.00pm – 7.45pm in the Multipurpose Centre. The evening will offer parents an opportunity to meet and hear from the Armadale staff and learn more about the school, its programs and information about how to prepare your child for the first day of school.

At Armadale Primary School we believe in building strong partnerships with our families. We hope you and your child will enjoy participating in the transition program outlined above. Please do not hesitate to contact me if you have any further questions.

Yours sincerely,

Rochelle Cukier
Principal
