Reading Bags

All children should have received a named folder containing their Reading Log and a take-home book. Please return these every day so that a new text can be selected. The new blue Reading satchels are yet to arrive, but will be distributed individually when they do.

Unclaimed Clothing

With the recent warm weather we have been experiencing, many outer garments of uniform are being removed as the day warms up. Unfortunately, they have not been claimed and piles are amassing outside classrooms and often are simply discarded on the ground in the playground. It is each child’s responsibility to make sure they collect these items at the end of each day.

Kind regards,
Year 1/2 Team
