Week 5 23-02-2017

Footsteps - Social and Emotional Learning

Good Afternoon Parents and Guardians,

This letter is just to remind you that our first incursion for our social and emotional learning program starts next week on the 2nd of March (next Thursday).

We have placed the event on Compass and require you to complete the parent/guardian permission form online before the program starts. There is a charge of \$37 which covers the cost of the company's teacher, resources and follow-up materials. If we do not have your permission for your child to participate, he/she will not be able to participate.

Your children will be exploring the following concepts:

- General Emotions and Reactions
- Inclusion
- Team Work
- Think Before You Speak
- Words Hurt

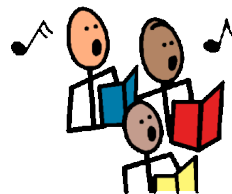

The purpose of these sessions is to assist your child with understanding that it is okay to be different, investigating how to include others and how to handle scenarios involving disagreements. These sessions will also support our inquiry into values.

Thank you for your support.

Junior Choir

Expressions of interest to join the Armadale Primary Junior Choir (YR 1 & 2) will go home this week. Please complete the forms and return them to Colleen (2J) before next Friday. A trial period of 3 weeks will commence on Tuesday 7th March at 8.15am.

Play Doh

We would love some bright, colourful cooked play doh for our classrooms. It is something we use regularly for numerous learning experiences. Please see your child's teacher if you are able to make some for us.

Tip of the week— Using the vocabulary of the dispositions regularly will help children to become familiar with and make connections.
