Dear Parents,

We are all getting very excited that all the details for the Armadale Primary 130th Celebration Fair are coming together. The Fair will be held on Saturday 29th March 2014, and we would like to have as many parents and students involved in this exciting occasion as possible. Every week we will issue a ‘Fair News’ document to let you all know how we are progressing, and what additional help we need, to make this special day one to remember. The newsletter can be viewed by clicking on the ‘Fair News’ link in your weekly Newsletter email.

We look forward to working with you all!

Many thanks,

Armadale Primary School Fair Committee

VOLUNTEERS NEEDED!

We are looking for volunteers to become stall leaders. As a stall leader, you would be responsible for the set up, coordination and rostering of parents to assist with your stall. The organisation of these stalls is already well underway, and a Fair committee member will continue to meet with you to make sure everything is on track!

A signup sheet will be placed outside each classroom next week for you to put your details down, and your preference of stall. If you would like to work as a team, please write your names together with an asterix next to each name. We will try and accommodate as many requests as possible.

We will also be looking for parents to help work on stalls on the day, but will recruit for that closer to the date!

Please express your interest by Friday 21st February using the sign up sheets.
