Dear Parents,

Thank you Rosanna Caruso, Colleen Johnson and the SRC
We have had an incredibly exciting week last week starting with Harmony Day and then going into Crazy Hair Day on Thursday 13th March where all the students looked fantastic with their colourful crazy hair and all the teachers showed their support for the SRC fundraiser and agreed to having their hair coloured and “styled” by the SRC stylists.

The students raised over $390 which will go to the Leukaemia Foundation to assist with their cancer research and thank you to our generous parent community for supporting the SRC. Congratulations to Rosanna Caruso and Colleen Johnson for their wonderful organisation and to the SRC student leaders: Carla Gee, Ava Nielsen, Aiden D’Cruz and Will Purdie.

Thank you to Pauline Eldredge
On Wednesday afternoon of this week, Pauline ran an information session for 11 parents who are keen to be involved in their children’s classrooms this year. It was great to see so many parents who have made themselves available to assist with learning in the classrooms. Of course we recognise that not everyone is in a position to be available during the day and in those circumstances, reading to your children after school or on the weekend or helping with their research projects would be of wonderful assistance. There are many other opportunities to be involved through school council sub-committees, PFA, level cocktail parties and other whole school events.

RE in school
Could parents please remember that if you wish to exercise your option not to have your child/ren participate in RE classes which are provided by Access Ministries, then you must complete the form which is included with this newsletter on page 5 and on the website and leave it at the office. If you haven’t done this, then it will be assumed you have opted in for RE classes. If you wish to have any of this clarified then please don’t hesitate to pop in for a chat.

Year 6 cocktail party
What a wonderful evening it was at the amazing home of Jane and Simon Hayman (Henry, Claudia and Matilda) on Friday night for the Year 6 cocktail party! The stars were out, the night was warm, the footy was on the big outdoor screen to keep the Dads happy and there were gorgeous canapés roving as the evening had been catered by Kim Fleetwood (Madeleine). On behalf of the whole school community, I would like to extend a huge thank you to Jane and Simon for opening up their home and to all the parents who helped make our first cocktail party of the year so successful.

Our Fair – Saturday March 29th
Oh my goodness, parents and the community have been so generous with donations of goods for our various stalls, I had to hold all this week’s meetings in Malcolm’s office! A group of mums has been working tirelessly, to sort things out, cooking, baking, making jams and chutneys, painting, decorating, filling lucky jars – it is all coming together so beautifully.

Don’t forget icypoles for sale tomorrow - only $1

Years 3 and 4 excursion to Kyneton and Mount Macedon
On Tuesday the students in Years 3&4 experienced a wonderful day visiting the regional area of Macedon, the township of Kyneton and Mt Macedon Primary School. The children had a full day of learning and experiencing things that they hadn’t before. A wonderful consequence of their visit to Mt Macedon Primary will be the relationship the students will now have with the Macedon Primary students. A huge thank you to Virginia Wallace for all her organisation and administration and also to Rosanna Caruso, Mat Sweetlove, Stephanie McIlroy, Colleen Johnson, Peter Cracknell, Donna Brammer and Brett Leyshan for all their work in ensuring the day ran smoothly. Thank you also to all the parents who attended and enjoyed the excursion as much as the children!

Ride2School Day
Thank you so much to Malcolm Dow, our fabulous Assistant Principal who organised this wonderful day yesterday which started before school with the setting up of bike racks, flags, tables, signs, Bike ‘n’ Blend cycles. Just after 8.30 we had a stream of dignitaries, Council representatives, the Stonnington Mayor, Cr. Adrian Stubbs and Bicycle Network Chief Executives. Our Assembly was fantastic with so many visitors speaking and acknowledging the children who ride to school on a consistent basis. Our school was officially awarded the Victorian Bicycle Network “Ride2School Award” for 2014. Congratulations Malcolm on this outstanding acknowledgement of all the work you have done with our students in conjunction with Bicycle Network. The view from my office window looking towards the Infant Building was incredible! I have never seen so many bikes in one space!

Have a wonderful week everyone.

Ride2School Day
What a great day we had for Ride2School yesterday. This was our second running of this event and all seemed to agree it was even bigger and better than last year. Congratulations to all the students and families who were able to ride to school, and make such a colourful spectacle at our school. Thanks also to the students and families who were still active by walking, riding, skating or scooting to school. We had perfect weather for the event and I am hopeful that many people enjoyed it so much that they will want to make it part of their regular way of getting to school.

There is a lot of evidence to say that we are all healthier and happier when we are active in our travel to work or school. There are many people to thank for yesterday being a great success: To Arlen Keen and his team from the Ride2School section of Bicycle Network Victoria. They have done a fantastic job supporting our quest to encourage more active transport to school and we thank them for all they have done for us. To Stonnington Council, who have also been very supportive partners in this and many of our other programs at school. Melbourne Bicycle Centre in High St Prahran, were very generous in their donations of the prizes that we used, and Clint at MBC has told me that he will look after any families that come from Armadale PS to purchase bikes or related products.

Thanks also to Bike’n’Blend, who supplied our smoothie making machines, which everyone agreed, were a great success. Of course those machines could not have operated without the fantastic work of our parent helpers, who prepared all the ingredients and assisted the students in making their smoothies; many thanks to Ray Skinner, Melissa Larner, Kelvin McAlpine, Lisa Walker, Jane Murphy, Janine Sheehan, Susan Hassett, David Portnoy and Mel Cooper. Last but not least I would like to acknowledge the wonderful work that Peter Cracknell did throughout the day providing all the students in the school with a fantastic Bike Expo and Bike Ed session—great work Peter!

Premiers’ Reading Challenge
http://www.education.vic.gov.au/about/events/prc/Pages/students.aspx

As mentioned in last week’s newsletter, most students now have their PRC usernames and passwords and should be able to log in and start entering books on the PRC website. Those classes who have not yet started will get their information very shortly. The PRC is a great way to motivate children who may be a little reluctant to read, to get started and become more regular readers. Don’t forget that, whilst the children can borrow books from the school library, the local library is a wonderful resource with a much wider range of books than we are able to offer. If you are not already a member of your local library I recommend becoming a member, there is no charge and Stonnington Library has no limit on the number of books you can borrow—a great way to make inroads into the PRC list.

News from Liberia
Kate McArthur has sent news from her work with the Africa Development Corps (ADC) in Liberia. Kate has been helping deliver supplies donated by UNICEF to schools in the local community. She is having lots of fun and receiving lots of attention being one of the few white people in the area—some of the younger children think she is a ghost-like creature!

Congratulations to Will Hucker who was presented with this term’s Marshall White Award at yesterday’s assembly pictured below with Andrew Hayne.

Visual Arts News

Visual Artist of the Week: Elke Chadwick Prep S

For the excellent drawing skills she displayed when decorating her hands. She explored a variety of different lines and used a posca pen with confidence.

You Can Do It!

The You Can Do It! program at APS is a program that we use through-out all grades at school. This program teaches students to be confident in their learning and social situations, resilient in and out of the school grounds, to have a good understanding of getting along with teachers, friends and peers, to be persistent in all areas of their learning and to always be organised. These are the five YCDI keys to success.

Each term we focus on a different YCDI key. This term the keys are Getting Along and Organisation. Organisation involves being neat and tidy, also to be prepared for learning tasks and all activities in and out of school. Getting Along means to be respectful and friendly to your teachers, parents, friends and classmates and to be able to sort out problems with no issues. Last week we visited students from different classes to find out what they thought the keys from this term meant and how they have displayed them.

Visual Art Class of the Week: 5F

For the enthusiasm they displayed when starting their unit on Ned Kelly. They have done excellent sketches so far.

Art Smocks

A number a students still do not have an art smock. It is really important for everyone to have one. Please make sure you have a smock in your classroom Smock Tub. If you do not have an Art Smock you can purchase one at the uniform shop in Kew.

Lucy Gorman
Visual Arts Co-ordinator

Charlie from 1/2K explains how he shows Organisation...
“Getting ready to go to America the day before and to be organised.”

Martha from 1/2A said...
“Getting Along means being nice sharing and helping your friends.”

Quinn and Claire from 3/4C said they have shown Organisation by...
“Keeping their tub tidy and having everything ready for the next day.”

Finally, Lucy from 5B said that she has shown Getting Along by...
“By helping her friend when she broke her finger and by supporting her.”

Keep up all the amazing work everyone and well done to all the kids who have received a You Can Do It award this term!

Keep an eye out for Kuba and Olivia explaining next term’s YCDI key in a term two newsletter.

Wanted!

Could everyone please try and find some bottle tops at home for Olivia and Tayla and bring them to 6Z? We are making a lager phone for a school project. If you have any could you please bring them in by Tuesday 25 March. Thank you.

Olivia M and Tayla R

Donations for Year 1&2 Investigations are always welcome throughout the year, including:
♦ Dress ups and costumes
♦ Racing cars/matchbox cars
♦ Home office/kitchen type play areas (e.g. shelves, plates, utensils etc.)

Year 1&2 Teachers
After receiving feedback on ‘Out of hours’ borrowing, the library will be looking at starting this in Term 2 with the weekday yet to be confirmed.

The library is taking donations to build up a Multimedia section of DVDs/CDs that students can borrow. Please make sure they are rated G or E (exempt) Classification. Movies, Documentary, Games, Learn to...DVDs, are all great examples the library will take.

The Victorian Premier’s Reading Challenge has started and Malcolm will be introducing this and tracking the students’ progress in ICT Lessons.

Happy reading,
Brett Leyshan
Performer of the Week
Last week... **Connor Spears, 3/4M**, for being an energetic and engaging performer who has a charismatic stage presence. This week... **Carla Gee, 6N**, for her outstanding performance in *Seize the Day*, where she sung with accuracy and outstanding conviction.

Performing Arts Class of the Week
**Last week... 1/2D** for their strong work ethic and sense of humour that they bring to their performance poem. You’ve done a phenomenal job in putting together a hilarious and polished poem that is sure to entertain. Well done, 1/2D! **This week... 6N** for working as a cohesive team to pull together an amazing and mature performance of *Seize the Day*. Outstanding job, 6N!

Assembly Performances
**Last week...** At the *Harmony Day* Special Assembly, 6N performed a rousing performance of *Seize the Day* from the musical *Newsies*. 6Z had the crowd tapping along with their feel-good reprise of *Life’s a Happy Song* from the *Muppets Movie*. A special congratulations to Vita for putting together such an exciting and interesting assembly!

**This week...** **5F** presented *Hard Knock Life* from the musical *Annie*. Their portrayal of destitute orphans in a 1920s Home for Children showed their frustration and anger at the tyranny of the loathsome Miss Hannigan. It was a strong and engaging performance. Well done, 5F!

**Armadale’s Parents Have Talent (we hope!)**
We require the very special assistance of some special mums or dads who have some rudimentary carpentry skills. We are looking to build some basic set pieces for the production of *Peter Pan*, in particular a short wooden staircase that can be wheeled around the stage. Payment offered in the form of eternal gratitude. If you think you may be able to help us out, please email me at vollugi.lisa.m@edumail.vic.gov.au.

On that note, if you have any other amazing skills that you think would benefit our school production such as sewing, publicity, crafting or boundless enthusiasm, I’d love to know. We’re looking to build a wonderful group of parent helpers who work together to support their children in Production and create an astonishingly exciting show. If you could please email me *this week*, your children, the school and I would be greatly appreciative.

**Peter Pan**
The auditions were a roaring success and showed the talent and commitment of the students of our school, all the way from Prep to Year 6. How wonderfully lucky Armadale is to have all of you! The students participated in a series of games and exercises based around the story of Peter Pan. They also learnt an exciting new dance based on traditional Native American movements. What a talented bunch you all are!

The cast list will be announced on Monday 31st March. If you are not chosen this time, please try not to feel sad! There are many other important ways to be involved in production without being onstage. There’s so many exciting opportunities to perform throughout the year, particularly at the End of Year concert. There are also many more school productions in your future. I sincerely hope you’ve enjoyed the process of trying out and that you’ve had a bunch of fun singing, acting and dancing with your friends!

**130th Birthday Fair Performances**
Not long now! All of our talented students are performing on Saturday 29th March. Performance times are as follows:

- **10.00am - Preps**
- **10:30am - Year 1/2**
- **11:00am - Year 3/4**
- **11:30am - Year 5/6**

We can’t wait for you to see the spectacular performances that we’ve been polishing and perfecting for the big day.

Yours in theatre,

Working With Children Check

Parents who wish to help in the classroom or attend excursions will need to obtain a Working With Children Check. Go to the WWC website by clicking on this link. The application process is detailed on this page of the site by following this link.

Food Safety Procedures:

- Make food preparation area pet free
- Wash hands before and during food preparation (see below)
- Ensure all work surfaces and utensils are cleaned thoroughly prior to use

Washing hands:

- Wash the backs of your hands, wrists and between the fingers and under the fingernails
- Use soap and warm water and dry with a paper towel
- Wash hands again after handling garbage, using a tissue, handling pets, smoking, touching hair or changing a nappy.
Armadale Primary School OOSHC follows the national standards for staff to student ratio and can have a maximum of 75 children.

1.15 whilst at the service
1.8 when on excursions
1.5 whilst at water based activities

Please dress in an appropriate manner. We encourage children to wear sturdy shoes that are comfortable for walking during excursions.

NB: All personal items need to be named. Children will not need any money when enrolled at the program.

Please note: Armadale Primary School OOSHC takes no responsibilities for belongings that are brought on excursions.

HOURS OF OPERATION: 8am-6pm

ARRIVAL: The times printed below each day's activities are when the activities are conducted. Please ensure that your children are here at those specified times.

DEPARTURES: Children must be picked up by 6pm. A late fee of $10.00 for the first 15 minutes and then $5.00 for each 5 minutes thereafter will be charged if your children are picked up after 6pm. Children will only be allowed to leave the centre with an adult known to the staff or by previous arrangement.

All excursions are compulsory and transport is either by bus (with fitted seatbelts), tram or train.

By booking your child in for these excursions you authorize the person in charge of the Armadale Primary School Holiday Program, in the event of illness or accident when it is impractical to communicate with me, to obtain on my behalf such medical transportation and medical or surgical treatment as may be deemed necessary and I understand that I will be liable to pay the costs incurred.

Fees

Cost: $50 per child per day*, Full days only

Parents eligible for Child Care Benefit will have their daily fee reduced accordingly.

*If you are eligible for Child Care Benefit it is imperative that you register with the Family Assistance Office. The provider number is 555-012-9018. You will be required to pay full fee unless we have received your registration from the Family Assistance Office. Please call 13 14 50 for more information.

Payment: To book into this program you must fill in a credit card authorization form for us to deduct your outstanding fees after the holidays.

If payment is not made on time, you will be unable to use the program again.

Cancellations: Once you have made a booking we are unable to take cancellations. If your child is unwell and you provide a medical certificate then we may be able to waive the cancellation fee.

Beachside Division Swimming Finals

Last Friday, Henry Hayman, Spencer Stoupas, Mimi Stoupas, Jaxon Dowling, Mark Allen Lyon, Eliza Steele, Lulu Mclaughlin, Bella Cullity, Max Dixon, Miki Hashimoto, Hugo Martin, Will Hucker, Rose O’Donnell, Cecilia Hardy, Phoebe Lovell, Flossie Corsham, & Brett Boscacci participated in the division finals at the Oakleigh Recreation Centre.

Everyone did a great job representing our district, the Southport Dolphins. We also had lots of fun and tried our hardest for the team.

The 9 & 10 relay team of Bella, Lulu, Mimi and Eliza won their event and go through to the Southern Metro Regional Finals at MSAC. A fantastic effort! Thankyou Mr Cracknell for organizing all the swimming competitions and the parents for their great support.

Well done everyone.

Linden Centre for Contemporary Arts

Global Village
In response to the exhibition Witness, children are invited to take part in a collaborative building project and create a global village using cardboard boxes. Linden’s studio space will become a construction site where children’s imaginations, energy and ingenuity will be utilised to build an imagined village of global proportions! The workshop will begin with an introduction to 3D scaled structures built from cardboard by Venezuelan architect and artist Eduardo Karruz whose work is included in Witness.

Suitable for children aged 4 to 12 years.
Limit of 15 children per workshop.
Workshop 1: Tuesday 8th April, 10.30am-12pm
Workshop 2: Thursday 10th April, 10.30am-12pm
Where: Linden’s Art Studio
Cost: $10 per child inc. GST
Bookings essential at to book online visit
