Dear Parents,

What an exciting and engaging week we had with Book Week last week, performances on Wednesday and Thursday and on Friday we had the Father’s day stall and the Book Parade and students represented Armadale through their participation in the District Athletics.

Parents felt that the Book Parade was one of the best we have ever had, not just because of all the wonderful Book Characters, but because everyone was out of the cold and more of the children’s characters could be seen by everyone. Thank you again to all the parents for your involvement, support and the many hours spent in getting costumes ready for the Parade. We are also very grateful to Malcolm Dow and Sara Powell for their work and organisation and I think it was indeed Malcolm who facilitated Buzz Lightyear’s appearance at the Parade. Buzz was a fabulous hit with the children and no doubt left a lasting impression as he flew in and out of the galaxies to visit us. I have included a few snapshots of some of the Parade, particularly for those parents who were unable to make it.

**Father’s Day stall**

This was a fabulous two day event led by the very talented Kristen Steele and Susan Hucker, who without a complaint or a whinge managed to adapt to the confines of the Science Room and set up their pop-up Father’s Day stall. It was a sea of cellophane, bottles, golf magazines and so much more with plenty of laughter and noise emanating from the room. The students on Friday excitedly chose their gifts for Dad and the hard task now is to keep them hidden from Dad until Sunday. We are incredibly grateful to both Kristen and Susan for all their organisation of the stall and a huge thank you to all the families who generously donated gifts for the stall. Susan and Kristen recognise that they are not alone in making this stall happen, in fact Susan sent me the list of all the Armadale mums and dads who gave up their time on Thursday and Friday. Could all of the following parents please accept this as a personal thank you for your involvement and support: Nicki Batagol, Mel Cooper, Antony Simmons, Michelle Moffat, Gary Rowley, Anna Henshaw, Lisa McLellan, Mish McGrory, Katie Chamberlain, Linda White, Jane Hayman, Lisa Stewart, Lisa Le Deux, continued over page ...

Susan very kindly sent me in photos of the stall showing the Mums and Dads hard at work wrapping the carefully selected gifts. I would like to extend my best wishes for a fabulous Father’s Day to all our Dads and we hope you are thoroughly spoilt and at least receive a great breakfast in bed!

Italian day

The school is excitedly looking forward to Italian Day tomorrow and I hope you can join us at some point during the day. The whole school will be involved in singing Italian songs, cooking, art activities, dancing and the children will see a special performance of Cinderella, both in Italian and English. There will also be tastings of the famous Tim Martelli Lasagna, - thank you Pina –and the much anticipated visit from the Gelati Van. A special assembly will held between 9.00am and 9.45am and all of our Armadale Community is welcome to attend. On behalf of the whole school community I would like to extend our thanks and appreciation to Vita for the enormous amount of work which she has put into orchestrating Italian Day for the whole school and thank you also to Beatrice, our language assistant for her help and support given to Vita.

**Working Bee**

Just a reminder to all our families that the school will be holding another Working Bee this Saturday and we look forward to seeing as many families as possible. The Facilities Committee is in full swing and please read Malcolm’s section to see what tasks need doing around the school. The foundation team will also be excited as Ray Skinner will be laying down the concrete slab in preparation for installation of our new storage shed. Many hands make light work and help to keep our school beautiful!

**Congratulations Will Scotti!**

Sarah, Will’s mum excitedly let me know that another Footy club which some of our students play for, The Glen Iris Gladiators, won their Grand final last weekend.

The team was the Under 11’s who defeated the Ashburton Redbacks 54 to 18.

Sarah wrote “We are all very proud. Will is the only Armadale Primary boy in the Under 11’s for the club, so has made lots of friends from all other schools and they all played so well”.

Congratulations Will we are all so proud of you here at APS as well!

Absences and coming late
Whilst recognising that things happen in the mornings, with late nights or sick children, the milk just ran out at breakfast or you have misplaced your keys, children can be invariably late to school. When this does happen, please don’t just drop them off at the gate, parents must sign the children in and ensure they get to class safely. The infrequent lateness is not a problem, it is when children are often late they miss out on the important instruction time and are then behind for the remainder of the morning. When children are late to class they are embarrassed and their self-esteem is lowered, please ensure everyone is organised the night before, not only is it a good habit to get into, the children enjoy their school day far more.

Please remember to also communicate to the school, via an email, phone call or our new absence link on the website if your child is absent as we are responsible for reporting absences to the Department of Education. Lengthy absences for no apparent reason will have a detrimental effect upon children’s learning and at APS, we want all our children to be successful learners.

Stranger Danger
We have been informed of recent incidents at neighbouring schools where children have been approached or followed outside school. It is timely for parents to remind their child/ren to be alert and if an incident does occur to contact the police and the school. Parents please reiterate to your children not to be tempted to get in a car of a stranger.

Have a wonderful week everyone and hoping to see you on Friday and/or Saturday.

Warm regards,

Rochelle Cukier
Principal
Another reminder about our second, and final, working bee for the year will be held on Saturday 31 August from 9 - 12.

We have a wide range of tasks to be completed, from laying a concrete slab to painting, as well as general maintenance jobs like sweeping and drain clearing – something for everyone. We know your time on the weekend is precious so we value any time you can spare, even just an hour is fine. Of course if you just can’t make it, then we would really appreciate a donation to the school of $30 in lieu of your time, and this money can be put towards material and equipment used at the working bee.

Malcolm Dow
Assistant Principal

Congratulations to Rochelle Cukier

What a lovely surprise it was to see Brigid Warwick present Rochelle a special certificate for Excellence in Teaching through the 2013 ASG NEiTA Awards for Inspirational Educators. Although Rochelle displays wonderful leadership and administrative skills, she is and always will be a fantastic teacher and educator, and it was so good to see these qualities recognised by the local community.

Book Week

Book Week was again a wonderful success this year with a great deal of positive feedback about the range of activities we had on offer. The Book Fair was also very popular and I would like to thank Sara Powell for all the time and effort she put into making sure that it ran so smoothly. Thanks also to all the parents who helped her (please see page 8 for Sara’s piece thanking those parents).

Enviroweek

We are now in the midst of Enviroweek, where each level has their special challenge:

- Foundation: Go Fresh – Nude Food
- Level 2: Tree Hugger – Reduce Paper Use
- Level 4: Waste Warrior – Go Tap – no bottled water
- Level 6: Sparky – Reduce energy use

We had Green Team reps from each level present a report on their challenge at assembly yesterday and it is great to see so many of the students getting very involved in their challenges. We also had the Junior Choir sing a beautiful song about Saving the Planet, which set a really nice tone for the rest of the assembly. Thanks Colleen Johnson for preparing them so well. I hope Enviroweek is creating some good discussions at home as well, and that it may lead to positive changes that help the environment and the family budget.

Premiers’ Reading Challenge

We would like all students to finish entering their books on the PRC website by Friday. It is great to see how many students have read enough books to meet the challenge. If your child has read enough books to meet the challenge (this message will appear on the website), could you please send a message (handwritten or by email) to your child’s classroom teacher confirming that they have read the books entered on the website, in order to complete the challenge. We would like this process to be completed by the end of next week, in order to allow teachers to verify the students before the challenge closes.

Assistant Principal
Hi everyone,

We are all busy, busy, busy. Lots on the go, including:

**The Chocolate Drive** – Gee, it was touch and go last week with a very late delivery but once the chocs finally arrived and we got the production line organised it was smooth as silk. Robbie Fox is currently winged but still managed to oversee all the action – thanks so much Robbie, we feel for you. To the sorting crew we also send a huge thanks. Great to see the boys in action as we needed their muscle power to get the boxes organised – you know who you are muscle men (Ray, Gary and Ant!) We did love the peanut gallery of kids too – watching all the excitement in the hope of getting a block thrown their way. And yes, the seagulls got their feast – once they delivered their class supply. Please take those chocolates out of the house and get them into the neighbourhood. Remember whatever you don’t off-load can be returned before the due date. Each box contains $60 of chocolates.

**Father’s Day Stall** – Thanks to the dynamic duo Kristen Steele and Susan Hucker and crew of many. The helpers all had a great catch up and the children all had smiles on their dials last Friday – not to mention the wonderful lemon slice and carrot cake that was wolfed down by the merry wrappers. Thank you to all.

**Election Day Cake Stall and Sausage Sizzle** – Saturday September 7. Michelle Moffat the Cake-Meister is again at the bake-off. She will be letting you know how you can help next week when she sends home a request for all things baked, sliced or bought chutney and jam-wise. She blitzed it last year. Let’s blitz it again but bigger this year. Now on to the Sausage Sizzle. The sausages are ready to sizzle, the roster seems full but any additional help is always welcome. Kim Hyde, your organisational skills are making it all happen, Gary Rowley is, as usual, the gas guy (no pun intended Gary – your work on the choc stall was amazing) and Dean Park your commitment to overseeing the stall is fantastic – we hope you catch a snag or two yourself during the day.

We would also like to send a HUGE THANK YOU to our most special friend Janine Sheean. Janine, you are tireless in your efforts and we thank you so much for it. If the PFA had a ‘You Can Do It Award’ we would award you a gold medal for ‘all-round excellence’. Thanks again Janine, things just wouldn’t work without you.

Looking beyond the horizon, the following events are also things to look forward to community-wise.

**Xmas Pudding Order** – Early September.

**APS Fun Run** – Tuesday October 15

More from Nicki Batagol to come.

**2013 Trivia Night** – Friday October 25

What might you like to contribute or help with? Perhaps you have a weekender that you don’t mind ‘donating’ for a family weekend away, or perhaps a facial or gym membership? No donation is too large or small. Please contact Brig or myself if you need a donor sponsor form.

Rightside T-Shirts
To the right are the final designs that will be printed on T-Shirts in the weeks to come. Order forms should be ready next week. Students can choose either design. If you can’t decide which design to get you could always order one of each. Camilla from Rightside has informed me they have chosen quality t-shirts and the cotton will keep its shape and hold the colours very well. Shirts will be sold for a very reasonable $15! So feel free to order more than one! Teachers and parents can order one too as there are adult sizes. Stay tuned for more details! Well done Eliza and Charlie for creating these winning designs.

Art Smocks
It is really important for everyone to have their own art smocks, to protect your clothing from getting stained and dirty. Please ensure smocks are thick enough to prevent paint from coming through onto clothing. Cotton smocks are not the best when working with wet media. If you do not have an Art Smock you can purchase one at the uniform shop in Kew.

No Need for Newspapers this Term
Thank you so very much for bringing in Newspapers throughout Term 1 and 2. We have a huge supply at the moment, so at this stage (most likely the whole of Term 3) we won’t be needing any old newspapers from home. Thanks again!

Visual Art Class of the Week 2J
For the wonderful collage they did of Federation Square. Keep up the great work 2J.

For the creativity and skilfulness she displayed when making her ‘Tanglewood’ tree from wire.
Match It TV Filming

Twenty-seven grade 6 students went to the Match It filming studios to be on a game show. The show was hosted by Jack from Saturday Disney. There were four matching games to play, such as Four in Your Face, Tag Team, Memory Match and the final one was Mega Match! There were 8 teams of 3 students, which each had a name. There were four matches with two teams playing each other then the two top scoring teams had to battle it out in a final. Our team, the Banana Muffins won the grand final round against the Aussie Mozzies. We would like to thank Debra for coming along and Robin for helping. It was a great opportunity for the year 6’s who all had a great time and will remember this day for ever.

Lewis, Aiden and April

PS:
The Banana Muffins will participate in the filming of the final against seven other schools on Friday, 6 September – all the year 6 students and staff wish them the very best of luck, and look forward to watching the TV show, sometime in 2014!

Robin

Book Week

Thank you to all the children and families who came to see me at the Book Fair last week. We had an amazing day and sold many books throughout the day. To all the parents who supported the fair, I pass on my most sincere thanks as all those sales go towards helping the school purchase new books for our library. I would like to specifically thank all those parents who were able to help out throughout the day:
- Melissa Larner
- Ellen Beischer
- Paul Motion
- Michelle Moffat
- Caitlin Moffat
- Mina Ficarra

It was with your help and support that I was able to get through as much as I did. Many thanks for your time and support!

Re-orders

We are using a different book company this year and as a result have stumbled on a few issues throughout the re-order process. I am hoping that the books will be here by the end of this week, however, there may be a delay on this arrival until early the next week. In addition, the book company informed us of some books that were not available to be re-ordered at a very late stage in the ordering process and there is the chance that some books will not be delivered. Students will be notified if this is the case and refunds will be issued in the event of this happening. Malcolm and I have discussed the plan for next year and can assure you that this will be a one off error and will not happen again in the future. If you have any questions please do not hesitate to contact me at powell.sara.c@edumail.vic.gov.au

I will certainly do my best to answer any questions that you might have.

Once again, thank you all for making this year’s fair a huge success and I look forward to seeing you all again soon.

Sara Powell
