Dear Parents,

I hope all of our Armadale families enjoyed the long weekend and the chance to have a break from the routine of a hectic second term. I certainly enjoyed the extra sleep in, the chance to see some good movies, go to the footy and catch up with friends. I know the children all enjoyed coming to school yesterday morning as they didn’t even need to get dressed! Thank you to all our Armadale Community for generously supporting the victims of the recent Nepalese Earthquake.

Reporting to Parents

A reminder to our parents that all student reports will be sent home with the students on Friday 19th June. On Tuesday 23rd June and Wednesday 24th June, parent-teacher interviews will be held for students in Prep – Year 4. The parent teacher interviews for students in Years 5 and 6 will be held on Tuesday 14th and Wednesday 15th July. Students in Years 3-6 are expected to attend the interviews as we empower our students to take responsibility for their learning. The reason for the different timing of the interviews is because they have a different educative purpose. For the younger students, the interview provides an opportunity for parents to discuss concerns raised from the report with the class teacher and to jointly map the future learnings. For the older children in years 5 and 6, the purpose is to briefly discuss the report and set new learning goals for the remainder of the year. I encourage all of our parents to make a time with the class teacher, you may also request to see any of our specialist teachers and even Malcolm and myself. I would also like to emphasise that should parents have any concerns regarding their child’s learning, please don’t wait until the specified parent teacher allotted time slots. All concerns should be addressed when they arise.

ICAS Competition

In the past, the school has offered students the opportunity to take part in this competition in both English and Mathematics. The recent trend however, has been that fewer families have taken part in this and the disruption to the normal day has been significant. The leadership team has also been challenged by the educative benefits to our students who sit these tests and whether there is any growth for students attributed to them. Therefore we have decided that we won’t administer the sitting of these at our school and Peter Cracknell has included advice further on page 6 of this newsletter of a location where these can be sat.

Farewell Mrs Anita Frankel

It was with a great deal of sadness that I reluctantly accepted Mrs Frankel’s letter of resignation from the Department of Education, effective from the start of Term 3. I wasn’t sad for Mrs Frankel as I realise that retirement brings with it opportunities for travel, pursuing new hobbies and interests; having time for cooking chocolate chip cookies and brownies (Mrs Frankel’s favourites), I was sad for Armadale Primary School. Mrs Frankel has been a teacher at APS for over 23 years and she has been an extraordinary teacher in that time, leading many of her colleagues through Maths coaching and inspiring many young graduates.

It is only fitting that we have a special assembly for Mrs Frankel to give past and present students, colleagues and Armadale families the opportunity to say farewell.

continued over page...
This special assembly will take place on Friday June 26th at 1.30pm and be held in our MPC. Could all of our Armadale community please take this as a personal invitation to come to our final assembly of the term which will be devoted to farewelling Anita Frankel. The students will all be dismissed for the start of the school holidays at 2.30 at the conclusion of the Assembly.

Congratulations Mr Dow! Malcolm Dow was asked to present Armadale’s Nude Food journey at the Steps to Sustainability conference on Wednesday. Malcolm was presenting our whole school sustainability policy to principals and teachers from all around Victoria. Have a wonderful week everyone.

Sick children
A number of children are still coming to school when they are unwell. We have had several children affected by the current gastro bug. This is easily spread throughout the school, so we are asking parents not to send children to school if they are not fully recovered. Thank you.

Building Fund
With the end of the financial year approaching, parents are reminded that tax deductible donations can be made to our Building Fund. Click here for a donation form or go to the website for more information about the purpose of the Building Fund and the past school improvements that have occurred thanks to the generous donations from our parents.

Cars
We have received a complaint from one of our neighbours regarding a parent from our school in a 4WD car driving over the nature strip each day on the corner of Glassford Street and Densham Road.

Please remember to be courteous to our school neighbours (and their nature strips!) and model good driving habits to your children.

Extended Holidays
Thank you to those parents who have already notified the school of their plans to take extended holidays over the term break. Could I please request that all parents who have made holiday plans please advise the teachers and the school in advance either in writing or by sending an email. Thank you for your help with this.

2016 Prep Enrolments will close at the end of Term 2
A final reminder to parents intending to enrol their child in Prep for next year to please ensure all enrolment forms have been completed and submitted to the office by the end of the term.

Performing Arts News

Performer of the Week: Lexi Picciani
for the incredible job you are doing in Performing Arts. You are developing into a very engaging and exciting performer!!

Performing Arts Class of the Week: 1/2K
for working together so cooperatively to create your ‘Sing a Song of Sixpence’ play. You are doing such a fantastic job!

Assembly Performances
Maya Hurtwitz and Tilly Hunt regaled us with ‘Yo Ho, A Pirate’s Life For Me’ from ‘Pirates of the Caribbean’. They played the piano beautifully and we were very lucky to witness their talents!

Year 5 Commedia Dell’Arte Showcase
On Tuesday 23rd June (the final week of school) at 2:30pm, the Year 5s will present their Commedia Dell’Arte scenes in the MPC. If you’re able, please come and watch! They are very entertaining and demonstrate the wonderful work that Year 5 have done this term.

Glee Club and Junior Singing Club Rehearsals
We’ve started our new songs and can’t wait to show you! For Junior Singing Club, each student will require a shower cap and a rubber duck. If you don’t have either at home, we’ll have some to borrow at school. If you have seen cheap rubber ducks at any nearby stores, please let me know so I can stock up!

Glee Club - Tuesday lunch (12:30-1:00pm)
Junior Singing Club - Wednesday recess (11:00-11:30am)
Have you remembered your folder, rubber duck and shower cap?

Yours in theatre,
Lisa Vollugi

**Peer Support**

**Friends**

Types of friends is the focus in Peer Support this week. Children will explore what encourages them to form friendships with different people (common interest, admirable qualities etc). Through various activities children will identify that their friends can fall into the categories of ‘best friends’, ‘friends’ and ‘people we know’. Children will also discuss the fact that friendships can change over time for various reasons.

Discuss with your child the different friends they have in their lives and how friendships may change. Some friends may be more important at different times in their lives.

**Notizie d’italiano**

This week 1/2D students presented the work that they have been doing during their Italian Lessons.

They have been learning about responses to ‘Come stai?’ that means ‘How are you?’

You can practise these responses at home.

The prep students counted in italiano at last week’s assembly from uno to dieci, and displayed the posters they were making with *i numeri e i colori*.

Children can practise counting at home -

ICAS: International Competitions and Assessment for Schools

This year children will have the opportunity to participate in the ICAS English & Maths through North Shore Coaching College. North Shore Coaching College is an official International Competitions and Assessment for Schools (ICAS) Testing Centre. ICAS is an initiative of Education Assessment Australia (EAA). EAA is an education group of UNSW Global Pty Limited, a not-for-profit provider of education, training and consulting services and a wholly owned enterprise of the University of New South Wales (UNSW).

ICAS provides an opportunity for all students to gain a measure of their own achievement in an external testing situation. It provides teachers, parents and students with comprehensive reporting of results in Digital Technologies, English, Mathematics, Science, Spelling and Writing.

All students receive a UNSW certificate and an individual student report indicating which questions they answered correctly, their total score as well as their average compared with the rest of the students in the state. The student report is also useful for highlighting student strengths and weaknesses in the skills and processes in the ICAS test that they participate in.

UNSW certificates for each year level in each state are as follows:

- High Distinction to the top 1% of students
- Distinction to the next 10% of entrants
- Credit to the next 25% of entrants
- Participation to all other participating students.

North Shore Coaching College now offers ICAS Digital Technologies, Science, English and Mathematics tests to all students, providing their schools are not currently offering the ICAS tests that they intend on entering.

Enrolment details need to be completed prior to the ICAS test/s closing date. English-Closing Date 26th June; Maths closing date 10th July.

Further details can be found on the website [www.north-shore.com.au](http://www.north-shore.com.au). Or phone (03) 9898 9880 the Box Hill Office at 50 Rutland Road.

Armadale News
(aka Armadillo)

Dear School Community,

Have you got a copy of the Armadale news between the years of 2002-2005? We are currently looking for a copy of these years to collate into a collection of Armadillo news. If you have a copy please bring it into the office so we may photocopy it. These years are printed in black and white.

Kind Regards,

Chess lessons

Please note that there will be no chess class tomorrow for students enrolled in classes with Vincent from Chess Coaching. To make up for tomorrow’s class there will be two classes next week on Monday 15 June as well as the regular class on Friday 19 June.
Parents & Friends for Armadale

Good afternoon all,

The Armadale Cookbook subcommittee has been hard at work.

The plan is to create an amazing Armadale Cookbook that also incorporates artwork and writings from the students of Armadale Primary.

The book will be divided into four chapters; Term 1, Term 2, Term 3 & Term 4. Each term will be then broken up into subheadings:

For example
- Term 2:
  - Mother’s Day
  - Pyjama Day
  - Cocktail Parties

These subheadings will relate to exciting activities throughout the year at Armadale Primary School.

The template for recipe submissions and details on how to submit art work or writing pieces will be in next week’s newsletter, so if you get a chance this week, please have a think about how you and your family would like to contribute to our school’s collaboration.

Head Lice
Once again, we have some reported cases of head lice throughout the school. Could all parents please check their child/ren’s hair using the conditioner/combing method of detection.

Follow this link from the Department of Health for advice on how to find and treat head lice.

If any parents do find head lice, please advise your child’s class teacher. Children can be readmitted to school after treatment has commenced.
