Dear Parents,

What a wonderful array of enriching learning experiences all the students are having this week. Clay and sculpture excursions for Year 5 and 6, Family life sessions for Year 5 and 6, Yoga for kids for everyone, Edendale excursion for Year 3 and 4 to learn about sustainability, Marvellous Magnets experience for the Prep students and then, students in Prep to Year 2 will have their annual Junior School House sports day at Romanis Reserve on Friday.

Armadale Community Family Fun Night
Tomorrow evening we are all looking forward to our fabulous Family Fun Night which starts at 5.00pm and finishes at 7.30pm. It is going to be a fun night for all with the bouncy castle, sausage sizzle, rice paper rolls and icy poles from 7.00pm. Additionally BYO picnic equipment and please don’t bring any glassware for safety reasons, particularly with little children running around. Prep parents don’t forget to bring your cheque book or credit card, the Prep Art auction is very hotly contested and these beautifully framed artworks are priceless. Brett Graham our resident in-house auctioneer has his instructions and it is not unusual to see prices upwards of $1000, however there is no reserve so all the best to our parent bidders!

Class Placement Policy
Thank you to those parents who have written to me already regarding concerns they have with class placements for 2015. Whilst I have noted all of these requests for friendships, I feel it is timely to remind parents of our class placement policy which takes into account a set of four criteria with the first two more heavily weighted than the third.

“Staff will place students into classes, taking into consideration the following in priority order:
1. Achievement levels
2. Learning orientation (behaviour & attitude)
3. Peer preferences
4. Special needs”

The reasoning behind this is to ensure that all classes are equally balanced in terms of academic achievements and learning orientations. It is absolutely critical that classes aren’t loaded and teachers have the opportunity to support all of our children who present a range of learning needs. We also aim to balance the distribution of the year levels within a multi-age class as well as optimising a gender balance. This can require a great deal of finessing, drafting and checking that we have indeed the mix right. Therefore whilst friendship requests have been noted, I cannot guarantee that they will occur. Sometimes, our best friend is not necessarily our best learning partner and my responsibility is to ensure that all our children are successful learners, that is our core business. Thankfully in our wonderful community based school on a single campus, there is much opportunity for friends to play with each other throughout the day.

2014 Fun Run
Thank you so much to the entire Armadale Community for your incredible generosity and support of our projects. The Fun Run total to date is $16,800.00 which is an amazing effort given the weather cut the day short. We especially acknowledge the commitment and outstanding organisation from Nicki Batagol, who single-handedly co-ordinated the whole event.
Yesterday’s assembly was exploding with excitement as prize winners were announced and the raffle was drawn. Special mention was made of Connor Seremelis in 1/2A who raised nearly $800 and that class also raised the most money for the Fun Run.

Disappointingly there are some children who haven’t returned their forms and any money at all and I would appreciate parents attending to this as soon as possible. Children who were absent on this day are of course excused from this expectation.

**Mid-Cycle review with my senior advisor**
As part of the Performance and Development process for all teachers and principals, I had my mid-cycle review with my Senior Advisor, Chery Chapple, on Monday. Thankfully it all went well and I am on track with my goals for overall school improvement. I was very proud of the school’s data which I was able to showcase and share with other collegiate Principals. Likewise I am also excited by the opportunities our data offers and the areas I will focus on in 2015. One of these is the area of Teaching and Learning and my aim is to be more involved with classrooms next year and maybe taking up more teaching with the senior students in certain curriculum areas.

Have a wonderful week everyone.

Late Arrivals
Unfortunately we have noticed a small increase in the number of late arrivals at school recently. Whilst we understand that there are sometimes circumstances beyond our control, the teachers have noted that the late arrival of children does create a disruption to the classroom program, particularly as the children often miss out on those very important instructions at the beginning of the day. Of even greater concern is the fact that some students are arriving late without a parent to sign them in. This is not acceptable as it creates a safety issue for those students walking to their classroom on their own. We therefore need to insist that all children arriving after the bell, and therefore needing to sign in, must do so with their parents/guardians, so they can be signed in correctly and then taken to their respective classrooms. Your cooperation in this matter would be greatly appreciated.

Online Safety
A couple of parents have asked me recently about online safety and cyber bullying, and what resource are available for parents. One of the best sources of information and resources to help both parents and students is the federal government’s website Cybersmart www.cybersmart.gov.au This website has sections for various aged students as well as parents and teachers. I highly recommend having a look at it, especially if you have any concerns about on line safety or cyber bullying. At school during ICT we use Skooville, which has a very strong emphasis on being safe and responsible online.

St John Ambulance
St John Ambulance visited our school on Friday 14th November to deliver free First Aid in Schools training to our students. Through the First Aid in Schools program, trained St John presenters led students from Prep to Year 6 through tailored sessions on the importance of First Aid and what to do in the event of an emergency. Our junior students learnt about how to identify when there is an emergency, keeping themselves safe, and how to call for an ambulance. Senior students learnt about delivering CPR (cardiopulmonary resuscitation) and the things they can do to assist in an emergency.

Participating students have been given a special piece of homework for parents to complete. We encourage you to “do your homework” and go online (www.stjohnvic.com.au/quiz) to see how much you know about First Aid. Are you First Aid READY?

More information about the St John First Aid in Schools program can be found at: www.stjohnvic.com.au/schools.

Year 6 Lygon Street excursion

On Wednesday 12 November, the year 6’s went to Lygon Street, Carlton, for the day. We first went to the ‘Museo Italiano’, and Maria told us all about Italian immigration during the 1800s and 1900s. Then she got some people to come up and look at what was inside some of the suitcases that the Italian immigrants brought with them. Some things inside were a small coffee machine, a pasta machine and photographs.

Next we separated into 2 groups. One group went out of the museum and went to look around at the shops while the other group went around the museum and filled in the blanks of a worksheet.

Lastly, we went to Toto’s pizza house and had lunch there. After everyone finished, we went over to the counter and chose the flavour gelato we wanted. After that we walked over to the train station and came back to school.

Here are some comments from some of the year 6’s saying what they thought of the day:

   Olivia - ‘It was fantastic and I loved the pizza and gelato.’

   Winnie - ‘It was an unforgettable day of Year 6.’

   Venetia - ‘It was a good day!’

Hi everyone,

The Fun Theory. Have you heard of it? It’s a belief system “dedicated to the thought that something as simple as fun is the easiest way to change people’s behaviour for the better. Be it for yourself, for the environment, or for something entirely different, the only thing that matters is that it’s change for the better.”

We are living all things the fun theory this week.

The expectation on all the children’s faces yesterday morning at the drawing of the Fun Run raffle was priceless. Thank you Nicki for bringing all things fun to the children not only at the Fun Run but also to the lucky prize winners for their hard work in seeking sponsors.

Tomorrow evening The Family Fun Night will, again, celebrate all things fun. The babble at assembly when I spoke of sausages, hamburgers, sushi, skipping, and bouncy castle and face painting meant that I needed to call for back-up. Thanks to Mrs Cukier we got those guys back on track and tuned in to bring along lots of coins for food fun, kid fun and mum and dad fun with our wine and beer run-out sale.

What’s more fun than cake? Requests will be in bags next Monday so please bake and slice or if you’re not into it just provide a lovely jam or chutney from shopping or return a donation of money in the bag. Come along and vote, watch the kids have fun in the playground and sizzle a sausage or two.

Quick reminders for end of term fun:
♦ There won’t be icypoles for sale tomorrow at recess due to the Junior School House Sports, so save your $1 for next week!
♦ Family Fun Night tomorrow evening – 5.00-7.30pm. Plastic is fantastic for all cups and coins are gold for all other fun stuff. Notes are always welcome for food and bev.
♦ Election Day Cake Stall and BBQ – Saturday 29 November – all day…until sold out that is…note and plate coming home next Monday – look out!

Family Fun Night – Friday 21 November from 5.00-7.30pm

There’s more! ♦ FREE OOSHC fun centre open all evening ♦ $3.00 hand rolls ♦ $3.00 rice paper rolls ♦ $2.50 a sausage or 2 for $5.00 – bargain! ♦ Burgers are back! ♦ A tipple? $15 per bottle, $5 for a brew ♦ Gold coin donation on entry and for face painting

Election Day Cake Stall and BBQ – Saturday 29 November
Look out for info. in bags next week.

Vive la Presidente! Who will they be? It is my belief that one of our key strengths at APS is community. I also believe our sense of community rests squarely on the shoulders of our wonderful volunteers. Once you gain community you gain riches beyond your dreams. Please volunteer. I promise you will gain riches beyond your wildest dreams.

2014 Fun Run

APS Fun Run – Results and Prize Winners!

We are thrilled to announce that we raised more than $16,800 from the 2014 Fun Run which is a truly fabulous result. The class who raised the most money was 12A with $1797 raised, followed by 12P, 12K, 34M and 12D. Well done 12A!!

The class who returned the most sponsorship forms is Prep S with 15 out of 17 students returning their money and forms, followed closely by 12P!

Money not returned yet?

There are still quite a few students who have not returned their sponsorship money. Don’t worry though as it’s not too late as all money received will directly benefit the school. Please continue to drop it into the office and help us reach $17,000+++

Before we announce the winners of the prizes, thank you again to our very generous supporters for donating the prizes, namely:

- Bounce
- Tennis Australia

- Bounce Prize Pack (T-Shirt, wrist band and 2 free entry vouchers): Connor Seremelis (1/2A)
- Bounce free entry voucher: Konstantinos Theodoropoulos (1/2E)
