Dear Parents,

What a fabulous time was had by all at our wonderful Family Fun night last Friday night.

The weather was absolutely perfect and the kids had the most amazing time on the bouncy castle, participating in the skipping performance, having their face painted and playing games on the courts and play equipment. Many of the adults enjoyed the refreshments, the food and the opportunity to catch up with friends.

On behalf of the whole school community we are incredibly grateful to the terrific PFA team who worked tirelessly throughout the day and evening. Heartfelt thank yous to Mish McGrory; Brig Warwick; Nicki Batagol; Janine Sheean; Mel Larner; and Sarah Barlow who made sure everything was set up and ready to go. Special thank you also to Georgie Handbury; Kitty and Dean Park; Steve McGrory; Anna Henshaw; Spencer Millard; Brett Graham and Jeanine Purdie; Tom Larner and Rick Haydon for all their help and assistance and apologies to anyone else I have inadvertently not mentioned.

It was also wonderful to have the face painting creatively applied by all former students. The stall organised was by Lisa Walker and her daughters, Jenna and Ally Golusin (sisters of Sierra in 3/4C). Jenna and Ally were accompanied by Ella Bennett, (Millie 6Z), Millie Darby (Chloe 3/4W) and Julia Clarke. It was terrific of the girls to give up their time on a Friday night to help out at their old primary school.

Similarly, the jumping castle was manned for 2½ hours by former student, Lachie Hall. Lachie is a regular visitor at afters and it is also great to see his constant willingness to help out after school.

Thank you to all our families for attending the fun night and we are very grateful for your support. I hope that Jason, Georgie and Penny are thrilled with their priceless art works and will enjoy them for years to come. Though there was no emphasis on being a fundraiser, the PFA were delighted to note that we raised just over $2,000.00.

Year 5 Debaters
Congratulations to ten Year 5 students who participated in the Statewide Debaters tournament at Docklands yesterday. The children were fantastic and won four out of their six debates. The students have been trained by Gillian Brown and she should be deservedly proud of their efforts. The students will be writing an article about their experiences in next week’s newsletter.

Congratulations to:

Final Prep Transition
The final transition for the 2015 Prep students and their parents was held yesterday. It has been terrific for the kinder children as each time they visit our school they start to feel more confident. The parents were treated to a presentation on healthy lunchboxes and the positives of starting student banking from an early age.

Prep 2015 Information evening
Our next session with the parents will be on Tuesday December 2nd at 7.00pm in the MPC. In this session parents will meet a number of staff and hear about the structure of the school day and how best to prepare the students for the start of the school year.

Prep – Year 2 Swimming starts this week
Parents please be aware of the intensive swimming program which starts tomorrow and it would be terrific to have as many parents as possible walking the children up to Lauriston pool and helping them get dry and dressed afterwards. Children will be additionally tired and hungry during the swimming program and it would be appreciated if parents could help with supplying extra food during the day and keeping after school activities to a minimum.

Final whole school transition and meet the teacher
The students will be experiencing their final transition session this afternoon and will have completed activities with other students who will be moving up with them to the next year level. Please note that the transition groups they are in, the teachers they have completed transition sessions with and the classrooms they have visited are not necessarily the same as what they will have in 2015.

On Tuesday December 16th at 10.30am, all of the students will transition to their 2015 class; teacher and classroom. Where possible it would be great for the children to ensure that they will be at school that day.

Classroom Cuisine
Could parents please note that Classroom Cuisine last lunches will be on Thursday 18th December and there will not be online lunch orders available on Friday 19th December. We will be breaking up for the Christmas holidays on Friday 19th December at 1.30pm.

Feedback from the McClelland Sculpture Park and Gallery
I always love hearing about how wonderful our children are from outside sources, especially when they have been on excursions and I am delighted to share this recent email with you:

Good Afternoon Rochelle,
My name is Imogen Good and I am the education officer at McClelland Sculpture Park + Gallery. I just wanted to send you a quick note to say how wonderful the grade 5 and 6 students who visited us last week were.
Students were polite and well mannered as well as enthusiastic and engaged. They asked thoughtful questions and were keen to share their ideas and thoughts. Both staff and volunteers commented on students positive attitude and willingness to share and contribute and as such showed themselves to be positive reflection of the school and staff ethos.
Additionally students contributed to creating the base of an art installation that was used at our special Sculpture Survey opening on Sunday which was a huge success with the families that visited us on the day. I will ensure I get some photos to Lucy Gorman shortly.
I hope students and staff at Armadale Primary enjoyed their time here at McClelland as much as we enjoyed hosting them and we look forward to having Armadale Primary visit us again in the future.
Kind Regards,
Imogen Good

Have a wonderful week everyone and don’t forget to visit our cake stall and sausage sizzle here at the school on Saturday!

McClelland Gallery Report from Allison Coe, Milla Burgemeestre & Eliza Motion

Last Wednesday 19th of November, all year 6’s and 5’s participated in an excursion to McClelland Sculpture Park and gallery, including the Arts leaders. We were able to see different types of sculptures and enjoyed two extra fun activities! We were spilt into two groups, year 5’s and year 6’s and rotated between both groups. The first activity was making flowers, with a base of a plastic plate and cut up magazines and coloured paper for petals... there were some amazing flowers!! The second activity included gluing materials to sticks and poles; there were so many different colours and sizes! And it looks fabulous! The sticks were used to make a tepee and were certainly an excellent piece of work!

We had an amazing time discovering so many new art pieces and they all looked amazing. I can’t thank Lucy enough for organising this fantastic excursion we all had so much fun.

I have a series of items left over from your generosity in Peter Pan. If you have let us borrow hanging racks, ballet shoes, props or anything else, could you please pop in so I can reunite you?

Hi everyone,

Transitions

- **Origin:** mid 16th century: from French, or from Latin *transitio*-n-, from *transire* ‘go across’.
- **Noun:** transition. The process or a period of changing from one state or condition to another. E.g. "students in transition from one programme to another".
- **Synonyms:** change, move, passage, transformation, conversion, adaptation, adjustment, alteration, changeover, metamorphosis.
- **Verb:** transition. Undergo or cause to undergo a process or period of transition. E.g. “the elected party transformed into government quickly”.

Last week was about fun and by all accounts every family had a great time at Family Fun Night. We’d like to send out a huge thank you to all our PFA regular volunteers; “the usual suspects” and the lovely new faces who madly sizzled, madly sushi’d, madly bar’d and madly icy poled including our wonderful children who manned the gates for gold coin donations even though “it’s a really boring job so can I go to the bouncy castle now?” as well as the students who helped with icy pole serving and paper and stick pick up. A special mention also goes to our past and future students who returned to provide face painting and were astounded by the new lovely new faces who madly sizzled, madly sushi’d, madly bar’d and madly icy poled for this and once accounts are tallied we will share the ‘state of the nation’ PFA funds-wise.

Speaking of the state of the nation, what might we be transitioning to this Saturday?

Kill two transitions with one stone! Are you a sizzler or a slicer? Feel like flipping a few this Saturday at school? As of yesterday we desperately need more volunteers for the 12-2pm time slot and the clean-up slot of 2-3pm for the BBQ stall. Come along and vote, watch the kids have fun in the playground and sizzle a sausage or two or perhaps indulge in a lovely afternoon tea from the cake stall. Celebrate your party’s election win with a scrummy cake or buck up with a yummy slice if your party wasn’t so lucky BUT! You can all be happy that you have helped transform your school for the better. Speaking of the children, what classes might they be transitioning to over the next three weeks?

Rest assured, no change to Icy Pole Fridays for the rest of the term – cheapie cheep cheep at $1 for a licky treat!

Election Day Cake Stall and BBQ – Reminder for tomorrow and Saturday.

Please don’t forget to bring a cake, slice, chutney or jam to school with you tomorrow. I’m bringing a show stopping store bought chilli lime mayonnaise perfect for Christmas seafood dipping or salad.

Roll up for all the sizzling action from 9am and grab a gourmet treat!

Vive las Presidentes!

Yes! Who will they be? We need your help to make things happen for 2015. Don’t be shy, put up your hand NOW! We’re only a text or email away.
