PARENT PAYMENT ARRANGEMENTS ARMADALE PRIMARY SCHOOL 2022

Dear Parent/guardian,

Armadale Primary School is looking forward to another great year of teaching and learning and would like to advise you of Armadale Primary School's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, it is these contributions made by our parent/carer community, over many years, that provide us with an enriched learning and teaching program and the environment and resources that we enjoy today. Your contributions make a significant difference, this financial support ensures that we can continue to provide the excellent range of facilities, curriculum materials and resources for your children.

Within our school this support has allowed us to:

- Provide high quality programs specific subject materials, and equipment for English, Mathematics, Humanities, Science, Technology, The Arts, Health and PE, LOTE and the Library
- Maintain and further enhance the school grounds and equipment
- Ensure the preservation of our computer devices leases, to enhance learning opportunities
- Maintain sufficient class sets of books and all stationery materials in class bulk supplies for all students
- Facilitate literacy and numeracy online digital subscriptions
- Deliver a range of sporting equipment

With your help and support, Armadale Primary School can continue to design and develop learning and teaching programs, drawing on the best evidenced-based educational knowledge and practices and strive to offer broad and enriched opportunities to students that are above and beyond what is required in the standard curriculum and what is provided for by just Government funding alone.
